Dear friends and fair families,

Due to unexpected weather causing safety concerns of our guests, staff, and vendors, we made the difficult decision to close the fair early on September 19, 2026. We know this was disappointing, and we truly appreciate your understanding and support.

The good news is — the fair is still going strong through September 27! Even though our festival has a no refund, no raincheck policy, we know this was an unusual situation — so we're making a special exception just for you.

As you know, Saturday's safety concerns forced us to close earlier than planned. We're so grateful for your patience and understanding — and we'd love to welcome you back!
If you arrived after 5:00 PM on Saturday and were unable to fully enjoy the evening, admission will be free and you can redeem your unused wristbands on Sunday September 20, 2026 for a special offer:

🎡 Ride Wristbands for just $10 — available with:

- Your original wristband, or
- Proof of purchase, or
- A verifiable credit card number on our record

We can't wait to welcome you back for more music, food, and fun once the skies clear. Please check our official channels for updated schedules and any weather-related announcements. Stay safe, stay dry, and we'll see you soon!

— The Gwinnett County Fair Team
