VENUE OPTIONS AND DETAILS

HALL OF FAME
RESORT & ENTERTAINMENT CO.

Tom Benson Hall of Fame Stadium

Tom Benson Hall of Fame Stadium, formally known as Fawcett Stadium, is a one-of-a-kind sports and entertainment complex and was recently profiled as one of the “13 Game-Changing NFL Stadiums” by Forbes. With over 28,000 square feet of unmatched premium event space, the NFL-caliber stadium features world-class services.

Constellation Center for Excellence

The Constellation Center for Excellence will be a 75,000-square-foot, mixed-use facility that will include a variety of sports-centric research and programming, office space and retail pads. The types of tenants the Center will house include those that are dedicated to improving the game, player safety and the mind and body through research and technology. Constellation, an Exelon company and a leading competitive energy supplier, plans to utilize the Center to host regional energy conferences and other customer-focused events.
