Continuing Education Fund

The Continuing Education Fund has been established to award scholarships to deserving young people who participate and win at the Heart O' Texas Fair & Rodeo.

The fund establishes a $2,500 scholarship for Grand Champion, $2,000 scholarship for Reserve Grand Champion, $1,500 scholarship for Overall 3rd Place, $1,000 scholarship for Overall 4th Place, and $500 scholarship for Overall 5th place. Additionally, the fund establishes a $500 scholarship for Breed/Division Champion and a $250 scholarship for Reserve Breed/Division Champion. These will be provided for the following:

- Scholarship Breeding Heifer Show
- Scholarship Steer Show
- Scholarship Swine Show
- Breeding Gilt Show: Purebred Gilts
- Breeding Gilt Show: Crossbred Gilts - Breed Champion Only
- Breeding Gilt Show
- Scholarship Goat Show
- Wether Doe Show
- Scholarship Lamb Show
- Wether Dam Show

Scholarships are compounded. This means if an exhibitor wins Grand Champion, they will collect the scholarships for both Grand Champion and Breed Champion. Heart O' Texas does not have a scholarship limit, and scholarships are cumulative for all years of participation. See the example below:

Year 1:		
Exhibitor A	GC Steer	$2,500
	Breed Champ Angus Steer	$500
	Breed Champ Hereford Heifer	$500
Total for Year 1:		$3,500
Year 2:		
Exhibitor A	Breed Champ Hereford Steer	$500
	Breed Champ Chianina Heifer	$500
	Division Champ Goat	$500
Total for Year 2:		$1,500
	Grand Total:	**$5,000**

Letter from the Chairman

To all exhibitors, families, teachers, agents, and supporters,

On behalf of our staff, Board of Directors, and more than 600 dedicated volunteers, it is my honor to welcome you to the 2026 Heart O' Texas Livestock Show.
If you've been part of this world for long, you know what it takes to be here. The early mornings, late nights, constant care, and the not-so-small investment it takes to raise and show quality livestock. We understand what you've put into this, and we don't take lightly the opportunity to host you.

For nearly 75 years, this show has built a reputation for being both high-quality and highly competitive. But we don't spend too much time looking backward. Our focus is always forward, guided by our motto: Raise the Standard.

Over the past few years, we've continued investing in our facilities and technology to create a better environment for you and your families. From improved lighting and cleanliness to upgraded sound and connectivity, our goal is simple: make your time here more enjoyable and more memorable.

Our team is also focused on the details that matter most. Things like getting you checked in efficiently, keeping the schedule running on time, and making sure you feel welcomed from the moment you arrive. And of course, we're excited to once again deliver a Grand Drive experience that's truly something special.

While we can't promise a banner on your way out, we can promise this: our team is fully committed to making this one of the best shows you attend all year.

Thank you for being here. Thank you for the effort you've put in to get here. And thank you for helping us continue to Raise the Standard.

Welcome to Waco—and enjoy the show.

Dan Ingham

Chairman of the Board

HEART O' TEXAS FAIR & RODEO
LIVESTOCK & COMPETITIVE EVENTS
GENERAL RULES

Lauren Todd……Director of Livestock & Competitive Events
Taylor Clark……...Livestock & Competitive Events Coordinator

Heart O' Texas Fair & Rodeo is committed to the humane treatment of all animals exhibited. Every possible precaution is taken to ensure the animals' safety and well-being. The production practices in the livestock industry are based on good principles of animal husbandry. No one has a greater economic stake in the welfare of animals than the livestock producers and organizations involved in the promotion of agriculture.

Definitions
As used in these Rules, the following Definitions shall apply.

A. The **"Board"** shall mean the Board of Directors of the Heart O' Texas Fair & Rodeo. The "Executive Committee" shall mean the Executive Committee of the Board of Directors of the Heart O' Texas Fair & Rodeo.

GENERAL RULES

All rules and regulations apply to all shows. It is the exhibitor's responsibility to know and understand each and all rules applicable to them and their projects.

The HOT Livestock Show reserves the final and absolute right to interpret these General Rules & Regulations, Livestock Show Rules, Judges Rules, and/or any applicable special requirements as published in this 2026 Heart O' Texas Livestock Show and Competitive Events Premium Book (collectively, the "Rules") and to reasonably settle and determine all matters, questions, and differences in regard thereto, or otherwise arising out of or connected with or incident to the Fair, and the right to amend or add to these rules as its judgment may determine. An exhibit that violates any of the following rules may forfeit all privileges, fees paid, and premiums and be subject to such penalty as the HOT Livestock Show may order.

The failure of the HOT Livestock Show to enforce any of the provisions, rules, rights, or remedies of this exhibitor premium book or to exercise any options or sanctions herein provided will in no way be construed to be a waiver of such provisions, rules, rights, remedies, sanctions or options.

If there is a conflict between the special rules or requirements of any department or division and the general rules & regulations, the special rules or requirements shall apply.

1. **Evacuation of Livestock/Equine:** During such times as deemed necessary by local, state, or federal authorities, the HOT Livestock Show, and/or its officials may temporarily or permanently evacuate the Extraco Events Center (EEC) under the authority of the Homeland Security Act. Incidents such as, but not limited to, bomb threats, acts of war, declarations of war, code red of the Homeland Security System, etc. will be acted upon in accordance and cooperation with local, state, and federal authorities. Priority evacuation will be given to human life, then livestock and/or equine. In such cases, exhibitors and/or contestants will turn over the care of their livestock or equine to the Heart O' Texas Livestock Show. Proper animal husbandry practices will be followed within reasonable expectations. At which time the evacuation notice is lifted, exhibitors/contestants will be allowed to reenter EEC and claim their livestock or equine.

   By making entry into the Show, you authorize the Heart O' Texas Livestock Show and its officials to detail your livestock/equine on these premises. Furthermore, you agree to hold harmless and without liability the HOT Livestock Show, its officials, show management, and staff for those animals under the reasonable care of the show.

2. **Interpretation and Violation of Rules:** The Heart O' Texas Livestock Show reserves, to its Executive Committee, the final and absolute right to interpret these general rules and arbitrarily settle and determine all matters, questions, and differences in regard hereto, or otherwise arising out of the right to amend or add to these rules as its judgment may

determine. **The Heart O' Texas Livestock Show also reserves the right to change the show schedule, delete classes or add breeds/classes at the discretion of the show officials.** An exhibitor who violates any of the rules will forfeit all privileges and premiums and be subject to such penalty as the Executive Committee may order.

3. **Special Rules:** Special rules or conditions are published in each department when necessary. If there is a conflict between the special rules of any department and the general rules, the special rules will govern.

4. **Decisions:** The decision of the judges will be final in all cases, except where mistake, fraud, misrepresentation, or collusion, not discovered at the time of award, is proven. Any objection to a judge must be submitted as an Official Protest (See General Rule 5 below for Official Protests).

5. **Official Protests:** All protests must be made in writing and accompanied by a fee of $250 cash, which will be refunded if the protest is sustained. Such protests and fees must be submitted to Show Management. Protests must clearly state the cause of complaint or appeal, giving good and sufficient reasons therefore, and must be delivered to the Livestock Office immediately upon the occasion for such protest. Protests must officially be filed before the conclusion of the species show. These cases are referred to the General Manager, Livestock Committee Chairman and General Superintendent, who will have full power to act. Judging procedures will not be interrupted for protest investigation. **No protests will be accepted on judges' decisions, scales, or classifiers.**

6. **Disqualification:** In the event an exhibitor engages in any conduct which results in disqualification, the HOT Livestock Show may, in its sole discretion, prohibit future participation by the exhibitor in any event which is sponsored.

   No exhibitor shall be eligible to compete, or having competed, be eligible to win a premium, if he/she has been disqualified from competition in a show belonging to the North American Livestock Show & Rodeo Manger's Association, or has had a premium withheld or withdrawn on the grounds of rule violation involving misrepresentation, fraud of deception, practice, or attempted. Any non-approved equipment becomes the property of the Heart O' Texas Livestock Show. The following steps will be taken if any rule is broken:

   1st Offense: Animal will be disqualified
   2nd Offense: Penalties will be decided by Management based on rule violation

   In the event of a disqualification, placings and awards will **not** be moved down to the next qualifying exhibitor.

7. **Statement of Liability:** All exhibits are under the direction of Show Management. The Heart O' Texas Livestock Show (HOT Livestock Show) is not responsible for any loss or damage that may occur even as a result of our own negligence. The exhibitor will be solely responsible for any consequential or other loss, injury or damage to, or occasioned by, or arising from, any animal or article exhibited by him/her and for its description as given in the catalog. He or she shall indemnify the Heart O' Texas Livestock Show against all legal or other proceedings in regard thereto, as well as any damage or injury to any other person or

property, caused by exhibitor or any of the animals exhibited with such exhibition or any of the animals exhibited, even if caused by the negligence of the HOT Livestock Show. Exhibitor and each signatory hereto, and any servant, agent, family member, or employee of the Exhibitor hereby waives all right to sue the Heart O' Texas Livestock Show, even as a result of the Stock Show's negligence.

9. **Passes:** A Release and Substitute W9 form for each exhibitor must be uploaded before passes and credentials will be released. Passes to be picked up by exhibitors upon arrival.
   i. **Exhibitors:** Each exhibitor will receive three (3) passes per show they're entered in (i.e. 3 for the lamb show and 3 for the goat show), good for gate admission for the HOTFR. Each exhibitor will receive one (1) parking pass. All passes will be picked up by the exhibitor at their first move-in.
   ii. **CEAs and ASTs:** CEAs and ASTs who are supervising projects will be issued one (1) gate pass and one (1) parking pass good for admission for the entire HOTFR.
   iii. **Extra Passes:** You may order as many extra passes as needed; however, additional passes **must** be ordered with the Livestock Show entries. Season passes will be available for $35 and will be good for the entire HOTFR.
   iv. **Parking Passes:** Each exhibitor will receive one (1) parking pass. Additional parking passes may be purchased. Passes must be clearly visible and hanging from the rearview mirror. Failure to comply will result in confiscation of car pass and loss of parking privileges. A parking pass does not guarantee an available parking spot in the livestock parking lot.
   v. **Contest Participants:** Any student participating in only contests will not need passes and no passes will be provided to them.

10. **Livestock Substitution:** Substitutions will be allowed within the same breed and division as the original entry at the time of check-in. Substitutions will not be allowed once check-in is completed. Any animal substituted must meet any and all requirements for the show it is to be entered. **Substitutions may only be made within the same show** (i.e. a heifer for a heifer is allowed, a heifer for a gilt is not) otherwise it is considered a separate entry and subject to a late entry fee.
    a. **Heifers:** Heifer substitutions will only be allowed if the substituted heifer has been validated in the Texas 4-H and FFA Breeding Heifer Validation Program.
    b. **Gilts:** Purebred gilts can be substituted for a crossbred gilt, only if the crossbred gilt is validated.

    Animal/project substitutions turned in to the Livestock and Competitive Events office **before** the day of show check-in will have no charge. Substitutions made **at the show** will be charged $50.

11. **Barred Exhibitors:** The HOT Livestock Show, in cooperation with member Shows of the North American Livestock Show and Rodeo Managers Association (NALSRMA) and Rule Infraction Database, reserves the right to refuse entry of any Exhibitor who has been barred from any Show/Rodeo on the basis of unethical practices. Each exhibitor understands and agrees that the HOT Livestock Show is entitled to report any and all rule infractions and that this information will be available to the membership of NALSRMA.

12. **Ownership Requirements:** All animals must be entered in the name of the owner as shown on the Registration Certificate if applicable. See Livestock Show Rules and Department Rules.

13. **Eligibility of Animals:** All animals in the breeding classes must be recorded or accepted for record in the recognized books of record for their respective breeds. Exhibitors must produce certificates of registry at the request of the Superintendent in charge any time during the HOT Livestock Show. The exhibitor must give, on our application of entry, the breed, date of birth, registration number and name under which animal is registered in the record association; otherwise, entry will not be accepted. This does not apply to animals entered in classes, i.e. steers, swine, goats, wether does, wether dams and lambs. Any animal that has been offered for auction is ineligible to show.

14. **Livestock Stalling:** In so far as possible, shelter will be provided for livestock. The Show does not charge a stall fee in barns and does not guarantee stall space to any entry. Stalls will be assigned upon arrival. Stalling will be done on a first come, first serve basis. Exhibitors must arrive together to stall together. Early arrivals will not be permitted on to the Show Grounds until the designated arrival time.

15. **Erroneous Entry:** Exhibits that have been erroneously entered may be transferred to their proper class, prior to judging, upon application to the Show Management who will determine the matter upon its merits. If such classes have been judged, however, they shall not be reopened.

16. **Classifying Committees:** HOT Livestock Show will appoint Classifiers to inspect animals. Exhibitors must remove any cover from animals at inspection. Animals deemed unworthy must be removed from the show. Decisions of the Classifiers will be final and protests will not be considered. Interference with Classifiers will not be tolerated. Exhibitors and others are requested not to question their decisions, and to do so may disqualify the Exhibitor concerned.

17. **Judging:** Exhibitors are responsible for knowing the times at which their Exhibits will be judged. Any Exhibit not presented promptly will be ruled ineligible and barred from competition in the class. No complaint or protest on the Show Grounds that the judge overlooked animals will be considered.

18. **Interference:** If any Exhibitor, in any way, whether in person, by agent or servant, interferes with the judges during their adjudication, or shows any disrespect to them, or the Show, Show Management may demand a proper apology from the Exhibitor, may exclude him/her from competition, bar him/her from the Show Grounds, and may also withhold any prizes that may have been awarded.

19. **Restraint/Unruly Animals:** Show Management may remove any unruly animal from the show; there will be no appeal. Cattle must be shown with halter and be sufficiently gentle to be properly handled by one attendant on foot. If exhibition of an animal poses a danger to the Exhibitor and/or other parties, Show Officials reserve the right to remove the animal from competition.

20. **Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. Vinyl/Plastic coated "Phantom" style halters are permitted.

21. **Release of Livestock:** No animal may be removed from the grounds without official written release. All livestock must remain in stalls or pens until their designated release time. There will be no early release of projects unless the Show Management says otherwise. Anyone attempting to load animals before their release time may have their truck and/or trailer towed away, at their expense. Any violation of release times will cause the forfeiture of all premiums and/or prizes earned and the exhibitor may be barred from future participation.

22. **Photographs:** Exhibitors agree to present their animal(s) at the request of show management for official photographs. All photographs taken by the official photographer(s) become property of the HOT Livestock Show. Unofficial (i.e. personal) photographs may not be published without written approval of Show Management. Exhibitors wishing to purchase photographs must contact the Official Photographer. Commercial photography and filming are often conducted at the HOT Livestock Show. You may appear in resulting pictures or film which may be used in connection with advertising, news reporting, public relations or other activities regarding the HOT Livestock Show. Entering the grounds and competitive events associated with the HOT Livestock Show constitutes your consent for the HOT Livestock Show to use any pictures or films it deems appropriate without payment, inspection or review.

23. **Project/Animal Care/Security:** All owners or persons in charge of property, or livestock, shall care for, guard, protect, and preserve same, as the HOTFR does not undertake to do so, and it shall not be held responsible for any loss, shrinkage or damage to said property or livestock or the owners or exhibitors thereof. All exhibitors are responsible for security of their own animal/project(s) until they depart for their final destination (processing/ranch). The exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). The HOT Livestock Show is not responsible for acts of a third party.

24. **Unethically Fitted Livestock:** The showing of livestock of any ineligible age for exhibition in the class entered, or the misrepresentation of breeding or milking status is prohibited.
    - **a)** Description: Unethical fitting means any attempt to alter the natural appearance, conformation, musculature or weight of an animal by an unnatural means, as well as changing the normal conformation of any part of the animals' body or using drugs, medications, chemicals, or other substances (including over-the-counter and extra-label substances and uses), or mechanical devices to alter the physical makeup or performance of the animal. The HOT Livestock Show maintains a **zero-tolerance policy** for unethically fitted livestock. Unethical fitting includes but is not limited to the following:
        - i. Animals that are in milk due to unnaturally induced lactation.
        - ii. Balancing the udder by any means other than leaving naturally produced milk in any or all quarters.
        - iii. Treating or massaging any part of the animal's body, internally or externally, with an irritant, counterirritant, or other substance to temporarily improve conformation.
        - iv. Minimizing the effects of cramping by feeding or injecting drugs and depressants or applying packs or using any artificial contrivance or therapeutic treatment except normal exercise.
        - v. Blocking the nerves to prevent limping or switching of the tail.
        - vi. Striking the animal to cause swelling in a depressed area.
        - vii. Surgery or other practices performed to chance the natural contour or appearance of the animal's body, hide, hair, or feet (this is to include any materials added to the feet of an animal) except the removal of warts or horns and the permitted clipping and dressing of hair and trimming hooves.
        - viii. Insertion of foreign material under the skin.

ix. Changing the color of hair at any point, spot, or area on the animal's body. Any grooming material that allows color to come off from any animal will not be allowed at the Show.
x. The act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method per os (by esophagus).
xi. Injection, drenching or application of any substance per rectum is prohibited. Further, the application of any substance to or near the tail or anus is prohibited.
xii. The use of alcoholic or carbonated beverages in the feed or administered as a drench.
xiii. The use of diuretics is prohibited.
xiv. Administration of drugs internally or externally at the Show by someone other than the Show Veterinarian is prohibited. Animals under the care of a licensed veterinarian and/or taking any type of medication are ineligible.
xv. The practice or use of acupuncture at the Show is prohibited.

b) Verification The exhibitor specifically represents that no animal entered by him/her is unethically fitted and that the breeding, age, and milking status is correctly stated. All animals will be required to have signatures on each entry form stating that the animal was not unethically fitted. The forms must be signed by all of the following:
i. Livestock Show Exhibitor
ii. Parent or Guardian
iii. CEA or AST

c) Medication Received Prior to the Show: In instances where an animal has been administered a drug that is FDA-approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear the system is generally longer than the labeled withdrawal time for most drugs and varies from animal to animal. Adequate time must have passed so that an exhibitor's animal does not test positive for drugs upon arrival. Once the animals arrive on the Grounds, they must remain free and clear of all residues of medications, drugs, chemicals, and other substances. Those animals that have consumed or been given, even under the care of a licensed veterinarian, any type of performance enhancing medication, drug, chemical or substance, including but not limited to steroids, diuretics, anti-inflammatories,

tranquilizers and pain killers within the residual clearance time, are ineligible for competition. Exhibitors with questions regarding medications or eligibility should consult with the Official Veterinarian prior to competition.

d) Medication During the Show: For the convenience of Exhibitors, the Show arranges to have veterinarians available; however, they do NOT donate their services or medications. Fees should be discussed before treatment. Additionally, it is the exhibitor's responsibility to properly communicate to the veterinarians if the animal is eligible for further competition. **All medication and treatment administered during the livestock show must be administered by the Official Veterinarian** and a written medication record must be filed. Animals receiving performance enhancing drugs (including, but not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and pain killers) in this manner are ineligible for competition. The Official Show

Veterinarian is authorized to remove any animal from competition if the health, safety, or welfare of the animal is in question.

i. The Official Show Veterinarian, in agreement with HOT Livestock Show, reserve the right to treat any animal if, in the opinion of the Official Show Veterinarian, it is in the best interest of the animal's health and well-being to be treated. If the Official Show Veterinarian administers treatment to an animal and therefore uses any medication that requires a withdrawal time, the animal may be determined ineligible for competition.

e) DRUG RESIDUE AVOIDANCE POLICY: All entries are subject to random testing. The HOT Livestock Show reserves the right to test any animal officially entered in the livestock show for foreign substances including drugs, chemicals, or feed additives. All Grand and Reserve Grand Champions from each species will be tested at the conclusion of each Scholarship Show champion drive. Randomly selected animals will be tested after the completion of their respective class. The HOT Livestock Show maintains a **Zero Tolerance Policy** for unethically fitted livestock. This includes but is not limited to the use of off-label drugs and non-antibiotic therapeutic medications.

f) Drug: The term "drug" shall mean any substance for which the sale, possession, or use of which is regulated by federal, state, or local law or regulation, as well as any substance used by the medical or veterinary professions that affects the circulatory, respiratory, muscular, skeletal or central nervous system of any species of livestock. If drugs are used by the Official Show Veterinarian to treat a recognized disease in market animals, the withdrawal times listed by the drug manufacturer will be strictly followed.

a. **Approved Drug Use:** If an animal has been administered a drug that is Food & Drug Administration (FDA) approved for its species and class, sufficient time must have passed so that the animal does not test positive for that drug upon arrival at the EEC. Animals must remain free and clear of all drug and chemical residues while on show grounds. Please note that elimination time (the time it takes for no drug residue to be found in the system) is generally longer than the labeled withdrawal time for most approved drugs. The show will not tolerate the presence of zilpaterol hydrochloride (Zilmax™) or ractopamine hydrochloride (Paylean™ Optaflexx™) in species for which they are not FDA approved.

b. **Unapproved Drug Use:** The showing of any animal that has been administered during its life any quantity of any unapproved drug, chemical, or medication is strictly prohibited. Such drugs include, but are not limited to, any diuretic, unapproved growth stimulant, or other unapproved medication. Unapproved means not approved by the (FDA) and/or the U.S. Department of Agriculture (USDA) for slaughter animals including animals that may be destined for human consumption.

Classes of Drugs:

Antibacterial Therapeutic Medications: Used to treat infection, these compounds don't create competitive advantage but can create food safety concerns if not used according to label directions. Many are only FDA-approved for particular species, meaning that extensive research has been conducted regarding the proper dosage and type of administration to be efficacious in that species as well as the withdrawal time that is necessary for meat products to be safe for human consumption.

Non-Antibiotic Therapeutic Medications: Inclusive of anti-inflammatories, antipyretics, diuretics, and anesthetics, these medications can result in a competitive advantage by altering the physical appearance of the animal and/or concerns with food safety. Some are available over the counter and others can only be legally sourced and administered through prescription by a licensed veterinarian. Many are only FDA-approved for a particular species and may only be used in another species with a prescription from a licensed veterinarian.

Beta-agonists: Originally developed as bronchodilators in humans, larger dosages have a growth-promoting effect in animals and result in increased muscle and decreased fat. The only beta-agonist that is currently FDA approved and available for use in livestock production is ractopamine, which is approved for use in cattle, swine, and turkeys with a zero-day withdrawal (i.e. research indicates that meat products are safe for consumption at any time during the feeding period). Use of ractopamine in any other species or class within species, or any beta-agonist lacking animal approval in any species, creates concerns with both food safety and competitive advantage.

g) Inspection/Testing:

i. Each exhibitor, by entering or exhibiting an animal at the HOT Livestock Show, agrees that any animal entered by him or her may be subjected to inspection or examination by any veterinarian appointed by HOT Livestock Show and that HOT Livestock Show may subject any such animal to any tests, sample-takings, or inspections that HOTFR deems necessary or appropriate, including but not limited to testing for drugs or other substances, at any time. The HOT Livestock Show shall have the right to conduct or have conducted for it all tests, inspections, or analyses it deems appropriate or necessary, including but not limited to ultrasound, DNA, blood, tissue, and urine laboratory analysis, on any animal, entered in or exhibited at the HOT Livestock Show. The exhibitor and the exhibitor's parent, legal guardian, AST, or CEA must be present during the collection of an initial urine sample for testing and must witness, seal and sign the sample, thereby establishing that the sample was properly collected and prepared for analysis. Subsequent samples of any sort may be taken by or for HOT Livestock Show without the presence of the exhibitor or his/her parent, legal guardian, or AST or CEA.

ii. All decisions, determinations, and conclusions based on any test, inspection, analysis, or examination shall be final and conclusive without recourse against HOT Livestock Show or any of its Show Management, directors, volunteers, and employees, or any veterinarian appointed by HOT Livestock Show.

iii. Each exhibitor, by entering and exhibiting an animal or project in or at the hotfr, waives and releases hot livestock show from any and all claims, suits, causes of action, liabilities, damages, demands, costs, expenses (including attorneys' fees) and other losses of every sort based on, arising out of or relating to the inspection or testing of any such animal and any ruling, decision, or action taken as a result of or in reliance on the results of any test or inspection, whether or not such testing or inspection was conducted in compliance with these rules. The foregoing waiver and release applies to any causes of action, claims, and demands based on hotfr's actual or alleged negligence.

g) Consequences: In the event that HOT Livestock Show determines any animal to be unethically fitted by Show officials, veterinarian or analyzing agency, HOT Livestock Show is authorized to bar the Exhibitor and his or her family from any further participation in the Show. Reinstatement of anyone barred may be made only by HOT Livestock Show. The Exhibitor will forfeit all titles, awards, prizes, auction proceeds, Premiums and Scholarships if the animal and/or Exhibitor is disqualified.

25. **Participant Decorum:** HOT Livestock Show is a family friendly event. While on the fairgrounds, a Participant is seen as an ambassador of HOT Livestock Show and the agriculture industry. As such, a participant's conduct as an exhibitor or patron should be exemplary, and violators may be subject to punishment up to disqualification. Please refrain from any improper or disruptive conduct, public display of profanity, violence, excessive consumption of alcohol, and inappropriate social media content regarding HOT Livestock Show or HOT Livestock Show representatives.

26. **Animal Health Requirements:** See the Animal Health Requirements section of this catalog. Management is allowed to impose animal health regulations that are more restrictive than those imposed by the Texas Animal Health Commission (TAHC). Specific TAHC regulations will supersede the Show requirements if there is a dispute between the two in which the show rules are less restrictive than TAHC regulations. See Texas Animal Health Commission Rules for details. Refer to the TAHC website for these details at http://www.tahc.state.tx.us/. The show considers itself an intrastate (accepting entries of livestock ONLY from within Texas) show for livestock entries.

27. **Diseased Animals Barred:** Special care will be taken that no animal having a disease of any character will be admitted onto the grounds at any time. The Show Management is instructed and authorized to refuse unloading privileges to any stock having a disease or undesirable ailment.

28. **Exhibitor Numbers:** Numbers must be displayed by Exhibitor when animals are being judged.

29. **Scales:** Scales will be provided by the Show. No additional scales may be brought in by exhibitors.

30. **Objectionable Exhibits:** Show Management reserves the right to remove from the grounds any exhibit, animal, or entry that may be falsely entered, deemed unsuitable or objectionable, without assigning a reason therefore. **All fees will be forfeited.**

31. **Unauthorized Projects:** Any project that is brought onto the grounds which is not entered for competition or exhibition is not allowed.

32. **Bedding:** Stalls will not be pre-bedded. Exhibitors may purchase shavings on the grounds or bring their own.

33. **Stalls, Pens and Alleys:** Stalls, pens, alleys and exhibit spaces must be kept clean. Refuse matter must be disposed of as follows: Manure and/or bedding to be placed in designated recycling dumpsters; Trash to be placed in trash barrels. Feed, or equipment boxes, etc. are not permitted in the main alleys or in barn aisles. No lights are to be strung on the stalls or pens.

34. **Fans:** Only rear fans permitted if mounted on display. No on-ground fans or Port-A-Cools allowed.

35. **Signs:** In show barns, livestock exhibitors are permitted to display a sign over each exhibit advertising their own herds. All other forms of signs or advertising must be approved by the Show Management, and it reserves the right to have objectionable signs removed. **No sign which reflects in any way to any commercial product may be placed over any livestock exhibit.**

36. **Electrical Equipment:** All electrical equipment brought onto the Show Grounds must conform to all applicable safety regulations. Any exhibitor who refuses to cooperate with Show Management in this matter will have their exhibit immediately removed from the Show Grounds. The Exhibitor will forfeit all fees and Premiums.

37. **Generators/Fuels:** Generators and flammable fuels are prohibited on show grounds.
    i. Generators will be allowed for the Heifer and Steer Shows, but must remain outside the buildings.
    ii. Generators are not allowed during sheep, goat, or swine shows.

38. **Cooking:** Cooking is **not** allowed on the grounds at any time. No cookers, crock-pots, microwaves, coffee pots, warmers, or any other cooking utensils are permitted in the barn or on the grounds. Any cooking utensils, including coffee pots, brought on to the grounds will become the property of HOTFR.

39. **RV Spots:** There are no RV parking spots or RV hook ups available during the HOT Livestock Show. This includes trailers with living quarters.

40. **Fire Regulations**: Due to fire code regulations, equipment, showboxes, chairs, extension cords, etc. will be limited in aisles. Blocking of any aisle may be prohibited. Please make necessary provisions, if needed, to store equipment safely in or above pens.

41. **Cooking:** Cooking is **not** allowed on the grounds at any time. No cookers, crock-pots, microwaves, coffee pots, warmers, or any other cooking utensils are permitted in the barn or on the grounds. Any cooking utensils, including coffee pots, brought on to the grounds will become the property of HOTFR.

42. **Pets:** No pets are allowed on Grounds. Service animals are defined as dogs that are individually trained to do work or perform tasks for persons with disabilities. Such animals are welcome in areas where the public is normally allowed to go. Under the ADA, service animals must be harnessed, leashed, or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents using these devices. In that case, the individual must maintain control through voice, signal, or other effective controls.

43. **Electronic Communication:** The use of electronic communication devices (i.e. two-way radios, cell phones, smart watches, etc.) by exhibitors during competition, including judging contests and livestock shows, is prohibited.

44. **Force Majeure**: HOT Livestock Show is not liable for any delay or failure to perform its operations, activities, shows, and/or events to the extent such delay or failure results in a force majeure occurrence. A force majeure occurrence is defined as any occurrence arising from the causes beyond the reasonable control of HOT Livestock Show that delays or prevents performance by HOT Livestock Show otherwise required by this agreement, including but not limited to any:
    1. Breakage or accident to equipment, machinery, or facilities
    2. Any strikes, lockouts, or other labor difficulties
    3. Statutes, ordinances, regulations, orders, or rules issued by governmental authorities
    4. Judicial decrees or orders
    5. Acts of God
    6. Animal diseases and/or quarantines
    7. Wars, riots, or insurrections
    8. Civil disobediences, public demonstrations, or sabotage
    9. Fires, floods, explosions, or inclement weather
    10. Inability to obtain necessary labor, materials, supplies, utilities, or transportation
    11. Depressions, recessions, or other economic downturns
    12. Embargoes or energy shortages
    13. Other causes beyond HOT Livestock Show's reasonable control

45. **Event Cancellation:** HOT Livestock Show reserves the right to cancel an event for reasons beyond Force Majeure.

46. **Refunds:** There will be no refunds of fees. In the event of cancellation of a specific contest/show, refunds may be offered in-partial or in-full and will be determined solely by HOT Livestock Show.

47. **Drugs/Alcohol: Use or possession of drugs or alcoholic beverages by any exhibitor on the fairgrounds will result in immediate expulsion from the grounds and the disqualification of that exhibitor's entry/entries.**

48. **Notice to Parents or Guardians of Participants:** HOT Livestock Show, at its election, may choose to use photographs, videos and other likenesses of Participants in future publications including but not limited to, newspapers, magazines, television, promotional literature, World Wide Web (Internet) and HOT Livestock Show programs. By allowing your child or ward to enter events of HOT Livestock Show, you are deemed to have consented to such uses of photographs, videos and other likenesses of your child or ward.

49. **Notice to Adult Participants:** HOT Livestock Show, at its election, may choose to use photographs, videos and other likenesses of Participants in future publications including, but not limited to, newspapers, magazines, television, promotional literature, World Wide Web (Internet) and HOT Livestock Show programs. By participating in events of HOT Livestock Show, you are deemed to have consented to such uses of photographs, videos and other likenesses of yourself.

50. **Notice to Participants:**

LIVESTOCK SHOW SPECIAL RULES

SPECIAL RULES:

1. **Eligibility:** Livestock Show Exhibitors are subject to the General Rules as well as the Special Rules. Participants are responsible for knowing and complying with all Rules of this Show.

   Participation in the Junior Livestock Show is limited to Texas resident students, who are bona fide members of a Texas 4-H Club or Texas FFA Chapter, and who have continuously owned and personally fed and cared for their animals under the direct supervision of a CEA or AST. Exhibitors must be enrolled in and attending public, private or home school, elementary or secondary schools in Texas. Students must be between the ages of 9 and 18 on or before August 31, year prior to Show. Exception: students in the 3rd grade become eligible on their 8th birthday.

   Exhibitors may enter as either a 4-H or FFA member, but not as both in the same Department. Any Exhibitor who enters as both in the same Department will have all his/her entries disqualified without refund of fees.

2. **Ineligible Exhibitor:** Junior Exhibitors and Participants suspended under Texas Education Code 33.081 "No Pass, No Play" are ineligible to participate in any HOT Livestock Show Junior activity, event or competition. Any animal or project owned by an ineligible Exhibitor is ineligible for competition.

   All Texas 4-H and FFA Exhibitors are considered to be eligible by HOT Livestock Show to participate in the Junior Livestock Show at the time entries are received from the AST/CEA. Any AST/CEA who has a member in his/her 4-H or FFA program who becomes ineligible to participate in the Junior Livestock Show according to Texas Education Code must provide written and signed notification to Show Management or the appropriate Superintendent of the Livestock Show at least 24 hours prior to any weighing, sifting, classifying or judging. If such notification is not received at least 24 hours prior to the beginning of competition, HOT Livestock Show will consider the Exhibitor as eligible to participate.

3. **Social Security Requirement:** Every exhibitor will be required to provide their social security number with their entry.

4. **Foreign Exchange:** Foreign Exchange students are ineligible to compete in Heart O' Texas Livestock Show and Competitive Events.

5. **Exhibitor Code of Ethics:** The HOT Livestock Show is a family friendly event. As such, an individual's conduct as an exhibitor or patron should be exemplary, and violators are subject to disqualification of the exhibitor and/or forfeiture of fees, premiums, and awards. In certain cases, the exhibitor or associated persons may be removed and banned from the Grounds and/or future competition. Violations included, but are not limited to:
   a. Disruptive or improper conduct

b. Public display of profanity of any sort
c. Violence of any sort
d. Aggressive or unwarranted behavior towards any individual

6. **Entry:** HOT Livestock Show makes available to CEAs and ASTs in charge of 4-H Clubs or FFA livestock programs the opportunity to enter members in their programs in the Junior Livestock Show, subject to these Special Rules. These Rules are only minimum requirements for participation in the Show and are not intended to limit the right of any CEA or AST, or the Texas AgriLife Extension or the Texas Education Agency to impose additional requirements as they deem necessary. The opportunity to enter 4-H Club and FFA members' projects in the Junior Livestock Show is made available only to CEAs and ASTs supervising these livestock projects. In no event are these Rules to be construed as making any offer or opportunity available to any 4-H Club or FFA member. Processing and/ or deposit of funds does not constitute acceptance of entries from an individual and or club or chapter. Eligibility of individual members of a club or chapter are subject to verification and approval. In no event shall any CEA or AST be considered to be an agent of HOT Livestock Show for any purpose.

   Entries in the Junior Livestock Show must be made by the CEA or AST under whose supervision the animals were fed and will be returned if submitted by others. The CEA or AST must certify on the entry form that the animal and the owner(s) are eligible under the Rules of this Show. Entries for all other contests such as Ag Mechanics, Contests, etc. must be made by the Supervising CEA or AST. It is the responsibility of the CEA or AST to read all Rules and check each entry form carefully before signing it. If entries are not correctly submitted, they will be returned.

   Entry receipts and signatures from 4-H and FFA club and chapters must come in separate packages with separate checks. Junior entry receipts and signatures must be on current forms with a current Junior Summary Sheet for each club or chapter, listing all owners and their entries along with one (1) check to cover total fees due (entries and passes). Checks for junior entries must be drawn on 4-H or FFA accounts, money orders or cashier's checks. Personal checks will not be accepted.

7. **Quality Counts:** To be eligible to compete in the HOT Livestock Show, exhibitors will need Quality Counts verification. The Quality Counts verification number must be recorded on the HOT Livestock Show Entry Form when entering the project. Please refer to the website https://agrilife.org/qualitycounts/ for information on how to become verified.

8. **Ownership:**
   a. **Ownership and Feeding:** The exhibitors must own their animals at the beginning of and throughout the feeding period, and must feed, care for, and exhibit animals entered. The feeding and fitting period shall begin no later than June 30, 2026, unless exempted by Special Rules. Exhibitors will not be permitted to purchase fitted animals and then show them in any division.
   b. **Heifer Ownership/Registration:** Animals entered in the heifer show must be owned by the exhibitor **and** registered in the records of the respective breed

association (in the name of the exhibitor) on or before June 30, 2026. Permanent identification (i.e. brand or tattoo) must be present and must match the registration paper of the animal. Original registration papers must be solely in the name of the exhibitor. Partnerships of any form will not be allowed.

9. **Validation:**
    a. **Heifers:** To be eligible, all breeding beef heifers (including potential substitute heifers) **must** be validated with the Texas 4-H and FFA Breeding Heifer Validation Program. The deadline for heifer validation is June 30, 2026, but exhibitors need to check with their local CEA or AST for local/county deadlines. Show Management will collect DNA samples on Breed Champion and Reserve Breed Champion heifers as well as any other heifer designated by Show Management. Show Management will make the final decision regarding any potential disqualification. All tags other than state and county validation must be removed.
    b. **Steers:** All steers must be State Validated. All tags other than state and county validation must be removed.
    c. **Gilts:** To be eligible, purebred and crossbred gilts must be validated with, and adhere to, all the rules of the Texas 4-H and FFA Gilt Validation Program administered by the Texas FFA. Exhibitors need to check with their local CEA or AST for local/county validation deadlines. Failure to abide by these rules will result in disqualification.
    d. The following do **NOT** need to be state validated:

Calf Scramble

Scramble Stampede
October 9-11, 2026
Entry Fee: $20

The **Scramble Stampede, presented by The Roof Co.,** is held over the three days of the PRCA Permit Rodeo. This is a tournament-style scramble held over the three days of the PRCA Permit Finals. We start the weekend with 16 scramblers and will end with one lucky scrambler holding a $5,000 Purchase Certificate. So how does it work? On Night 1, all 16 selected scramblers will compete to catch one of our 8 rodeo calves. If they manage to snag a calf, they have secured themselves a $1,000 Purchase Certificate. On Night 2, the 8 scramblers that caught on Night 1 will return to scramble again, but this time, there are only 4 calves. If they catch, $1,000 will be added to their Purchase Certificate for a total of $2,000. On Night 3, the final 4 return to the rodeo arena for one last scramble. 1 calf will be released. The first to catch a calf and bring it to the center of the arena will win the coveted $5,000 Purchase Certificate.

Special Rules

Eligibility:

1. **Age Eligibility:** Contestants must be 12 years old by August 31, 2026, and cannot be past their junior year in high school. Eligibility will be limited to 4-H and FFA members from the State of Texas. Contact your CEA or AST to fill out an application form. **All application forms may only be submitted by a CEA or AST.**
2. **Physical Requirements:** Contestants who report to the Scramble Office must be in top physical condition. Contestants appearing with broken limbs, etc., will automatically be disqualified. Contestant's minimum weight is 100 pounds.
3. **Entry Requirement:** Contestants entering in the Stampede must commit to being in attendance all three days of the tournament.

Selection of Contestants:

1. Scramble Stampede is limited to 16 contestants. Contestants will be selected ONLY by CEAs or ASTs. CEAs and ASTs will then enter selected Contestants on www.hotfair.com. Online entries will be accepted until all spots. Contestants are accepted to Calf Scramble on a first-come, first-serve basis. After Contestants are successfully entered online, CEA's and AST's must also submit entry fee and Entry Forms to keep the Contestant's spot on the Calf Scramble list.

2. After the 16 Contestant per night spots are filled, entries will remain open for alternates. Any Contestant who is entered and fails to submit entry fee, online Entry Form within 10 days of online entry submission will relinquish their spot and the spot will be given to an alternate. Alternates will be notified when spots become available. CEAs and ASTs must mail entry fees, online entry receipts and Entry Forms for their students only when notified to be alternates. Show Management will designate a deadline for documents to be received depending on when alternate spots become available.

3. Contestants will be notified through their supervisor if they have been accepted to participate and their scheduled participation time, if applicable.

Purchase Certificate Rules:

1. **Certificates:** Winners will be awarded a Purchase Certificate that can be used to purchase a heifer, steer, lamb, goat, or swine project.

2. **Scramble Shows:** All animals purchased with a scramble certificate must show in their respective scramble show, as well as the Scholarship and Premium Show. By entering into the HOT Livestock Show, Calf Scramble students are automatically entered into their respective Scramble Show. Heifers will show in two groups, Americans and British/Continental Divisions. Steers, swine, goats, and lambs will show in showmanship shows.

3. **Requirements:** Winning participants must agree to raise, groom, and train their animal. As a Calf Scramble participant, you are required to show at the 2027 HOT Livestock Show. This means you are required to show in your respective Scramble Show and the Scholarship/Premium Show. By entering into the Scholarship and Premium Show you are automatically entered in the Scramble Show. At the time of participation, the contestants will be required to agree to participate according to these rules and other guidelines established by the Calf Scramble Committee, such as date of purchase, report dates, etc.

4. **Monthly Reports:** Calf Scramble Participants are required to send your sponsor monthly updates on you and your project. These letters are required regardless of whether you have purchased your calf scramble project or not. Letters are required from January to September. In addition to sponsor letters, participants are required to provide monthly expense reports to the Calf Scramble office. **No expense reports will be sent to sponsors.**

5. **Abandonment of the Project:** Cases of abandonment of the project by reason of death of an animal, relocating by the participant, etc. shall be reported to the Calf Scramble Office, which shall have final disposition authority.

6. **Purchase Dates:** Participants can use an animal which concurrently is participating with other Livestock Show Scramble programs provided an agreement can be reached to provide the HOT Livestock Show with a duplicate Registration Certificate. Purchase dates for Scramble Heifers shall be no later than June 30, 2027. Swine, goats, and lambs must be purchased by September 1, 2027.

Scholarships

The HOTFR will offer scholarships to the 2026/2027 Calf Scramble participants in the following categories: Essay Contest, Multimedia, and Monthly Reports. Scholarships will be given to 1st and 2nd Place for $1,000 and $500, respectively.

Essay Contest

Exhibitor will submit a 1,000-word essay explaining their Calf Scramble project and their experiences since purchasing their project. The essay should include things learned during the project, things that were difficult and how this experience will make the exhibitor a better person. Essays are due in the fair offices by September 15, 2027. They can be emailed or mailed.

Multimedia

Multi Media will be based on submission on the Heart O' Texas Fair Calf Scramble Facebook page. It will be judged on quality and quantity of Facebook posts and their relevance to the Calf Scramble program. In addition, you must post a video to the Calf Scramble Facebook page.

The video must be a digital storybook depicting your project from date of scramble in October 2027 to the deadline date, 5 p.m., September 15, 2027. The video must be between 2-3 minutes long. Anything past the 3-minute mark will not be judged. Your video will be scored based on the following criteria:

Quality – 25%
Creativity – 25%
Originality – 25%
Relevance to Calf Scramble Program – 25%

Monthly Reports

This category will be judged on sponsor letters and monthly reports received in the Calf Scramble office. All sponsors will be contacted by the Calf Scramble Committee for feedback on your correspondence with them. Your sponsor letters will be scored based on quality, originality and creativity. A 1st and 2nd place scholarship will be given in each species.

Calf Scramble

Calf Scramble & Chute-Out
October 13-18, 2026
Entry Fee: $20

The **Heart O' Texas Calf Scramble, presented by Brazos Masonry**, takes place over five (5) days at the Heart O' Texas Fair & Rodeo. Each night 20 students will compete to catch one of 10 calves. Catching a calf guarantees the student a Purchase Certificate to purchase, raise, and show a heifer, steer, lamb, goat, or swine project the following year. The top three (3) contestants from each scramble performance will qualify to scramble again at **the HOT Chute-Out, presented by Brazos Masonry**, on the final Sunday of the rodeo and will receive an upgraded Purchase Certificate.

Special Rules

1. The show is subject to the General Rules, Judges' Rules, and the following Special Rules.
2. **Ownership/Registration:** Animals entered in the beef heifer show must be owned by the exhibitor **and** registered in the records of the respective breed association (in the name of the exhibitor) on or before June 30, 2026. Permanent identification (i.e. brand or tattoo) must be present and must match the registration paper of the animal. Original registration papers must be solely in the name of the exhibitor. Partnerships of any form will not be allowed.
3. **Validation:** To be eligible, all breeding beef heifers (including potential substitute heifers) **must** be validated with the Texas 4-H and FFA Breeding Heifer Validation Program. The deadline for heifer validation is June 30, 2026, but exhibitors need to check with their local CEA or AST for local/county deadlines. Show Management will collect DNA samples on Breed Champion and Reserve Breed Champion heifers as well as any other heifer designated by Show Management. Show Management will make the final decision regarding any potential disqualification. **All tags other than state and county validation must be removed.** All potential substitution heifers must be validated.
4. **Animal Identity DNA Testing:** As a condition for participation in the Junior Breeding Heifer Show, every Exhibitor must agree to submit DNA validation samples of any and all animals entered by Exhibitor for purposes of identification. The Show requires that the animal exhibited at the Show be the same as the animal enrolled at the validation. The Show specifically reserves the right to obtain and maintain hair and/or blood DNA samples and have analysis made on any animal entered for the competition. The conclusion reached by the testing companies/laboratories shall be final, without recourse against the Show or its service providers. In the event the animal's identity (Show sample) is found to differ from its validation sample, HOT is authorized to permanently bar the Exhibitor and his or her family from any further participation in the Show. The Exhibitor will forfeit all titles,

awards, prizes, premiums, and scholarships if the animal and/or Exhibitor is disqualified.

5. **ID Verification:** The tattoo or brand will be checked on the top two (2) placing heifers at the conclusion of each class and must match the permanent ID that appears on the original registration paper that is uploaded to the Texas 4-H and FFA Breeding Heifer Validation Program database. It is the exhibitor's responsibility to ensure the brand or tattoo is legible prior to arrival on show grounds. Exhibitors will be disqualified if their heifer does not have a matching tattoo or brand, or if the tattoo or brand is illegible. In the event of a disqualification, placings and awards will not be moved down to the next qualifying exhibitor. The Show will not be responsible for branding heifers or any heifers that need to be tattooed or be re-tattooed.
6. **Stalling:** Stalling will be assigned on a first-come, first-serve basis; animals must arrive together to be stalled together. FFA Chapters and/or 4-H Clubs wishing to be stalled together must arrive together.
7. **Check-In Cards:** Check-In cards will be distributed at the time of arrival during stall assignment. Both copies must be completed. The information must be identical to the information entered during Self-Check-In. Should there be a discrepancy, the information entered into the check-in system will prevail.

   Show Office Copy – Must be turned in by 1 p.m. to the Show Office
   Exhibitor Copy – Must be retained by Exhibitor (in addition to check-in system confirmation) and kept on their person during show.

   Self-Check-In: Exhibitors will be responsible for checking in their entry. The Exhibitor will be prompted to confirm their heifers have arrived by selecting "Check-In."

   Check-in must be completed by Thursday, October 1st at 1 p.m. or Exhibitor will not be permitted to show.

   After completing Self-Check-In, the system will generate a confirmation receipt. It is the responsibility of the Exhibitor to ensure that all information on the receipt is correct. Show Management will assist with changes in the case of user error, but changes will not be made once check-in has closed. Exhibitors should retain their check-in system confirmation throughout the Show.

   Substitution Check-In: If the Exhibitor has a substitution heifer, the ASTs, CEAs, parents or Exhibitor will take the Check-In card received during the stalling assignment to the Show Office. The individual will fill out a form for the substituted heifer to verify the animal is validated through the Texas 4-H and FFA Heifer Validation Program. Once approved, the individual will take the validation approved form and Check-In card to the Show Office for Show Management to Check-In. Once the substituted heifer is entered in the system, they will be "checked-in" and the individual will keep the Exhibitor copy of the Check-In Card with substituted heifer information and Show Management initials. The individual will get a copy of the receipt for the substituted heifer.

8. **Substitutions:** All changes and substitutions will be up to the Superintendents' discretion. **All substitutions must be made before the end of check-in.** Any animal substituted must meet any and all requirements for the show it is to be entered. Animal/project substitutions turned in to the Livestock and Competitive Events office **before** the day of show check-in will have no charge. Substitutions made **at the show** will be charged $50. Please review Livestock Show Special Rule 10 for exhibitor substitution rules.
9. **Release of Livestock:** No animal may be removed from the grounds without official written release. All livestock must remain in stalls or pens until their designated release time. There will be no early release of projects unless the Show Management says otherwise. Anyone attempting to load animals before their release time may have their truck and/or trailer towed away, at their expense. Any violation of release times will cause the forfeiture of all premiums and/or prizes earned and the exhibitor may be barred from future participation. All animals and tack must be off the grounds one hour after the conclusion of the Premium Show.

UPDATED

10. **Registration Papers:** Registration papers must be available at the show but are not required to be on person during exhibition.
11. **Breeds:** The following breeds will be the only breeds eligible for show. They will be shown in an American ring and a British/Continental ring. The list below is in show order.

12. **Judging:** Each breed will have a Breed Champion and Reserve Breed Champion. The judge will then select a Grand Champion and Reserve Grand Champion, as well as Overall 3rd through 5th from the Breed Champions and Reserves.
13. **Exhibitor Numbers:** Each entry is assigned a back number. All exhibitors must wear the number assigned to each animal.

14. **Fitting:** This is **Blow and Go** show. All heifers will be shown with hair in a natural state **without** the use of foams, glues, oils, adhesives, paints, etc. Animals with any type of foam, glue, paint, oil, adhesive, etc., in the hair will be disqualified and premiums forfeited. Animals will be toweled. **No unethical fitting.** See General Rules for more information.
15. **Trim Chutes:** No trim chutes allowed on grounds.
16. **Clipping:** Clippers are allowed on grounds.
17. **Tie-Outs:** No cattle tie-outs.
18. **Fans:** Only rear fans permitted if mounted on display. No on-ground fans or Port-A-Cools allowed.
19. **Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Competitive Events Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. Cable halters and pronged chains are prohibited for all species. Vinyl/Plastic coated "Phantom" style halters are permitted.
20. The HOT Livestock Show reserves the right to change the show schedule, delete classes, or add breeds/classes at the discretion of the Show Management.
21. **Class Premiums:** Premiums paid by the HOT Livestock Show will be paid based on the number of head shown in each class. Example, single head entries will not be guaranteed a premium payout in the Scholarship Show.

Special Rules

1. The show is subject to the General Rules, Judges' Rules, and the following Special Rules.
2. **Ownership/Registration:** Animals entered in the beef heifer show must be owned by the exhibitor **and** registered in the records of the respective breed association (in the name of the exhibitor) on or before June 30, 2026. Permanent identification (i.e. brand or tattoo) must be present and must match the registration paper of the animal. Original registration papers must be solely in the name of the exhibitor. Partnerships of any form will not be allowed.
3. **Validation:** To be eligible, all breeding beef heifers (including potential substitute heifers) **must** be validated with the Texas 4-H and FFA Breeding Heifer Validation Program. The deadline for heifer validation is June 30, 2026, but exhibitors need to check with their local CEA or AST for local/county deadlines. Show Management will collect DNA samples on Breed Champion and Reserve Breed Champion heifers as well as any other heifer designated by Show Management. Show Management will make the final decision regarding any potential disqualification. **All tags other than state and county validation must be removed.** All potential substitution heifers must be validated.
4. **Animal Identity DNA Testing:** As a condition for participation in the Junior Breeding Heifer Show, every Exhibitor must agree to submit DNA validation samples of any and all animals entered by Exhibitor for purposes of identification. The Show requires that the animal exhibited at the Show be the same as the animal enrolled at the validation. The Show specifically reserves the right to obtain and maintain hair and/or blood DNA samples and have analysis made on any animal entered for the competition. The conclusion reached by the testing companies/laboratories shall be final, without recourse against the Show or its service providers. In the event the animal's identity (Show sample) is found to differ from its validation sample, HOT is authorized to permanently bar the Exhibitor and his or her family from any further participation in the Show. The Exhibitor will forfeit all titles, awards, prizes, premiums, and scholarships if the animal and/or Exhibitor is disqualified.
5. **ID Verification:** The tattoo or brand will be checked on the top two (2) placing heifers at the conclusion of each class and must match the permanent ID that appears on the original registration paper that is uploaded to the Texas 4-H and FFA Breeding Heifer Validation Program database. It is the exhibitor's responsibility to ensure the brand or tattoo is legible

prior to arrival on show grounds. Exhibitors will be disqualified if their heifer does not have a matching tattoo or brand, or if the tattoo or brand is illegible. In the event of a disqualification, placings and awards will not be moved down to the next qualifying exhibitor. The Show will not be responsible for branding heifers or any heifers that need to be tattooed or be re-tattooed.

6. **Stalling:** Stalling will be assigned on a first-come, first-serve basis; animals must arrive together to be stalled together. FFA Chapters and/or 4-H Clubs wishing to be stalled together must arrive together.
7. **Check-In Cards:** Check-In cards will be distributed at the time of arrival during stall assignment. Both copies must be completed. The information must be identical to the information entered during Self-Check-In. Should there be a discrepancy, the information entered into the check-in system will prevail.

   Show Office Copy – Must be turned in by 1 p.m. to the Show Office
   Exhibitor Copy – Must be retained by Exhibitor (in addition to check-in system confirmation) and kept on their person during show.

   Self-Check-In: Exhibitors will be responsible for checking in their entry. The Exhibitor will be prompted to confirm their heifers have arrived by selecting "Check-In."

   Check-in must be completed by Thursday, October 1st at 1 p.m. or Exhibitor will not be permitted to show.

   After completing Self-Check-In, the system will generate a confirmation receipt. It is the responsibility of the Exhibitor to ensure that all information on the receipt is correct. Show Management will assist with changes in the case of user error, but changes will not be made once check-in has closed. Exhibitors should retain their check-in system confirmation throughout the Show.

   Substitution Check-In: If the Exhibitor has a substitution heifer, the ASTs, CEAs, parents or Exhibitor will take the Check-In card received during the stalling assignment to the Show Office. The individual will fill out a form for the substituted heifer to verify the animal is validated through the Texas 4-H and FFA Heifer Validation Program. Once approved, the individual will take the validation approved form and Check-In card to the Show Office for Show Management to Check-In. Once the substituted heifer is entered in the system, they will be "checked-in" and the individual will keep the Exhibitor copy of the Check-In Card with substituted heifer information and Show Management initials. The individual will get a copy of the receipt for the substituted heifer.

8. **Substitutions:** All changes and substitutions will be up to the Superintendents' discretion. **All substitutions must be made before the end of check-in.** Any animal substituted must meet any and all requirements for the show it is to be entered. Animal/project substitutions turned in to the Livestock and Competitive Events office **before** the day of show check-in will have no charge. Substitutions made **at the show** will be charged $50. Please review Livestock Show Special Rule 10 for exhibitor substitution rules.
9. **Release of Livestock:** No animal may be removed from the grounds without official written release. All livestock must remain in stalls or pens until their designated release time. There will be no early release of projects unless the Show Management says otherwise. Anyone attempting to load animals before their release time may have their truck and/or trailer towed away, at their expense. Any violation of release times will cause the forfeiture of all premiums and/or prizes earned and the exhibitor may be barred from future participation. All animals and tack must be off the grounds one hour after the conclusion of the Premium Show.

UPDATED

10. **Registration Papers:** Registration papers must be available at the show but are not required to be on person during exhibition.

Special Rules

1. The show is subject to the General Rules, Judges' Rules, and the following Special Rules.
2. **Validation:** All steers must be State validated. All Steers will utilize the validation tag as their identification number at the Show. Failure to comply with the rules and regulations of the Texas 4-H and FFA Steer Validation Program will result in disqualification. Show Management reserves the right to interpret the Official Validation Rules.
3. **Ear Tags:** All ear tags except the official Texas validation tag must be removed before the Show. The official Texas validation tag number will be used for animal identification. No tag alterations – Any change to size, shape, form, or color will void the tag.
4. **Animal Identity DNA Testing:** As a condition for participation in the Junior Market Steer Show, every Exhibitor must agree to submit DNA validation samples of any and all animals entered by Exhibitor for purposes of identification. The Show requires that the animal exhibited at the Show be the same as the animal enrolled at the validation. The Show specifically reserves the right to obtain and maintain hair and/or blood DNA samples and have analysis made on any animal entered for the competition. 6. **Weight Cards:** Weight cards will be distributed at the time of arrival during stall assignment. Both copies must be completed. The information must be identical to the information entered in the check-in system. Should there be a discrepancy, the information entered into the check-in system will prevail.

Show Office Copy – Must be turned in by 1 p.m. to the Show Office
Exhibitor Copy – Must be retained by Exhibitor (in addition to check-in system confirmation)

Self-Check-In: Exhibitors will be responsible for checking in their entry. The Exhibitor will be prompted to enter information from the weight card including weight, breed, etc. Check-in must be completed by Monday, October 5th at 1 p.m., or Exhibitor will not be permitted to show.

After completing Self-Check-In, the system will generate a confirmation. It is the responsibility of the Exhibitor to ensure that all information on the confirmation is correct. Show Management will assist with changes in the case of user error, but changes will not be made once check-in has closed. Exhibitors should retain their check-in system confirmation throughout the Show. Weight/breed changes will not be allowed once the individual leaves the Self-Check-In area.

7. **Show Weights:** All Exhibitors will turn in the official Show Weight for their steer. There are no weight limits. Classes will be broken by weight by the Superintendents. Weight changes will not be allowed at any time once the individual leaves the Self-Check-In area.
8. **Release of Livestock:** No animal may be removed from the grounds without official written release. All livestock must remain in stalls or pens until their designated release time. There will be no early release of projects unless the Show Management says otherwise.    - Maine Anjou
   - Simmental
   - Black Cross
   - Red Cross
   - Other Cross

10. **Classification:** The HOT Livestock Show will appoint classifiers to inspect steers. All steers will be classified by a three (3) person committee. Decisions of the classifiers will be final and protests will not be considered. Interference with classifiers will not be tolerated. The HOT Livestock Show will be following the 2024-2028 Texas Show Steer Breed Classification Guidelines.
11. **Classification Process:** Classification will be run in two lines. Line 1 will be American breeds, in show order. Line 2 will be British breeds, in show order. Continental breeds will go through whichever line finishes first, in show order. An exhibitor must walk the animal through classification. Steers entered in Other Cross do not need to go through the classification line.
12. **Re-Weighs:** The top two (2) places in each class will be re-weighed. All steers selected for weigh-back weighing more than 5% above or below the declared weight will be disqualified. Third place will be reweighed if necessary.
13. **Judging:** Each breed will have a Breed Champion and Reserve Breed Champion. The judge will then select a Grand Champion and Reserve Grand Champion, as well as Overall 3rd through 5th from the Breed Champions and Reserves.
14. **Exhibitor Numbers:** Each entry is assigned a back number. All exhibitors must wear the number assigned to each animal.

3. **Ownership:** All lambs must have been owned, fed, and fitted by the exhibitor starting at September 1 of the current year.
4. **Entry Qualification:** Wethers and ewes may be shown.
5. **Stalling:** Stalling will be assigned on a first-come, first-served basis; animals must arrive together to be stalled together. FFA Chapters and/or 4-H Clubs wishing to be stalled together must arrive together.
6. **Weight Cards:** Weight cards will be distributed at the time of arrival during stall assignment. Both copies must be completed. The information must be identical to the information entered in the check-in system. Should there be a discrepancy, the information entered into the check-in system will prevail.

   Show Office Copy – Must be turned in by 1 p.m. to the Show Office
   Exhibitor Copy – Must be retained by Exhibitor (in addition to check-in system confirmation)

   Self-Check-In: Exhibitors will be responsible for checking in their entry. The Exhibitor will be prompted to enter information from the weight card including weight, breed, etc. Check-in must be completed by Friday, October 9th at 1 p.m., or Exhibitor will not be permitted to show.

   After completing Self-Check-In, the system will generate a confirmation. It is the responsibility of the Exhibitor to ensure that all information on the confirmation is correct. Show Management will assist with changes in the case of user error, but changes will not be made once check-in has closed. Exhibitors should retain their check-in system confirmation throughout the Show. Weight/breed changes will not be allowed once the individual leaves the Self-Check-In area.

7. **Show Weights:** All Exhibitors will turn in the official Show Weight for their lamb. There are no weight limits. Classes will be broken by weight by the Superintendents. Weight changes will not be allowed at any time once the individual leaves the Self-Check-In area.
8. **Release of Livestock:** No animal may be removed from the grounds without official written release. All livestock must remain in stalls or pens until their designated release time. There will be no early release of projects unless the Show Management says otherwise. Anyone attempting to load animals before their release time may have their truck and/or trailer towed away, at their expense. Any violation of release times will cause the forfeiture of all premiums and/or prizes earned and the exhibitor may be barred from future participation. All animals and tack must be off the grounds one hour after the conclusion of the Premium Show.
9. **Breeds:** The following breeds will be the only breeds eligible for show.
   - Southdown
   - Finewool
   - Finewool Cross
   - Dorper
   - **Natural**
   - Medium Wool
10. **Classification:** Lambs will be classified as they enter the staging area. Lambs will be subject to reclassification by the classifying committee. Lambs may be reclassified into the appropriate division at the discretion of official classifiers. See Lamb Classification Standards.
11. **Re-Weighs:** The top five (5) places in each class will be re-weighed. Any lamb weighing more than five (5) pounds above its turned in weight will be disqualified.
12. **Judging:** Each division will have a Breed Champion and Reserve Breed Champion. The judge will then select a Grand Champion and Reserve Grand Champion, as well as Overall 3rd through 5th from the Breed Champions and Reserves.
13. **Exhibitor Numbers:** Each entry is assigned a back number. All exhibitors must wear the number assigned to each animal.
14. **Fitting:** Lambs must be shorn slick to the skin above knee and hock joints before arrival on the grounds. Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. **No unethical fitting.** See General Rules for more information.
15. **Clipping:** No shearing or clipping on grounds. No clippers, which require an electrical current, are allowed once they arrive on grounds. Touch-up clipping with cordless clippers, scissors, or hand shears will be allowed.
16. **Trim Tables:** No blocking/trim tables allowed on grounds. **Any lamb caught on blocking/trim table will be automatically disqualified. Head stalls are allowed.**
17. **Substitutions:** All changes and substitutions will be up to the Superintendents' discretion. **All substitutions must be made before the end of check-in.** Please review Livestock Show Special Rule 10 for exhibitor substitution rules.
18. The HOT Livestock Show reserves the right to change the show schedule, delete classes, or add breeds/classes at the discretion of the Show Management.

    - Head, ear and/or horn shape non-typical to the Finewool breeds (Rambouillet, Delaine, Debouillet, or a cross between these breeds).

Finewools classed out will be assigned to either the Finewool Cross or Medium wool breeds at the determination of the classifiers

- **Finewool Cross**
  - *Acceptable Breed Characteristics:*
    - The standard for Finewool Crosses is a Finewool Ewe (Rambouillet, Delaine, Debouillet, or a cross between these breeds) bred to a Hampshire or Suffolk Rams only.

- Soft pelt which is characteristic of ½ blood wool (60's-62's spinning count).
- Face and ears should be soft and silky.
- Spotting and/or brown face and ears.
- Moderate spotting and/or brown legs not extending above the rear flank and fore flank.
- Wool must be present below the hocks on the rear legs; wool below the knees on the front legs is not necessary.
- Reddish, rust colored legs are acceptable.
- White-faced or ring-eyed crosses are acceptable if pelt is acceptable – as long as no discriminatory characteristics are present.
- Birthmarks.
- Scurs and/or horns are acceptable. Horns must be indicative of acceptable Finewool breeds.

· *Discriminatory Breed Characteristics:*
- Excessive black spotting in the skin above the knees and hocks.
- Moderate black or chocolate brown color on face, ears and legs (including wool).
- Moderately coarse britch and/or harsh pelt.
- White-faced or ring-eyed crosses
- Moderately coarse, chalky, white hair on the face, in the flanks, and/or down the front and/or rear legs.
- Horns are discriminatory on finewool crosses (except classed out finewools with horns indicative of acceptable finewool breeds).

· *Absolute Disqualification:*
- Excessive black or dark chocolate brown color on face, ears, and legs (including wool).
- Excessively coarse britch and/or harsh pelt.
- Excessive coarse, chalky, white hair on the face, in the flanks, and/or down the front and/or rear legs.
- Total absence of wool on rear legs.
- Black lambs.
- Evidence of other breeds including, but not limited to Dorset and Southdown breed types (head and ear shape of Dorset and/or Southdown).
- Surgical alterations other than re-docking.
- Steep hip or tendency to show callipyge gene.

· **Southdown**

· *Acceptable Breed Characteristics:*
- Hair color on muzzle should be mouse-colored, gray to brown and match color on legs and pasterns.
- Nostril pigmentation may be black to purplish-gray.
- Head and muzzle should be broad and proportional to body.
- Head of moderate length and in proportion to body.
- Ears of moderate length, in proportion to body, and covered with short hair or wool.

  - Black lambs.
  - Surgical alterations other than re-docking.
  - Steep hip or tendency to show callipyge.
  - Excessive ear size and length not in proportion to head.
  - Head, ear shape non-typical to the Southdown breed.

- **Dorper**
  - *Acceptable Breed Characteristics:*
    - Must be a Dorper or White Dorper.
    - Conformation: long, deep, wide body with well sprung ribs and excellent muscling.
    - Color: Dorper – white sheep with black limited to head, neck, and forequarters not below the knee or behind the heart girth; White Dorper – white sheep.
    - Must have at least 1/3 hair primarily on belly, forearm, and britch.
    - 100% hair below the knees and hocks.
    - 100% hair forward of poll.
    - Moderate size ear with no wool covering.
    - Head should be strong, bold with a deep jaw.
    - Polled or small horns or scurs.
    - Spots or speckled pigment in the skin only when shorn.

- Black spots above the hoof line and below the dewclaw.

- *Discriminatory Breed Characteristics:*
  - Tall, leggy, shallow, and/or narrow-bodied lambs.
  - A limited amount of dark fibered spots on body and underline behind heart girth not to exceed a cumulative total of the size of a softball.
  - A white sheep with brown or red colored speckles in the covering, confined to the head and neck.
  - Tri-colored sheep.
  - Excessive wool covering more than 2/3 of body (belly, forearm, and britch).
  - Wool forward of poll.
  - Heavy horns.
  - Long, pendulous ears.
  - Long, narrow muzzle.
- *Absolute Disqualification:*
  - All wool or very little evidence of hair on belly, forearm, or britch.
  - Wool below the knees or hocks.
  - Wool on the ears.
  - Excessive amount of black fibered spots on body and underline behind heart girth exceeding a cumulative total of the size of a softball.
  - Black below the knee/hock to the dewclaw.
  - Tri-colored sheep
  - A white sheep with black hooves (stripes or solid) and/or black on nose.
  - Solid brown, red, rust colored head.
  - Speckling or spots from knee to dewclaw or from hock to dewclaw.
  - Strong breed characteristics of breeds other than Dorper or White Dorper, including but not limited to characteristics such as long pendulous ears and long narrow muzzle.
  - Head, ear shape non-typical of the Dorper or White Dorper breed.
  - Surgical alterations other than re-docking.
  - Steep hip or tendency to show callipyge gene.
  - Evidence of color alterations.

NEW

- **Natural**
  - Must have a predominant "blue or black tint" to the skin and wool.
  - A few black or blue spots coloring of the wool, bite marks, fungus spots or scars with black or dark fiber areas will not classify a lamb in this division.
- **Medium Wool**
  - This class generally includes the Suffolk and Hampshire breeds, plus all lambs that do not fit into the Finewool, Finewool Cross, Southdown, Dorper or Natural breed classes.

Special Rules

1. The show is subject to the General Rules, Judges' Rules, and the following Special Rules.
2. **Validation:** Wether Dams do not need to be validated.
3. **Entries:** There will be no entry limitations per class. Dams can be entered in the Scholarship and Premium Lamb Show. This will be a separate entry and fee.
4. **Stalling:** Stalling will be assigned on a first-come, first-served basis; animals must arrive together to be stalled together. FFA Chapters and/or 4-H Clubs wishing to be stalled together must arrive together.
5. **Weight Cards:** Weight cards will be distributed at the time of arrival during stall assignment. Both copies must be completed. The information must be identical to the information entered in the check-in system. Should there be a discrepancy, the information entered into the check-in system will prevail.

   Show Office Copy – Must be turned in by 11 a.m. to the Show Office
   Exhibitor Copy – Must be retained by Exhibitor (in addition to check-in system confirmation)

   Self-Check-In: Exhibitors will be responsible for checking in their entry. The Exhibitor will be prompted to enter information from the weight card including weight, breed, etc. Check-in must be completed by Friday, October 9th at 11 a.m., or Exhibitor will not be permitted to show.

   After completing Self-Check-In, the system will generate a confirmation. It is the responsibility of the Exhibitor to ensure that all information on the confirmation is correct. Show Management will assist with changes in the case of user error, but changes will not be made once check-in has closed. Exhibitors should retain their check-in system confirmation throughout the Show. Weight/breed changes will not be allowed once the individual leaves the Self-Check-In area.

6. **Show Weights:** All Exhibitors will turn in the official Show Weight for their lamb. There are no weight limits. Classes will be broken by weight by the Superintendents. Weight changes will not be allowed at any time once the individual leaves the Self-Check-In area. There will be a minimum of 9 classes. There will be a minimum of 3 divisions.
7. **Release of Livestock:** No animal may be removed from the grounds without official written release. All livestock must remain in stalls or pens until their designated release time. There will be no early release of projects unless the Show Management says otherwise. Anyone attempting to load animals before their release time may have their truck and/or trailer towed away, at their expense. Any violation of release times will cause the forfeiture of all premiums and/or prizes earned and the exhibitor may be barred from future participation. All animals and tack must be off the grounds one hour after the conclusion of the Premium Show.
8. **Re-Weighs:** The top five (5) places in each class will be re-weighed. Any lamb weighing more than five (5) pounds above its turned in weight will be disqualified.
9. **Judging:** Each division will have a Division Champion and Reserve Division Champion. The judge will then select a Grand Champion and Reserve Grand Champion.
10. **Fitting:** Lambs may be shown with hair or shorn slick before arrival on grounds. Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. **No unethical fitting.** See General Rules for more information. Lambs that will also be shown in the Scholarship and Premium Lamb Show must be shorn slick, no exceptions.
11. **Clipping:** No shearing or clipping on grounds. No clippers, which require an electrical current, are allowed once they arrive on grounds. Touch-up clipping with cordless clippers, scissors, or hand shears will be allowed.
12. **Trim Tables:** No blocking/trim tables allowed on grounds. **Any lamb caught on blocking/trim table will be automatically disqualified. Head stalls are allowed.**
13. **Substitutions:** All changes and substitutions will be up to the Superintendents' discretion. **All substitutions must be made before the end of check-in.** Please review Livestock Show Special Rule 10 for exhibitor substitution rules.
14. The HOT Livestock Show reserves the right to change the show schedule, delete classes, or add breeds/classes at the discretion of the Show Management.
15. **Class Premiums:** Premiums paid by the HOT Livestock Show will be paid based on the number of head shown in each class.

7. **Release of Livestock:** No animal may be removed from the grounds without official written release. All livestock must remain in stalls or pens until their designated release time. There will be no early release of projects unless the Show Management says otherwise. Anyone attempting to load animals before their release time may have their truck and/or trailer towed away, at their expense. Any violation of release times will cause the forfeiture of all premiums and/or prizes earned and the exhibitor may be barred from future participation. All animals and tack must be off the grounds one hour after the conclusion of the Premium Show.
8. **Breeds:** Swine will be shown in breed format. Animals selected by the judge will be classified according to the Texas Swine Breed Classification Guide. Any pig classed out will be moved to its respective cross class. The following breeds will be the only breeds eligible for show.
   - White OPB (Chester White, Landrace)
   - Black OPB (Poland China, Spotted)
   - Duroc
   - Berkshire
   - Hampshire
   - Yorkshire
   - **Light Cross**
   - **Crossbred**
9. **Re-Weighs:** The top two (2) places in each class will be re-weighed. Any swine weighing more than ten (10) pounds above its turned in weight will be disqualified.
10. **Judging:** Each breed will have a Breed Champion and Reserve Breed Champion. The judge will then select a Grand Champion and Reserve Grand Champion, as well as Overall 3rd through 5th from the Breed Champions and Reserves.
11. **Exhibitor Numbers:** Each entry is assigned a back number. All exhibitors must wear the number assigned to each animal.
12. **Fitting:** All pigs must be washed in designated areas. No paint, powder, oil, or other dressings permitted -- only water. **No unethical fitting.** See General Rules for more information.
13. **Clipping:** No clipping on grounds.
14. **Substitutions:** All changes and substitutions will be up to the Superintendents' discretion. **All exhibitor substitutions must be made before the end of check-in.** Please review Livestock Show Special Rule 10 for exhibitor substitution rules.
15. The HOT Livestock Show reserves the right to change the show schedule, delete classes, or add breeds/classes at the discretion of the Show Management.
16. **Class Premiums:** Premiums paid by the HOT Livestock Show will be paid based on the number of head shown in each class.

Special Rules

1. The show is subject to the General Rules, Judges' Rules, and the following Special Rules.
2. **Registration:** Original registration papers must be available at the show. Stamped duplicate applications, copies or electronic versions will NOT be accepted. Animals that are family registered and validated are eligible to compete in the Breeding Gilt Show provided all owners/exhibitors are individually listed and eligible. Animals with farm or ranch names listed as the owner will **not** be allowed to compete.
3. **Ownership:** All entries must be owned and continuously cared for by the exhibitor from June 30th through the show date of the fair.
4. **Validation:** All purebred gilts must be validated with and adhere to all the rules of the Texas 4-H and FFA Gilt Validation Program administered by the Texas FFA.
5. **Animal Identity DNA Testing:** As a condition for participation in the Breeding Gilt Show, every Exhibitor must agree to submit DNA validation samples of any and all animals entered by Exhibitor for purposes of identification. The Show requires that the animal exhibited at the Show be the same as the animal enrolled at the validation. The Show specifically reserves the right to obtain and maintain hair and/or blood DNA samples and have analysis made on any animal entered for the competition. The conclusion reached by the testing companies/laboratories shall be final, without recourse against the Show or its service providers. In the event the animal's identity (Show sample) is found to differ from its validation sample, HOT is authorized to permanently bar the Exhibitor and his or her family from any further participation in the Show. The Exhibitor will forfeit all titles, awards, prizes, premiums, and scholarships if the animal and/or Exhibitor is disqualified.
6. **Entries:** There will be no entry limitations per class. However, gilts may not double enter in the Purebred Gilt Division and the Crossbred Gilt Division
    - Gilts can be entered in the Scholarship and Premium Show. This will be a separate entry and fee.

7. **Stalling:** Stalling will be assigned on a first-come, first-served basis; animals must arrive together to be stalled together. FFA Chapters and/or 4-H Clubs wishing to be stalled together must arrive together. All swine will be stalled two (2) to a pen. You must bring your own dividers.

Mechanical will include the restoration of engine, transmission, final drive, fuel system, cooling system, cranking or starting system, charging system, hydraulic system, steering system, etc.

Aesthetics will include the overall appearance of the tractor. This includes workmanship and finish. Items to be considered include, but are not limited to: metal preparation, completeness of sheet metal, paint and finish, detail and completeness of components such as wheels, tires, steering wheels, seats, decals, instrument panels, wiring harness, etc.

Originality will include paint color, fasteners, electrical systems, fuel systems, exhaust systems, mechanical systems, original unaltered serial places, etc.

Safety equipment will include all equipment that was original to the tractor. It also includes the provision of drip pans containing floor absorbent to collect any liquids that may drip from the tractor during display. Fuel shutoff valves under all fuel tanks must be functional and tractors are to be exhibited with the valves closed. An ABC fire extinguisher with a minimum 2.5 pounds capacity must be provided with each tractor. Extra fuel may not be stored in the arena. Tractor engines are to be started and run only at the request of judges or show officials.

Documentation must be typed or computer generated and is to include a one (1) page description of the overall restoration project, and expense report identifying all costs of restoration, photos showing before, during and after restoration that shows safe working environment, and a complete description of all mechanical work performed. All documentation is to be displayed in a three-ring binder, divided, and sequenced with a table of contents and page numbers. The National FFA Tractor Restoration Competition format and forms may be used.

Major considerations in the selection of winners are listed below:

a. Appropriate display and presentation of projects
b. Appropriate display of project plans and photographs
c. Housekeeping around project display
d. Appropriate dress
e. Conducive attitude and participation of exhibitors

The HOTFR hosts a Food Challenge Contest modeled after the hit TV Series "Iron Chef." Food Challenge gives FCCLA, FFA and 4-H students from across Texas the chance to showcase their cooking skills, but also requires the students to know preparation, nutritional facts and origins of ingredients. Exhibitors compete as teams in this competition in which they are randomly assigned one of four categories: Appetizer, Main Dish, Side Dish, or Healthy Dessert.

Special Rules

1. The contest is subject to the General Rules, Judges' Rules, and the following Special Rules.
2. **Eligible exhibitors are all FFA and 4-H members of Texas. Must pre-enter online through JudgingCard. Only Ag. Science Teachers or County Extension Agents may enter participants.**
3. The contest and teams will be divided into three (3) divisions:
   Junior: Grades 3rd – 5th *(must be at least 8 years old as of August 31, 2025)*
   Intermediate: Grades 6th – 8th
   Senior: Grades 9th – 12th
   Teams will consist of three (3) - four (4) members each.
   Teams will compete based on the age of the oldest member. Any junior or intermediate may register and compete on a senior team; however, a senior may not compete with a junior or intermediate team.
4. The Texas 4-H Food Challenge Guidelines, including the official supply box list, can be accessed at: https://texas4-h.tamu.edu/projects/food-nutrition/
5. **Contest Format**: Teams will be randomly assigned to a contest category (see categories above).
6. **Rules of Play**: The following is a summary of the contest procedure and rules:
   a. Preparation: Each team will receive an information sheet with their contest category and "key" ingredient for that category (no ingredient amounts, recipe, or instructions will be provided at the station). The "key" ingredient will be representative of one of the 4 categories listed. Key ingredient examples: Appetizer (avocado), Main Dish (fish), Side Dish (pasta), Healthy Dessert (apple). Teams will have access to a "pantry" of additional ingredients, which should be combined with the team's "key" ingredient to create an original recipe/dish during the contest. Pantry items will include items commonly found

in grocery stores and/or home pantries, including items such as produce, seasonings, canned goods, etc. Teams must use **at least two** additional items from the pantry.

b. Resources: Each team will be provided with nutrition and food safety resources at the food preparation station to use in preparing their presentation. These include: MyPlate Mini-Poster, Fight Bac - Fight Food Borne Bacteria Brochure, Know Your Nutrients, and Food Safety Fact Sheet. No other resource materials will be allowed. Teams may not use their personal copies of the resources during the contest. A worksheet will be provided for teams to use and to highlight key points for their presentation to the judges.
c. Presentation: After the preparation time, each team must present their dish and give an oral presentation to a judging panel.
d. Conclusion: All prepared dishes and food items used or created during the contest **must remain on-site** and **may not be taken off the premises** after the event concludes. This policy is in place to comply with health and safety regulations and to maintain food handling standards.

7. **Time**: Each team will have forty (40) minutes for the preparation portion of the contest (prepare a dish, plan a presentation, and clean up their assigned preparation area). Five (5) minutes are allowed for the oral presentation.
8. **Supplies**: Each team must supply their own equipment for the Food Challenge; **this includes their own extension cord**. Teams may only bring the supplies listed in the official supply box list (4-H Food Challenge Guidelines, see link above). Supply boxes will be checked by contest officials at their discretion. Teams should plan to not have access to a kitchen facility and, therefore, should plan to clean supplies upon returning home from the contest. Contest officials are **not liable** for any missing, lost, or damaged kitchen tools or equipment during the event. Contest officials **will not provide** replacement tools, utensils, or supplies. Teams must come fully prepared with all necessary items for the competition.
9. **Dress Attire**: Each team member is required to wear closed toe shoes and a hair restraint/hat. Each team will have the option (not required) to wear coordinating clothing or aprons.
10. Teams that experience any equipment malfunction(s) may not replace the equipment with supplies from another team, leaders, volunteers, County Extension Agents or show management. Instead, team members must work together and be creative in completing preparation without the malfunctioning equipment.
11. **Presentation**: When time is called, each team will present their dish to a panel of at least two judges.
    a. All team members must participate in the presentation, with all team members having a speaking role.
    b. Teams are allowed the use of note cards during the presentation but should not read from them, as this minimizes the effectiveness of their communication.
    c. To earn maximum points, teams must use their five (5) minute presentation to address the following areas of the presentation scorecard: Knowledge of MyPlate, Nutrition Knowledge, Food Preparation, Safety Concerns, and Serving Size.
    d. Teams will have a maximum of five (5) minutes to give oral presentation to judges.

e. No talking and no writing are allowed among any team members while waiting to give the team presentation. Team members caught talking and/or writing will receive a warning. The second time, the team will be disqualified and asked to leave the contest facility. Team members should not have pens or pencils in their possession while waiting to give their presentation.
f. After each team presentation, they will hand their dish to a designated volunteer to display prior to awards. At the conclusion of awards, teams will pick up their dish.

12. **Absolutely no electronic devices/jewelry are allowed in the contest. This includes cell phones, smart watches, or other communications devices.**
13. **Conflicts:** If you have a time conflict from another Heart O' Texas Fair & Rodeo event, you must notify the Superintendents during the registration period. If you do not notify the Superintendents in a timely manner accommodations may not be made.

This is a shotgun competition only. ATA governing body rules apply. HOTFR exceptions take precedence over governing body rules. There will be a practice field for use the days of the shoot, at shooters expense.

Show Management reserves the right to make changes to the event.

The HOTFR makes available to CEAs and ASTs in charge of 4-H Clubs or FFA programs the opportunity to enter members of their programs in the Extravaganza. These rules are only minimum requirements for participation in the competition and are not intended to limit the right of any CEA or AST, or the Texas A&M AgriLife Extension or the Texas Education Agency to impose additional requirements as they deem necessary. The opportunity to enter 4-H Club and FFA members in the Extravaganza is made available only to CEAs and ASTs supervising these clubs. In no event are these rules to be construed as making any offer or opportunity available to any 4-H Club or FFA member. In no event shall any CEA or AST be considered to be an agent of the HOTFR for any purpose.

Contestants are responsible for knowing and complying with all rules of this competition.

Special Rules

1. The show is subject to the General Rules, Judges' Rules, and the following Special Rules.
2. **Entries: Eligible exhibitors are all FFA and 4-H members of Texas. Must pre-enter online through ShoWorks. Only Ag. Science Teachers or County Extension Agents may enter participants.**

- Each club/chapter may enter as many individuals as desired in the Extravaganza. Show Management reserves the right to refuse, or reject entirely, any entry and to refuse any accepted entry admittance to the Fairgrounds or WS&TC.

3. **Release:** A Release and Substitute W9 form for each exhibitor must be received in our office with payment before entry will be accepted.
4. **Competition Site:** Waco Skeet & Trap Club
5. **Abbreviations:**
   - ATA: Amateur Trap Association
   - WS&TC: Waco Skeet & Trap Club
6. **Heart O' Texas Trap Shooters Extravaganza:**
   - 100 ATA single trap targets from the 16-yard line
   - 100 skeet targets from a semi-circular field
   - 100 target Sporting Clays
7. **Age Divisions:** There will be two (2) divisions:
   - Age Group 1: 3rd through 8th grade
   - Age Group 2: 9th through 12th grade
8. **Age Requirement:** Each Extravaganza contestant must be between the ages of 9-18 on August 31, 2025, or be eight (8) years old and in the third grade on August 31, 2025.
9. **Residence Requirement:** Contestants must be a bona fide resident of the state of Texas.
10. **School/4-H/FFA:** Contestants must be bona fide members of a Texas County 4-H Club or Texas FFA Chapter and enrolled in and attending public, private or home school elementary or secondary schools in Texas. Involvement in international or national events does **not** disqualify otherwise eligible shooters.
11. **Eligibility:** Contestants also must have competed in a minimum of one of the following in order to be eligible to enter the HOT Extravaganza; Texas Agriculture Science Clay Target Shooting competitions (381 AG Clays) within the 2025-2026 academic year; Texas 4-H Shooting Sports sanctioned shotgun competitions within the 2025-2026 calendar year.
12. **Barred Contestant:** The HOT Livestock Show, in cooperation with member shows of the North American Livestock Show and Rodeo Managers Association and Rule Infraction Database, reserves the right to refuse entry of any contestant who has been barred from any other show on the basis of unethical practices.
13. **Orientation:** Orientations will be conducted the morning of the competition. Orientation is required/mandatory for everyone who will participate in the Extravaganza. Failure to comply with this requirement or attempts to avoid it, by any means, will result in disqualification from the day's events. Shoot Management has the ability to change or add additional orientation times.
14. **Squadding:** Squadding will be done on a random basis. With no guarantee, special requests will be considered and accommodated when possible. Squadding will be posted on iClays. Contestants should check periodically, as updates/changes may be made. Shooters should report to the appropriate location approximately thirty (30) to forty-five (45) minutes prior to their scheduled time. Shooters missing their appointed shooting times should contact the Shoot Superintendent.
15. **Range Safety:** The safety of all involved is of paramount importance. All range safety rules will be strictly enforced. Any shooter failing to conform to safety standards will be warned or disqualified from the event. Minor infractions will be noted and marked on the shooter's

badge. Repeated infractions or major safety violations will result in disqualification from the event.

16. **Eye Protection:** Shooting glasses or equivalent prescription glasses are required for all events. All persons on or near the firing line are required to have eye protection, including range personnel, and shooters.
17. **Ear Protection:** All persons on or near the firing line are required to have hearing protection. Ear plugs or ear muffs may be worn at the discretion of the shooter, or Range Officer; but proper hearing protection is required. Electronic devices, other than those specifically designed for hearing protection only, are forbidden on the shooting field forward of the safe line. This includes, but is not limited to radios, CD players, MP3's, walkie-talkies, and cell phones.
18. **Open and Empty:** All firearms will remain open and empty until the shooter is on the shooting station. The gun must be open and empty before leaving the shooting station.
19. **Muzzle Control:** Shooters must maintain control of their muzzles at all times. Regardless of condition, muzzles may not be pointed toward or rested upon any part of the body of the shooter or another person. This includes the use of toe pads. The only exception is the limited exposure required in changing chokes. Violation of this rule may result in warning, disqualification from a round, or disqualification from a match.
20. **Interference:** If any contestant, in any way, whether in person or by agent, or servant, interferes with the judges during their adjudication, or shows any disrespect to them or the show or competition, they are subject to be penalized. Management may demand a proper apology from the contestant, may exclude him/her from competition, bar him/her from the grounds/WT&SC, and may also withhold any prizes that may have been awarded.
21. **Equipment:** Any 12 gauge or smaller fired from the shoulder shotgun, which conforms to ATA rules.
22. **Hulls:** Contestants shall pick up hull immediately after their event. **Parents/coaches are not permitted to pick up hulls.**
23. **Choke Changes:** Choke changes will not be allowed during any shoot-off.
24. **Ammunition: No reloads - ATA permitted factory ammunition only.** Shooters must furnish their own appropriate ammunition. It is vitally important to allow extra ammunition for practice rounds, shoot-offs, malfunction, or other contingencies. Ammunition is subject to inspection and verification. Ammunition will be for sale at WT&SC.
    - No load may contain more than 1-1/8 ounces of shot.
    - No load may contain any shot larger than Number 7½ for lead and Number 7 for steel.
    - No load, lead or steel, may have a maximum velocity greater than the following;
    - 1290 FPS for a shot charge of 1-1/8 ounces.
    - 1325 FPS for a shot charge of 1 ounce.
    - 1350 FPS for a shot charge of 7/8 ounce.
25. **Property/Security:** All contestants or persons in charge of property, shall care for, guard, protect, and preserve same, as the HOTFR, ATA and WT&SC does not undertake to do so, and shall not be held responsible for any loss or damage to said property of contestants thereof. All contestants are responsible for security of their own property. The contestant is the absolute insurer of and is responsible for the condition of their property. The HOTFR, ATA and WT&SC are not responsible for the acts of a third party.
26. **Official Scores:** The official score is the record kept by the referee/scorer on a sheet furnished him/her by Show Management. The referee/scorer's decision on whether a target is

dead or lost is final. All reported scores are checked for accuracy and corrections will be made when required. HOT Trap Shooters Extravaganza Management maintains the objective of producing timely, accurate and complete scoring records for each event. They do not represent any club, county, team, or individual. The WT&SC, via the Shoot Coordinator, will be responsible for conducting any and all aspects of the event pertaining to "shooting" including, but not limited to: squadding, scoring, posting of scores, determination and conducting shoot-offs, determination of winners and rules interpretation.

27. **Appeals:** A shooter may appeal a dead/lost ruling on the field if he/she feels a referee has missed a call. Once the shooter has changed posts, such right of appeal is lost. The referee may seek assistance from the official scorer or may poll the squad at his or her discretion. The decision of the referee in regard to dead or lost targets on the field is final and not subject to further appeal. A parent or coach's score is not an official score and will not be consulted.
28. **Protest:** Shooters only may protest any injustice, violation of the rules, or other circumstances that may have resulted in placing them at a disadvantage relative to other shooters. Such conditions must be reported to the field referee immediately. If satisfaction is not obtained, the situation should be reported immediately to the Shoot Coordinator or Chief Referee. If resolution is not reached at this point, the shooter only has the right to present a written protest with a $20 protest fee to the Chief Referee or Shoot Coordinator within one (1) hour of the time their squad has finished or score was posted. The Protest Jury will investigate and reach final resolution of the matter as soon as possible considering all circumstances. Results of all protests are final and will be reported to the shooter. The names of the Chief Referee, Shoot Coordinator and Protest Jury members will be posted at the shoot.
29. **Field and Range Boundaries:** For multiple reasons, control of traffic on and around all fields and ranges is essential. Since coaching is not permitted on the ranges, there is no reason for a parent or coach to be on the ranges unless invited by the Range Officers. The field boundary is behind the gun rack/bench. Please respect these boundaries and the directions of officials. Failure to do so or argument with officials is considered unsportsmanlike conduct and will result in appropriate actions, up to removal from the event, range, area, or grounds.
30. **Disruption:** Parents, coaches or other individuals should remain positive and supportive, being careful not to disrupt or exhibit behaviors deemed detrimental to shooters or the operation of the match. Sanctions ranging from a warning to ejection from the grounds or disqualification of shooters may be imposed for interference with the operation of the match or disruption of the events on a firing line or field.
31. **Coaching:** Coaching during competition will not be permitted while participants are on the firing line. Coaching includes any communication between the coach, parent or other spectator and the shooter; verbal or non-verbal. The shooter may request assistance from a Range Officer and the Range Officer may assign an assistant.
32. **Alcohol Policy:** No shooting allowed following the consumption of alcohol. No alcohol is allowed on shooting ranges by participants or spectators. Consumption, use and possession of alcohol by persons under the age of 21 is prohibited by law and is not permitted anywhere on the grounds at any time.
33. **Drug Policy:** No shooting is allowed while under the influence of any drug or prescription medications that affects judgment and conduct to a degree that a participant is unsafe.

34. **Tobacco Policy:** No smoking is permitted on or near the firing lines or in any area where it would be considered inappropriate or in a situation where the smoke constitutes interference to shooters. Smoking, use and possession of tobacco products (including smokeless) by minors is prohibited by law and is not permitted anywhere on the grounds at any time.
35. **Dress Code:** Participants and spectators are required to dress appropriately. Both young people and adults should wear attire appropriate for the weather while remaining modest and socially acceptable. Shooters must wear a shirt with sleeves. Clothing deemed immodest or distracting to other shooters will not be permitted. Where eye and/or ear protection is required, fully enclosed shoes must be worn for safety reasons by both shooters and spectators. All shooters and coaches should remember that they may be having photographs taken or be asked to interview for the media.
36. **Use of Two-Way Radios:** To assist us in range and match operations, only authorized persons are permitted to use two-way radios on the grounds. Any action by either youth or adults interfering with the frequencies in use imposes a safety hazard. Deliberate disruption of range communications by anyone at the event will be considered a safety violation and treated as such.
37. **Golf Carts:** Golf cart rentals are available by reserving in advance with the cart company. The shooter must contact the superintendent (contact info is at the top of the special rules) and reserve the cart that way. The cart company will deliver the cart to Waco Skeet and Trap Grounds.
38. **Practice:** A practice field will be open and operated by WS&TC at the shooter's expense.
39. **Ties and Shoot-Offs:** Ties in the Extravaganza will be determined by a shoot-off.
    - Trap Singles Event: Round of 25 targets
    - Skeet Event: To follow NSCA Rules
    - Sporting Clays: To follow NSCA Rules
    - HOA: Determined by management
40. **Conflicts**: If you have a time conflict from another Heart O' Texas Fair & Rodeo event, you must notify the Superintendents during the registration period. If you do not notify the Superintendents in a timely manner accommodations may not be made.

CONTEST DESCRIPTION: This is a challenge-based robotics contest. Some known challenges will be released prior to the contest, and the remaining challenges will be revealed on contest day. Teams build and program their robot for known challenges prior to the contest. Teams will be given time to build and program the robot to account for the newly revealed challenges.

The AgRobotics Rules & Known challenges will be posted at this link (under contest section): https://texas4-h.tamu.edu/projects/robotics/.

SPECIAL RULES:

1. **Eligibility:** Participation is open to Texas 4-H and FFA members, and Texas students currently enrolled in an accredited Texas school or homeschool (with proof of enrollment). Three (3) to four (4) students may constitute a team in this contest. Team may not include students from different age divisions. Students are not allowed to compete on more than one team. Students will not be allowed to compete on both a 4-H and/or FFA team and a school team. All students must be from the same school, or club/chapter.
    a. **Junior Division**: Participants must be at least eight (8) years old and in the third grade, but no more than eighth grade.
    b. **Senior Division**: Participants must be in at least the ninth grade, but not older than nineteen (19) years old and in the twelfth grade.
2. **Entry:** Application must be made through the online entry procedures located on the internet at www.hotfair.com on or before August 31st. An entry of $50.00 per team will be charged for this event. Payment with entry authorization signature must be postmarked by August 31, for all Robotics entries. Show Management reserves the right to reject entirely or accept conditionally any entry.
3. **Contest Format/Rules of Play:** The new 2026-2027 challenge rules for this year's AgRobotics game will be posted by September 1, 2026 on the state robotics page here in the contest section: https://texas4-h.tamu.edu/projects/robotics/ Additionally, please reference these rules regarding specific verbiage about approved robot types and permitted materials for the contest.
4. **Minimum Construction Skills and Proficiency:** Competitors must be capable of designing and building a functioning robot that includes the use of:
    a. Motors
    b. b. Light/color sensor
    c. c. Touch sensor
    d. d. Ultrasonic sensor
    e. e. Levers, arms, claws, etc.

5. **Minimum Programming Skills and Proficiency:** Competitors must be capable of programming a robot to accomplish the following:
    a. Move
    b. Turn
    c. Lift
    d. Maneuver attachments effectively
    e. Use sensors appropriately and effectively
6. **Scoring:** Please reference the AgRobotics Game rules for all point values for each separate challenge. Additionally, a teamwork score will be assessed by a panel of judges and added to the match scores to form the preliminary team score.
7. **Finals:** The cumulative preliminary team and match scores determine qualifiers for finals.
8. **Results:** The contest results, as announced, will be final.
