

## PARK CITY ARENA FOOD & BEVERAGE PARTNERSHIPS WITH VOLUNTEER GROUPS

### WHY SHOULD YOU RAISE MONEY FOR YOUR ORGANIZATION WITH PARK CITY ARENA

Park City Arena is a 6,500-seat, multi-purpose facility with 15 acres of on-site parking and is uniquely configured so that there is literally not a bad seat in the house. The arena has hosted a range of concerts from Cody Johnson and Hairball to REO Speedwagon, Blink 182, Jake Owen, Little Big Town, Koe Wetzel, Whiskey Myers, and many more have been part of our arena's event list. Our arena also has a variety of other kinds of events such as the Chisolm Trail Gun Show, MMA, NAIA National Basketball & Wrestling Championships, KSHSAA State High School Wrestling, The Carden Circus Spectacular and much more. On average over 150,000 people visit Park City Arena every year!

### HOW IT WORKS

We have two different roles that volunteer groups can fill during events.

#### Concession Stand Staff

Your group can run one of our four concession stands to raise money. If you have enough people to completely run a stand on your own (At least 7 people) you will earn 10% of the concession stands net sales or \$13 per hour per person. Whichever amount ends up being higher. Your group will also get to keep all of the tips you earn. If you don't have enough people to run an entire concession stand you will earn \$13 per hour per person plus tips. During the average event you tend to work 5 to 6 hours. We have a handful of all-day events as well where there is strong earning potential. Of course, there is also the opportunity to earn cash and credit card tips in either of the scenarios!

#### Wrist Banding Guests for Alcohol

Alcohol compliance is a very important part of a great guest experience. For almost all of our concerts we have staff in the front of the arena wrist banding guests as they enter. This is to ensure proper ID procedures are being followed and to speed up service at our bars. Wrist banders are paid \$15 per hour. Wrist banders tend to work about 3 hours during an event.

### WHAT WE NEED

We need a current W9 for your group and a signed Volunteer Group Agreement that we provide.

**IF THIS SOUNDS LIKE A GREAT FIT FOR YOUR ORGANIZATION, PLEASE CONTACT US!**
