

## MISS HUMBLE RODEO PRINCESS

### *Category Information*

The Miss Humble Rodeo Princess Program is for young ladies age's six to twelve (birth certificate may be required). The purpose of the Texas Princess Program is to mentor young ladies who may be interested in competing in the Miss Humble Rodeo Pageant someday. Princesses will be paired up with Miss or Teen contestants during the pageant (family and friends will be paired together if they are listed on their sign up sheets)

Whoever wins the Miss and Miss Teen titles are encouraged to include the Princess in any activity that she can to make her feel a part of her year as she represents the Humble Rodeo and Pageant. Some fun ideas of things they can do together would be having the titleholder attend her school or visit her classroom, going shopping together, or making some appearances together. At the Miss Humble Rodeo Pageant the Princesses will have the opportunity to participate in the show.

All Princesses will receive an embroidered sash and a crown to wear the day of the pageant and then to keep.

There is a limited number of Princess spots available and it is based on a first come basis. To be eligible Princesses have to be current students in any Humble ISD school, as well as have all fee's and paperwork filled out before the entry deadline.
