

MISS HUMBLE RODEO SWEETHEART

Category Information

The Miss Humble Rodeo Sweetheart Program is for young ladies age's six to nineteen. The purpose of the sweetheart program is to provide opportunities for young ladies to take pride in who they are, to dream big, and gain confidence and self-esteem.

The stereotyping of girls with disabilities often holds them back from stepping out of their comfort zone to pursue their dreams. We believe that with encouragement they can challenge themselves, take pride in their identities and strengths, and gain the mindset needed to be the very best version of themselves. We hope that this can be an opportunity for excitement, fun and growth for girls with disabilities.

All Sweethearts will receive an embroidered sash and a crown to wear the day of the pageant and then to keep. Sweethearts will have the opportunity to participate in the Miss Humble Rodeo Pageant.

To be eligible Sweethearts have to be current students in any Humble ISD school, as well as have all fee's and paperwork filled out before the entry deadline.
