

Indiana Association of Fairs

To: INAF Fair, Festival or Event President
INAF Fair, Festival or Event Secretary

From: INAF Hall of Fame Committee

Re: INAF Hall of Fame Nominations

Attached is an application form for your nomination to the "HALL OF FAME" for the Indiana Association of Fairs sponsored by Variety Attractions.

All fairs, festivals and events belonging to the INAF have an equal opportunity to nominate a member or past member of their board/organization for this award. The nominee must be a current or past member of their local board/organization and should be chosen based on their community and fair, festival or event board activities. The nominee must be living at the time of the nomination.

You may submit past nominees that have not been selected the INAF Hall of Fame. Each year one person from each INAF district is selected for this HONOR. Some nominees only miss the selection by a few points so they should be considered for nomination.

Please be sure that your organization agrees to this nomination and that only one nominee can be submitted per organization.

Be sure to be complete and accurate when filling out the application. The applications are critiqued only on the information contained in the application. Attendance and participation in INAF and the International Association of Fairs and Expositions (IAFE) activities needs to be listed.

A submission will consist of the 2-page application (no additional pages should be included). The application should be the application attached or the application that is available on the INAF website at www.indianafairsandfestivals.org under the Awards section.

Nominations submitted in 2021 that were not award winners at the January 2022 convention will be considered for the award for one additional year. If there are major changes to the application, they should be communicated to the committee in a brief letter.

Entries must be submitted by December 1, 2022 to INAF - Hall of Fame PO Box 842, Brownsburg, IN. 46112.

We request that all applicants attend the Awards Program on Sunday morning, January 8, 2023, during the 102nd INAF Convention, to be recognized for their outstanding contributions to the industry. The recipients nominating organization will receive \$100 courtesy of Variety Attractions.

If you have any questions, please contact Steve Patterson at admin@indianafairsandfestivals.org.
