MESSAGE TO OUR GUESTS ON COVID-19

The safety of our guests, staff and community is our number one priority. The Indiana State Fair will implement procedures & guidelines to protect public health during and following the COVID-19 pandemic. These policies align with the CDC, Indiana State Department of Health (ISDH) recommendations to the greatest extent possible.

All guests are encouraged to follow healthy behaviors to best protect themselves, including:

- Stay home if you are sick, or are exhibiting any of the following symptoms, including: cough, shortness of breath, fever, chills, muscle pain or sore throat.
- Based on currently available information and clinical expertise, older adults and people of any age who have serious underlying medical conditions (heart disease, chronic lung disease, asthma, etc.) might be at higher risk for severe illness from COVID-19 and should not attend any event.
- An inherent risk of exposure to COVID-19 exists in any public space where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death.
- Wash your hands often with soap and water.
- Avoid close contact with people who are sick.
- Cover your mouth and nose with a cloth face cover when around others.
- Cover coughs and sneezes with a tissue and dispose of used tissues in the trash.

Follow CDC guidelines regarding wearing masks. Hand sanitizer packets will be available to the public.

We reserve the right to remove any guest from the Fairgrounds for not following COVID-19 Safety Policies/Guidelines.

ENJOY THE FAIR... WASH YOUR HANDS

One of the best things about the Indiana State Fair is the chance to get close to all the different animals. The safest way to enjoy the animals is to be sure and wash your hands each time after contact with any animal at the Fair. This is especially important for young children.

As you stroll around the Fairgrounds, you will notice dozens of hand-sanitizing stations and restrooms. Please take advantage of them to keep your hands clean, especially if you are about to enjoy some delicious Fair food!

BE SMART, STAY HEALTHY, WASH YOUR HANDS!

Wash your hands after petting any animal - it's the best way to enjoy the Great Indiana State Fair.

EDUCATION

FOREVER FOREST EXHIBIT PRESENTED BY INDIANA HARDWOOD LUMBERMEN'S ASSOCIATION

Forever Forest features interactive play spaces where children and their parents learn about the many careers and products made from wood. Children learn some of the different professional roles available in the industry as they maneuver a kid-size grapple skidder, load items onto a Union Pacific train, work with tools to create projects using building materials, and even distribute play medicine at the general store.

The exhibit explores the realities of forests through play. Families will learn about sustainability, selective harvesting, transportation needs, and the everyday products we use that are made from trees!
