**DINO STROLL EXPERIENCE COMING TO THE
INDIANA STATE FAIR, Aug. 18-22**

WHAT: NEW! Starting today at the Indiana State Fair you can experience an interactive dinosaur activation! This engaging experience will feature a large T-Rex standing over 25 feet tall and spanning over 60 feet long. This life-sized and life-like dinosaur is animatronic and features a moving head, neck, tail, eyes blinking, mouth that opens and closes, breathing movements and of course the enormous T-Rex roar! In addition to a T-Rex, a roaming Pachycephalosaurs will engage with guests and stroll through the crowd.

In addition to dinosaurs, a dinosaur egg will be displayed that guests can climb inside and use as a backdrop for photos. A dinosaur bench will provide a place to rest and another fun photo opportunity.

This activation provides a preview of the Dino Stroll event that is coming to the Indiana State Fairgrounds & Event Center later this fall, September 25-26. Dino Stroll exclusive merchandise along with various dinosaur items will be available for purchase. The activation will offer enter-to-win contests for guests to win tickets to attend Dino Stroll when it arrives in September.
