2022 Indiana State Fair Featured Farmers Unveiled *presented by Corteva Agriscience*

Corteva Agriscience Connects Consumers with Farmers at the Indiana State Fair

June 10, 2022, INDIANAPOLIS, IN — The Indiana State Fair and Corteva Agriscience are proud to unveil the highly anticipated 2022 Featured Farmers that will be honored at this year's Indiana State Fair. In its seventh year, this program celebrates and helps put a face on Hoosier agriculture by connecting consumers with fellow Hoosiers who grow the food they eat. These 18 farm operations represent all regions of the state, showcasing different agricultural products throughout the 18-day State Fair, July 29-August 21.

"Our Featured Farmers program connects fairgoers to Hoosier farmers daily during the State Fair with opportunities to learn more about where their food comes from," said Cindy Hoyer, executive director, Indiana State Fair Commission. "These farmers have incredible stories to tell, and we are proud to honor and celebrate them."

Visitors to the Indiana State Fair can attend a live chat at 2:30 p.m. in the Glass Barn with a Featured Farmer every day of the Fair, in addition to many other opportunities to talk with that day's Featured Farm family and learn about their operation. To learn more about the farmers, visit IndianaStateFair.com.

"Corteva Agriscience, is pleased once again to be the presenting sponsor of the Featured Farmer program at the Indiana State Fair. During the past seven years of sponsoring the Featured Farmer program, we have been able to honor farm families from across the state and provide an opportunity for fairgoers who are consumers to meet these farmers who spend their days working to feed all of us," said Susan Carney, Strategic Marketing Communications Leader, Corteva Agriscience.
