presented by Corteva Agriscience

Corteva Agriscience Connects Consumers with Farmers at the Indiana State Fair

May 16, 2023, INDIANAPOLIS, IN — The Indiana State Fair and Corteva Agriscience are proud to unveil the highly anticipated 2023 Featured Farmers that will be honored at this year's Indiana State Fair. In its eighth year, this popular program celebrates and helps put a face on Hoosier agriculture by connecting consumers with fellow Hoosiers who grow the food they eat. These 18 farm operations represent a variety of regions through the state, showcasing different agricultural products and stories throughout the 18-day State Fair, July 28-August 20.

"The Featured Farmers program is all about connecting fairgoers to farmers during the State Fair, to help connect the dots about where their food comes from," said Cindy Hoye, executive director, Indiana State Fair Commission. "These farmers have incredible stories to tell, and we are proud to be the backdrop for these conversations."

Visitors to the Indiana State Fair can attend a live chat at 2:30 p.m. in the Glass Barn with a Featured Farmer every day of the Fair, in addition to many other opportunities to talk with that day's Featured Farm family and learn about their operation. To learn more about the farmers, visit IndianaStateFair.com.

"Corteva Agriscience, is pleased once again to be the presenting sponsor of the Featured Farmer program at the Indiana State Fair. During the past seven years of sponsoring the Featured Farmer program, we have been able to honor farm families from across the state and provide an opportunity for fairgoers who are consumers to meet these farmers who spend their days working to feed all of us," said Susan Carney, Strategic Marketing Communications Leader, Corteva Agriscience.
