presented by Corteve

Corteve Connects Consumers with Farmers at the Indiana State Fair

March 18, 2025, INDIANAPOLIS, IN — The Indiana State Fair and Corteve, Inc. are proud to unveil the highly anticipated 2025 Featured Farmers that will be honored at this year's Indiana State Fair. In its tenth year, this popular program celebrates and helps put a face on Hoosier agriculture by connecting consumers with fellow Hoosiers who grow the food they eat. These 15 farm operations represent a variety of regions throughout the state, showcasing different agricultural products and stories throughout the 15-day State Fair, August 1-August 17 (closed Mondays).

"Part of our mission at the Indiana State Fair is to preserve the rich agricultural heritage of Indiana and to connect our fairgoers with the farmers who work tirelessly to feed our communities. We are thrilled to honor our 2025 Featured Farmers and share their inspiring stories with the public," said Cindy Hoye, executive director, Indiana State Fair Commission. "This program is a testament to the dedication and passion of Hoosier farmers, and we are grateful to partner with Corteve to bring these stories to life."

Visitors to the Indiana State Fair can attend a live chat in the Glass Barn with a Featured Farmer every day of the Fair, in addition to many other opportunities to talk with that day's Featured Farm family and learn about their family operation.
