2. Full results must be sent to Mallory (mallory@nalf.org) or Taylor (Taylor@nalf.org). Exhibitors or show officials can send in results. Full results must include: all class placings, all division placings, and all overall placings. If we do not receive full results with all the information needed, that show will not count toward points.
3. Results must be submitted by December 1, 2023, no late submissions will be accepted.

MOE Level II Rules:

1. Animals must be registered with the North American Limousin Foundation (NALF).

2. All cattle shown including calves at the side of the dam must be:

A. 75% Limousin (NALF percentage, not actual) or greater as indicated on orange NALF registration certificates

OR

Percentage, fullblood, purebred and Lim-Flex cattle shall compete in the same classes and championships.

3. If a show does not abide by the NALF MOE show rules exhibitors will not be awarded points for that show.
4. Animals must be properly tattooed and will be inspected at the show. Tattoos must be legible and match the registration certificates. If an animal's tattoo is not legible or cannot be read upon initial processing, it will be ineligible to show and not be allowed to return with a new or corrected tattoo.
5. To maintain a high degree of confidence in Limousin shows NALF reserves the right to disqualify any animal that has been fitted in an unethical manner. Unethical fitting shall include the following:
 - a) Any use of paints, colored show foam, graphite, colored powders or other substances; animals may be subject to a white-towel test;
 - b) The addition of any hair or hair like substances, including false tail heads and false polls (false tail switches are allowed);
 - c) The cutting, tearing or gluing of the hide or underneath the hide or removal of tissue in an attempt to alter the shape of the animal or the injection of any gas, solid or liquid under the hide to alter the normal conformation;
 - d) Any products, solutions or liquids administered internally or externally to alter the conformation of the animal is prohibited. That includes the use of steroids, growth stimulants and the act of artificially filling animals internally, which would include stomach pumping, drench tubes or any other method.

EXCEPTION: In the case of severely sick or dehydrated animals, the exhibitor may have fluids or electrolytes administered by the licensed official show veterinarian with the approval of the show superintendent or a NALF representative. That exception is not applicable on show day or weigh-in/check-in day.

6. Bulls older than one (1) year must show with a nose lead. The Limousin show superintendent and the show management reserve the right to disqualify animals deemed unmanageable.
7. Protests against exhibitors, individual animals or fitting violations must be submitted in writing, signed by five (5) active members of the NALF and presented to the show superintendent within 12 hours of the show's completion.
