See you in  
2021!  
#FAIRSTRONG

For an average of 135 years, Wisconsin Fairs have been creating memories and traditions for all ages. 2020 has us feeling like we are on a midway ride that keeps surprising us with every turn. As a united community, we announce our cancellations today heavy-hearted, yet #FairStrong! Our individual press releases are linked below. Please continue to support all Fairs in the journey ahead and **Join us in 2021!**

*Please note - Any decisions toward the direction any Fair and their event(s) choose to take are made by each Fair individually.*
