

These little *piggies* need **PENS!**

The Jefferson County Fair Park recently built a new building that houses swine during the Jefferson County Fair. Unfortunately we were not able to get enough funding to purchase new stalling pens, lighting, PA system, concrete approaches, and drop-down electric outlets for fans and we need your help!

We're grateful for all levels of support! We've broken down some options below that fit in your budget and still receive advertisement for you or your business. Sponsors with a minimum of \$100.00 will receive five complimentary fair admission tickets.

Pen Sponsor: _____ pen(s) @ \$500.00 each _____ total sponsorship
