

Working Farm Truck Day

Jefferson County Fair - 2024

Join Us for Farm Truck Day at the Jefferson County Fair!

Calling all farm truck enthusiasts! Get ready for the Working Farm Pick-Up Contest at the Jefferson County Fair on Wednesday, July 10. This event is a great opportunity for anyone who wants to enter their working farm pickup into a fun and exciting contest at the fair. We invite everyone to bring their drivable, licensed farm pickups and showcase them to the public.

Entry: Participants will enter on-line through the link below or stop into the Fair Office to complete an entry form. There is a \$10.00 entry fee per farm pickup, with all fees supporting costs of the awards. Register soon, as there is a July 1 entry deadline.

Public judging: The fairgoers will judge the entered pickups. There will be four categories to select from: *Rusty Crusty, Old Reliable, Hot Mess, and the Mighty Machine*. Judging will be open from Noon until 6pm. Awards will be announced at approximately 6:30pm and posted on-line.

Display area: All trucks will be on display in the “Heart of the Park” between the Activity Center and the Dairy Barn.

Arrival & Departure: Farm pickups must arrive between 11am to Noon entering through gate 4. No trailers allowed. All participants must depart using gate 10 with the first organized release at 8pm.

Reminders:

- An event ambassador will be on site to help you upon arrival and will further coordinate the days relevant messages as well as the organized release.
- Daily gate admission is **NOT** included in the entry fee.
- Our team will assist to rope off your vehicle while it is on display.
- Each registered truck will be provided with a number to display for judging purposes.
- This event will be held rain or shine.
- All trucks **MUST** be in operating condition and licensed.
- This is the first year of this event, so we appreciate your cooperation and patience as we navigate the particulars. Further, we welcome your feedback for consideration of a future event of this nature.
