

FLOWERS & FLORAL DESIGN

**AUGUST
10-14, 2022**

GENERAL RULES FOR NON-LIVESTOCK EXHIBITS

1. All articles entered must be the work of the Exhibitor and have not been previously exhibited in a prior year at the Josephine County Fair.
2. Online entries must be submitted by the date stated and published within each Department's Rules. Information must be accurate and complete.
3. Entries must be delivered and removed only during the published scheduled times. Removal of an Exhibit before the designated time forfeits all awards for that Exhibit. Items not picked up within 10 days after the close of Fair are forfeited by the Exhibitor.
4. Entries will receive a claim check upon delivery of their item(s) and must present the claim check in order to pick up items at the scheduled pick-up time after Fair.
5. Superintendent or Judge may disqualify or transfer any exhibit to a more suitable class which, in their opinion, is not a true representation of the class in which it is entered or if published rules are not followed.
6. Departments are closed to the Public while exhibits are being judged. Ribbons and/or prizes will be as warranted. All Judge's results are final.
7. Exhibitors found in violation of rules, or to be in practices unethical or adverse to Josephine County Fair, shall be penalized by forfeiture of awards and/or privileges and removed from the exhibit.
8. The Josephine County Fair Board will take reasonable precautions to ensure the safety of exhibits while at the Fairgrounds, but will not be responsible for loss, damage, theft or injury of any kind to exhibits or Exhibitors. Exhibitors shall indemnify and hold harmless Josephine County which shall include all authorities, boards, bureaus, commissions, divisions, departments, districts and offices of Josephine County and the individual members, employees, and agents thereof in their official capacities.
9. Media Disclaimer: Josephine County Fair reserves the right to use any photo or video taken at any event without the expressed written permission of those included within the photo or video. Josephine County Fair may use the photo or video in publications or other media. To ensure the privacy of an individual, images will not be identified using names or personal identifying information without written approval from the photographed Subject, Parent or Legal Guardian. Any person not affiliated with Josephine County Fair may not use, copy, alter or modify official Josephine County Fair photos, graphics, videography or other similar reproductions or recordings without the advance written consent of an authorized designee from Josephine County Fair.

COMPETITION RULES

HOW TO CHOOSE THE BEST FLOWERS FOR THE SHOW

Cut flowers early Tuesday morning (entry day). See specific class number for directions. Most flowers should be cut as they are just about to open. Cut stems at an angle and plunge them immediately into very warm water. Leave the blooms in the warm water and put the container in a cool place for at least three (3) hours. Bring the blooms to the Fair in water. For specific info, call a superintendent.

DIVISION 809 AND 810 – FLORAL DESIGN/INDIVIDUAL CLASSES

Design Division Theme: “Holiday Fun”

Design Superintendent: Mike Zerwer (541) 955-5076

Design Consultant: Gena Goddard (541) 482-5341

1. All general rules and regulations apply.
2. Arranger need not grow plant material for designs. All designs must contain some plant material.
3. No artificial flowers, artificial foliage, artificial fruits or vegetables are permitted.
4. National flags, religious symbols, feathers of migratory birds, natural nests, and live animals are not permitted.
5. Fresh flowers in show condition are to be used in all designs unless schedule specifies otherwise.
6. Fresh plant material may never be treated. Dried materials may be colored or otherwise treated.
7. Accessories are permitted.
8. Unless otherwise specified, exhibitors may choose materials and designs.
9. Dried line material may be used with fresh flowers, unless class specifies "all fresh".
10. Backgrounds are not allowed unless specified.
11. Designers are encouraged to condition the plant material well, and to choose materials that will have good longevity for the four (4) days of the show.
12. There is no height limitation. Width limit is 24". Designs are placed on 30" deep tables covered with white plastic and shown against white walls.
13. HWD means “height, width and depth” for Petite Designs.
14. Petite Design: SCALE will be emphasized. The size of each component should be in proportion to the overall size of the design

DIVISION 809 – DESIGN FOR ADULTS

For assistance call Design Consultant or Design Superintendent.

NOVICE CLASSES: (Anyone who has won five (5) or less Blue Ribbons. Novices may compete in Amateur Classes).

AMATEUR CLASSES: (Anyone who has won 6 or more Blue Ribbons. Novices may also enter these classes).

809-01 NOVICE – EARTH DAY – Choice of Design using one bloom, other foliage allowed.

809-02 NOVICE – EASTER COLOR – Traditional Line or Line Mass Design. Choice of plant material. Traditional Line Designs are adapted from Japanese design and use great restraint in quantity of plant material and have a dominant linear pattern which can be vertical, horizontal, crescent, S-curve or zig zag. Line Mass has more plant material to enhance the strong line. The container is subordinate, not dominant.

809-03 NOVICE – FATHER’S DAY – Asian Manner Design, using a low container with an area of visible water. Choice of plant material. Accessories allowed. Asian Manner Design emphasizes simplicity in line as found in nature and minimal plant material in simple containers.

809-04 NOVICE – HAPPY NEW YEAR – Choice of Creative Design and plant materials. Creative Designs use components in a non-realistic manner and may include manufactured items and non-plant materials (see rule 3). They may have more than one focal area, use non-traditional containers, restraint in amount of plant material and any part of the design may be dominant, including the container.

809-05 NOVICE - MOTHER’S DAY – Creative Monochromatic Design. Monochromatic is one color (hue) and all its related tints and shades. All plant material, container and other components must be of the same hue or white, gray or black. Choice of plant materials that meet these criteria.

809-06 AMATEUR – VETERAN’S DAY HONOR – Traditional Line or Line Mass Design. ALL fresh plant material (see rule 9). See 809-02 for definition of Traditional Line designs.

809-07 AMATEUR – THANKSGIVING CELEBRATION – Traditional Mass Design. Choice of fall colors and plant material. Traditional Mass Designs use a geometric form (sphere, cylinder or pyramid). Plant material is used in a naturalistic manner, radiating from one point. Large quantities of plant material with a closed silhouette are used. The container is subordinate.

809-08 AMATEUR – BE MY VALENTINE – Choice of Traditional Design, (state choice on entry tag: Line, Line Mass, Mass). Choice of plant material.

809-09 AMATEUR – CHINESE NEW YEAR (YEAR OF THE TIGER) – Choice of Asian Manner Design using a tall container. Use bold colors. Choice of plant material. No accessories allowed. See 809-03 for definition of Asian Manner Design.

809-10 AMATEUR – ST. PATRICK’S DAY- Creative Line Design with green and or orange colors dominant. Choice of fresh or dried materials (see Rule 6). This is a Creative Design in which line direction is dominant, with a minimum of plant material and other components. The line may be in any direction vertical, horizontal, crescent, S-curve or zig zag. See 809-04 for other Creative Design characteristics.

809-11 AMATEUR – CHRISTMAS - Choice of Creative Design. Choice of fresh and or dried plant materials.

809-12 AMATEUR – INDEPENDENCE DAY, GO RED, WHITE AND BLUE – Abstract Creative Design. Choice of plant material. Abstract Creative is a design with a dominance of abstraction. Plant material, other components and containers are chosen for their non-realistic qualities. Fresh plant material may be abstracted by clipping, wiring, tying, folding etc. (see Rule 6). Dried plant materials may be abstracted by dye, paint, polish, glitter etc.

809-13 AMATEUR – GARAGE SALE DAY – Assemblage Design that is self-supporting. Choice of plant material. This is a three-dimensional abstract design consisting of “found” objects that are unrelated, non-art objects not made for decorative purposes. Three or more “found” objects must be greater in proportion than the other components.

809-14 AMATEUR – BOATNIK CELEBRATION – Creative Underwater Design with choice of plant material. Underwater designs have some or all of the plant material submerged in water. Plant material and other components underwater must contribute to the overall design and are selected for their lasting quality.
