The Antique Village will also have many activities for the kids to enjoy. After checking out all of the vintage and antique tractors and farm equipment, spend some time in the corn pit or take a ride on the pedal tractor. Making your own rope is a must before leaving the Antique Village. Take a break under the shaded pavilion or a stroll through the tent that will take you back in time. Be sure to visit the blacksmith building for an eye-opening experience. Don't forget to take a picture at the photo stand.

Antique Display open to the public  
Non-Members Welcome.
