2. REQUIRED EXHIBITOR FEES: ALL exhibitors are required to pay a \$1.00 processing fee per person as well as a \$1.00 per item entry fee.
3. ENTRIES/LATE ENTRIES: Entries will be accepted beginning May 1, 2024. Entries will be accepted after August 1, 2024, in accordance with the following scheduled: **NO ENTRIES WILL BE ACCEPTED AFTER AUGUST 20, 2024.**
August 2 (12:01 a.m.) to August 15 (11:59 p.m.) - \$5.00 late fee, per exhibitor.
August 16 (12:01 a.m.) to August 20 (11:59 p.m.) - \$25.00 late fee, per exhibitor. No entries will be accepted after August 20 (11:59 p.m.)
4. An exhibitor may enter one (1) item per class, unless noted differently.
5. Exhibitors have up to 15 minutes to arrange, display or touch-up their exhibit upon arrival, prior to check in. Exhibits cannot be prepared or assembled on-site, unless it is a “real time” contest, and it is stated in the rules. Department Managers have the right to disqualify an entry or exhibit if anyone, other than the exhibitor, has prepared it. **ALL WORK MUST BE THAT OF THE EXHIBITOR.**
6. Displayed exhibits may be limited – KSF reserves the right to only display what room allows. Any item not being displayed will have designated pick-up times. First place through third place is guaranteed to be shown. Every effort will be made to display ALL items entered in the fair.
7. Any item that does not meet Kansas State Fair requirements will not be accepted. If an item is accepted in oversight, it may later be disqualified and/or not judged or displayed.
8. During check-in, a Kansas State Fair staff member may question if you entered your item properly, but only if it is

obvious that the item may not meet the class requirements. If an exhibitor is not sure if they entered their item(s) properly, they must ask a staff member for assistance **BEFORE** the item is checked in. This process can only be done during receiving hours and at the request of the exhibitor. If you question the class entered, and the Department Manager can justify the error, it may be moved to the proper class. Once an item has been checked-in, **IT CANNOT BE MOVED**, without the prior approval of the Competitive Exhibit Coordinator. Check-in finalizes your entry. Kansas State Fair does not allow any item substitutions.

9. Entries will not be judged in "Any Other Items" or "Not Specified" class, if there is already a class for that item available.
 10. All exhibits must have been created, grown, or harvested by the exhibitor during the season of current year unless otherwise stated. All creative items must have been completed since the 2023 Kansas State Fair (Since September 20, 2023).
 11. If a "real-time" contest has fewer than two entered contestants, the contest may be changed to allow walk-up entries, with the approval of the KSF Competitive Exhibit Coordinator and sponsor (if the Division is sponsored).
 12. After arrangements of exhibits for prizes, no change will be allowed except on authority from KSF Competitive Exhibit Coordinator.
 13. **Our primary audience consists of family and youth. We reserve the right to reject any entry that may be considered objectionable by that audience.**
 14. Youth Division: Youth exhibitors must be 18 or under as of January 1 of current year. Youths cannot enter in the youth division and again in another division in the same class.
Adult Division: Adult exhibitors must be 18 as of January 1 of the current year.
 15. A brief description of your item when entering on-line (as to color, size or pattern, brand) is appreciated.
 16. For the protection of the exhibitor, claim stubs are encouraged at the time of release for items. If claim stub is lost, you must have a valid photo ID to claim the items.
 17. Each article in a collection or plural exhibit must show the exhibitor's name and class of competition.
 18. All exhibits will receive the best care and protection in their surroundings. The exhibits, at times, are subject to owner's risk and in no event will the Kansas State Fair, KSF staff, or volunteers be responsible for any damage that may occur. Delicately constructed items requiring more than normal careful handling should not be submitted. All exhibits will be displayed at the discretion of the KSF Staff.
 19. The Kansas State Fair reserves the right to cancel any class or placing if the entries are insufficient to secure adequate competition or an award is not merited.
 20. Participants will have no access to their products once they have been received by the Kansas State Fair staff.
 21. **All Division Champions and Reserve Champions will receive a Rosette.**
 22. The Kansas State Fair reserves the right to cancel, eliminate, or change the published premium amounts due to lack of sponsorship.
 23. If, at the Judge's discretion, an entry does not merit a placing, the Judge shall give no award under any circumstances. The rule applies whether there is one or more exhibits in the class. If a tie occurs in any division or class, a judge will determine the winner.
 24. When attending the Kansas State Fair, you enter an area where photography, audio, and video recording may occur. By entering the Fairgrounds, you consent to such recording media and its release to be used for news, telecasts, web casts, promotional purposes, advertising, social media, and websites. You further waive all rights you may have to any claims in connection with publication of these materials, regardless of the purpose or sponsoring of such publication.

HINTS FOR ENTRIES IN FLORICULTURE

- Cut your flowers in the late afternoon the day before they are to be exhibited. Place the flowers immediately in water that has been set out in the garden all day. Some stems seal over immediately after cutting so cut stem under water. Cutting should be done at about 4:00 pm since at that time there is the greatest amount of sugar in the leaves; unless it is extremely hot weather, at which time cutting in the early morning is optimum. Keep flowers in water, in a cool, dark place overnight.
- To arrange, cut stems cleanly at an angle under water with a sharp knife and place in water-filled container. Cut stems as long as possible. All foliage that is below the water line should be removed. Foliage should be clean; any broken or disfigured foliage or petals should be removed, as foliage and stems as well as blooms count in judging. It is better to have more stem and foliage than too little. All stems should be in proportion to the water.
