

Ferris Wheel ABC

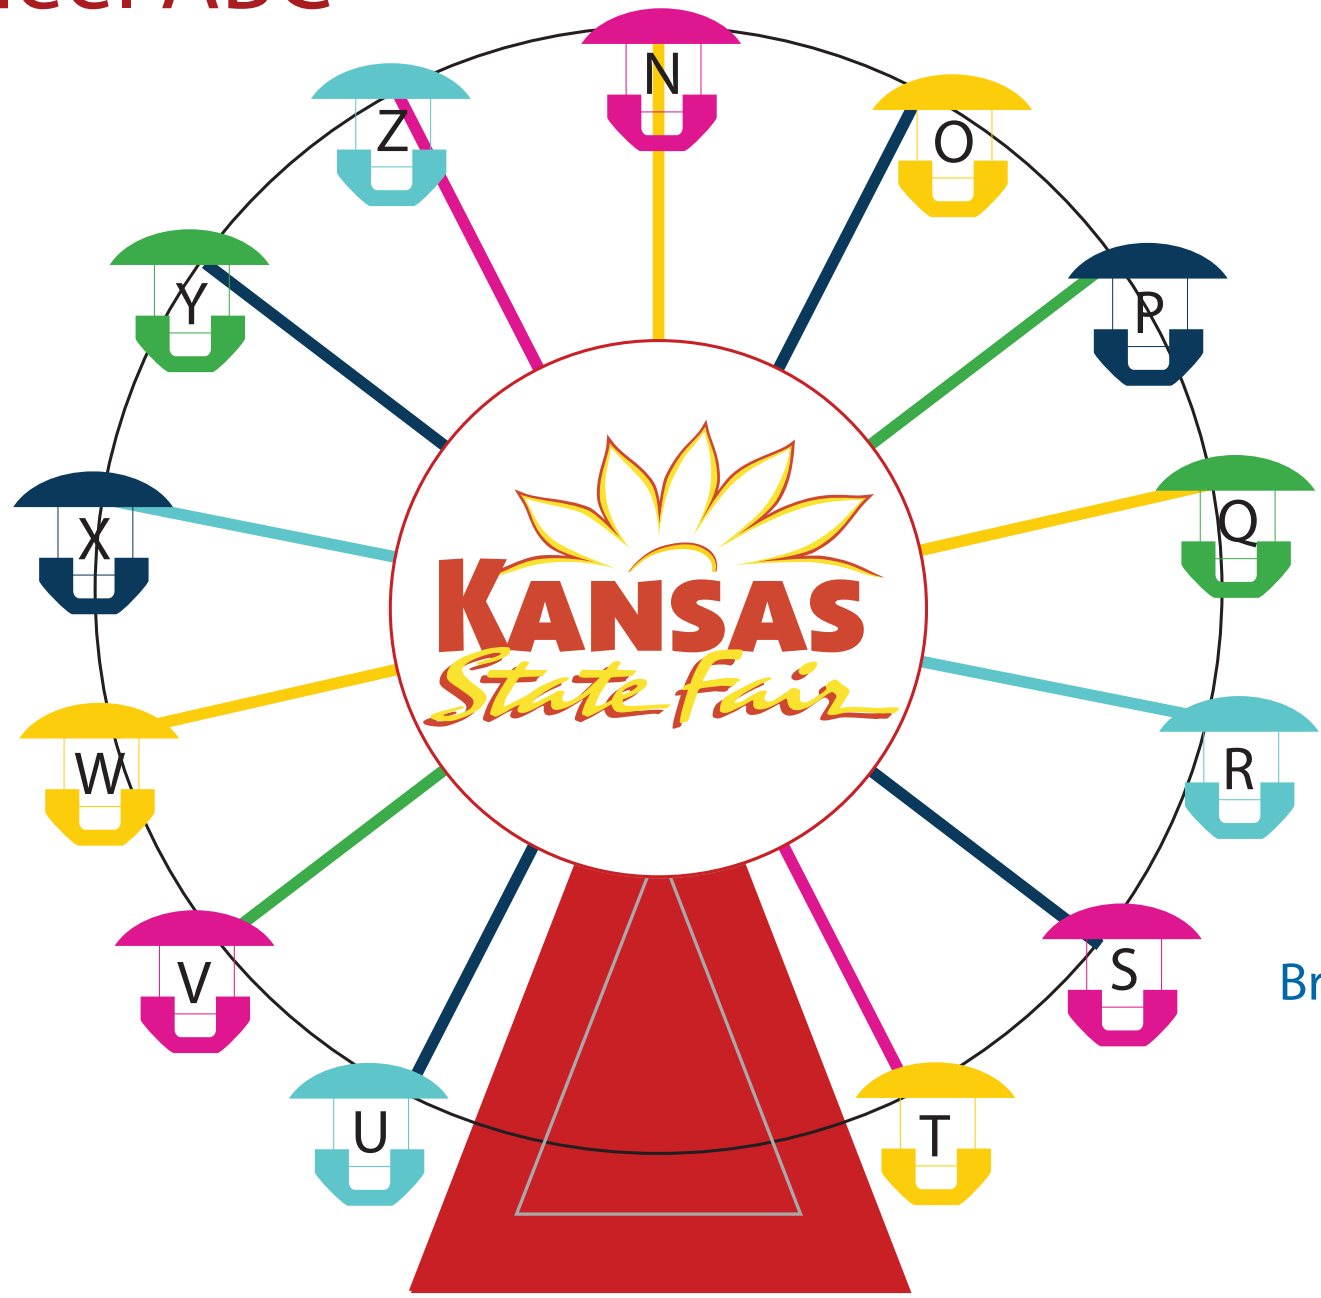

Brought to you by

Look for words around the Fairgrounds that begin with each letter of the alphabet. Record one word for each letter on this Ferris Wheel game card by writing in your word on the spoke of the wheel. You can use words you read on signage, carnival ride names and concession menus, as well as words for the things you see, smell and hear. Be creative. If you get stumped on a letter such as "X", you may use a word that contains an "X". Show this completed game card to the Education Center located in the Oz Gallery Breezeway to receive a prize.
