In classes of "get of sire" and "produce of dam" ownership shall not be required unless specified under department rules. No Exhibitor can enter the same animal in two breed competitions. 13. To have a breed recognized and shown separate from AOB, two separate farms plus ten head are needed to be entered and shown two consecutive years. A request can then be submitted to the show manager or the KSF Competitions Department.
14. If a breed has no more than a single farm or exhibitor entered, it may be moved and shown in the AOB classes.
