

Market Lamb Show

1. Market lambs may be wethers or ewes. Ram lambs or cryptorchids cannot show. All lambs must have their lamb teeth and will be mouthed at check-in.
2. A classifier will be hired for classification and acceptance of all lambs. All market lambs will be classified by breed into the proper breed classes - regardless of the breed designation on entry forms. The decision of the classifier is final.
3. Market lambs must weigh a minimum of ninety pounds (with no top weight limit) in order to show. Lambs will not be allowed to re-weigh once they have checked in. Exhibitors will declare weight for their lamb. Weight cards will be turned in at check in time. Any animal with a declared weight not meeting the minimum weight limit will not be allowed to show.
4. At the time of health check-in, all market lambs must be "slick shorn" with uniform wool length not to exceed .20 inch from the knee and hock joints up before arrival on the grounds, including the head. There will be no shearing of market animals or commercial ewes allowed on any part of the grounds. Touch-up clipping with scissors, hand shears or cordless clippers is allowed. No blocking/trim tables for sheep are permitted anywhere on the grounds. Violation will result in disqualification of animal.
5. No belly wool allowed.
6. No sheep head holders, single show rails or head stalls Blocking alley way.
