3. All animals must be registered as the property of the exhibitor in the records of the American Shorthorn Association by the time of the Fair. American Shorthorn Association staff will accept electronic registration papers at ASA sanctioned shows for check-in.
4. All Shorthorns are subject to a tattoo inspection by representative of the ASA. All Shorthorns are subject to parentage DNA testing by ASA. All Shorthorns are subject to an age inspection if deemed necessary by the ASA and the decision of the examining veterinarian is final. Use of artificial fins on show animals is not permitted.

If verification cannot be produced on request, the female may be allowed to participate, if the exhibitor can produce a qualified veterinarian to examine the female at the show and verify a 60-day pregnancy. Any infractions against this rule will lead to disqualification of that animal for that specific show.
