

Special needs  
children come into  
our lives, leaving  
footprints on our  
hearts, and we are  
never the same!

Some children are created extra special. Sadly, the very thing that makes them so special can also make it difficult for them to experience exciting rodeos, fun filled carnivals and some have not had the opportunity to interact with real farm animals or experience agriculture up close . KC's Kids Round Up has been exclusively designed to encompass all of those things and so much more just for these incredible children. We need your help to make this happen!

Giving back to the Special Needs  
Children in Kendall County

# KC's Kids Round Up

The Kendall County Fair Association with the help of Kendall County 4-H and many volunteers are excited to be hosting the KC's Kids Round Up once again this year! Special Needs Children from across Kendall County will enter the fairgrounds about 9am on Friday prior to our fair opening to the public. They will be met by 4-H Buddies, KCFA Directors, & Volunteers for a fun filled educational day designed just for them. The day includes a one of a kind rodeo experience, a memory mural wall, 4-H petting zoo, carnival rides, games, entertainment and lunch. KC's Kids receive a t-shirt, cowboy hat & bandana plus a cowboy pack to take home with them along with a mile from ear to ear!

## How Can You Help?

### SPONSORSHIP

Our KC's Kids Program would not be possible without our gracious sponsors! We have many costs associated with the KC's Kids activities and of course we always need funding for our scholarship fund!

Our KC's Kids Round Up is the favorite activity for our KC's Kids. Custom T-shirts, cowboy packs, items for the interactive activities, lunches, and entertainment are just a few of the expenses sponsorship money helps with. You can become a sponsor and help us with this incredible program plus in turn you get a tax write off and fantastic advertising exposure for your company! Contact us today to build a custom sponsor package just for you! There is nothing better than the smiles created by this program! They last a lifetime!!

### VOLUNTEER

There is nothing better than spending the day with these kiddos at the KC's Kids Round-Up! We are always looking for volunteers for set up, activity leaders, and support staff. Contact us today to sign up!

We are creating cherished memories for cherished kids one fair at a time!

### ★ Scholarship Opportunity ★

The KCFA KC's Kids Program offers a special needs kid from Kendall County a \$1000

Scholarship to continue their education!
