

DO YOU WANT TO ADD JOY TO A SPECIAL NEEDS CHILD'S DAY?

What do you think of when you smell the popcorn and cotton candy? How about the sound of the rodeo or see the light of the carnival? In Kendall County most of us think about the county fair and the childhood memories we cherish there. It is sad to think of a child in our county not able to create those memories just because of a disability. The Kendall County Fair Association's KC's Kids Program in conjunction with gracious sponsors and heartwarming volunteers make it possible for those children to just be a kid for once and enjoy the fun of the fair! It's not just any fair but one that is designed and orchestrated exclusively for them by the KCFA. Their smiles are infectious. You can be a part of bringing that smile to life.
