On behalf of the Kern County Fair Board of Directors, I would like to take this opportunity to thank you for your continued support of the Kern County Fair Junior Livestock Program. Your involvement plays an important role by rewarding the youth within our community for their hard work and dedication to their projects.

We would like to extend the opportunity for you to donate funds towards the purchase of awards for the Junior Livestock Show. This money will help supply belt buckles, banners, awards and rosettes. With your donation, your name will be included on the Award Sponsor signage for that ring. If you have a specific award you would like to sponsor please let us know so that we can attached your name to that award.

Please complete the bottom portion of this letter and return it to the Administration Office in either the mail or in the drop slot **by September 19, 2022**, retaining a copy for your files so we can accurately recognize your support. Again if there is a specific award that you would like to purchase, please list it below. Once again, thank you for your generous contribution to the Junior Livestock Exhibitors.

Sincerely,
Dawn Stornetta, Livestock Supervisor
