

# HOW CAN YOU SUPPORT LOCAL FAIRGROUNDS?

There is an easy, no cost way to support local fairgrounds and help ensure that the place where you hold your events stays in business. ***Are you willing to help?***

Every day, businesses like yours transact sales on fairgrounds throughout the State of California. You have to report those sales on your state tax return. Did you know that on the California tax return form, there is a space for you to enter the sales specifically made on California fairgrounds?

## HERE IS HOW IT WORKS:

### STEP 1: CALCULATE YOUR SALES ON FAIRGROUNDS

How much of your total sales volume took place on fairgrounds? Not sure if a fairgrounds qualifies? Check the list at <https://www.cdtfa.ca.gov/taxes-and-fees/state-fairgrounds-list.htm>

### STEP 2: REPORT YOUR SALES + SALES ON FAIRGROUNDS

You already report your annual sales on your state tax return. There is another field to report the amount of your sales (in dollars) that took place on all fairgrounds.

### STEP 3: FEEL GREAT FOR SUPPORTING FAIRGROUNDS!

State support for fairgrounds is directly related to the business activity that takes place on them. Reporting your sales helps ensure your fairgrounds will remain in business and in good repair to support your sales events.

**SUPPORT YOUR FAIRGROUNDS SO THEY WILL STILL BE AROUND TO SUPPORT YOUR BUSINESS.**
