THE 2021 KERN COUNTY FAIR IS BACK!

SEPTEMBER 22 – OCTOBER 3

Bakersfield, California – The Kern County Fair announced today that this year's Kern County Fair is back! The 2021 Kern County Fair will take place Wednesday, September 22 – Sunday, October 3. This year's theme "The Fun Starts Here" perfectly celebrates the start to getting back to our annual traditions and fun. Kern County Fair officials have been actively working with the County of Kern, Kern County Public Health, and California Department of Food and Agriculture as planning continues throughout the coming months.

"The Board, fair staff, and I are thrilled to once again be planning the 2021 Kern County Fair for our community," said Michael Olcott, CEO of the Kern County Fair. "Like other fairs and venues that have safely reopened throughout California and around the country, we are developing best practices and safety guidelines that align with the CDC and CDPH."

This year the Kern County Fair will be closed Monday, September 27 and Tuesday, September 28 to allow for sanitation and health and safety protocols.

"I would like to thank the County's Board of Supervisors and the County Administrative Officer for all the support they have given the Fair over the past 12 months" said Michael Olcott, CEO of the Kern County Fair. "We look forward to working with the County of Kern so that free testing and vaccinations are available to fairgoers."

The Fair is looking forward to bringing back all your favorites including the carnival, fair food, 4H and FFA competitions, FREE entertainment, and much more. Additional details surrounding the 2021 Kern County Fair and its health and safety guidelines will be shared over the coming months.

The Fun Starts Here, at the 2021 Kern County Fair September 22 – October 3.
