## TRAFFIC AND ENTRY TIPS FOR KC FAIR VISITORS: PLAN AHEAD FOR A SMOOTH WEEKEND EXPERIENCE

**Bakersfield, California** – With large crowds anticipated throughout the weekend at the 2024 Kern County Fair, fairgoers are encouraged to plan ahead to make their visit as enjoyable and seamless as possible. To help reduce wait times and ease the flow of traffic, we are offering several key recommendations.

### **Buy Tickets in Advance**

Avoid waiting in line by purchasing your tickets ahead of time. Tickets are available for purchase at any Sully's locations or online at [kerncountyfair.com](http://kerncountyfair.com). Advance ticket purchases will help expedite your entrance and reduce congestion at the gates.

### **Arrive Early and Be Prepared for Security**

To ensure everyone's safety, security screenings will be in place at all entrances. Guests are strongly encouraged to arrive early and allow extra time to go through security checks. For quicker entry, there will be a separate line for those without purses or bags. To expedite your experience, we recommend leaving unnecessary items at home.

### **Multiple Entrances Available**

Fairgoers should be aware that there are three public entrances to the Kern County Fair:

- **Main Entrance on P Street**
- **Union Avenue Entrance**
- **Belle Terrace Entrance**

Knowing your entry options can help reduce traffic congestion and wait times.

**Traffic and Parking**

Please be mindful of traffic around the fairgrounds, particularly during peak times. We encourage carpooling or using rideshare services to help alleviate parking challenges.

The Kern County Fair is committed to providing an enjoyable experience for all visitors, and by following these simple tips, guests can help ensure a smoother entry process. We appreciate your cooperation and look forward to seeing you out for our final weekend!
