G. SMALL BUSINESS PREFERENCE (APPLIES ONLY IF FAIR IS A DISTRICT AGRICULTURAL ASSOCIATION)

State law allows certified small business (SB) and micro business (MB) firms and non-small businesses who subcontract with a certified SB/MB firm(s) to receive a 5% bidding preference on applicable state solicitations. The effect of the preference is to help SB/MB's to be more competitive in the bid process, thereby enhancing state contract awards directly or indirectly to SB/MB. The preference is only used for computation purposes to determine the winning bidder, the actual bid amount.

If you are claiming the 5% small business preference and are SB or MB, or if your application is on file with Office of Small Business and DVBE Services (OSDS), or if you are claiming preference as a non-small business subcontracting with certified SB/MB (s), see PART VII of the RFP for instructions regarding what to submit with your proposal in order to receive the preference.

Certification Application

To apply, access DGS online Small Business Certification Application (STD.813), or to receive your hard-copy form by mail, e-mail osdchel@dgs.ca.gov or call (800) 559-5529 or (916) 375-4940.

Your complete certification application package must be received by the OSDS no later than 5:00p.m. of the bid due date. Your certification effective date will be the date the application is properly received and deemed complete by the OSDS. Incomplete application submittals will delay your certification status and may result in the loss of your 5% preference eligibility. For more information, e-mail osdchelp@dgs.ca.gov or call (916) 375-4940.

You may mail, hand-deliver or express-mail your package to:

Modification by the Association, if any, will be made in writing by way of an addenda issued pursuant to section 2, below.

Clarification, by the Association, if issued, will be given by written notice to all parties to whom the Association had sent notice of the RFP and to person or entities who have requested to be given notice of any modification or notices.

2. Addenda

If necessary, the Association will modify the RFP prior to the date set for submission of final proposals, by issuance of the RFP for bidding purposes.

All bidders should inquire from the contact person listed on the cover sheet whether any addenda have been issued prior to submitting a proposal in response to the RFP.

3. Definitions

The use of “**shall**”, “**must**” or “**will**” indicates a **mandatory** requirement or condition in the RFP. Failure to include such mandatory requirements or conditions will result in the disqualification of the proposal.

The words “**should**” or “**may**”, indicate a desirable attribute or condition, but are permissive in nature and may affect the score the proposal receives.

4. Grounds for Rejection of the Proposal

A proposal **shall** be rejected if:

- It is received at any time after the exact time and date set for receipt of bids as stated in Part II
- The firm has submitted multiple bids in response to this RFP without formally withdrawing other bids.

A proposal **may** be rejected if:

- It is not prepared in accordance with the required format or information is not submitted in the format required by this RFP.
- It contains false or misleading statements or references, which do not support attributes or conditions, contended by the bidder. (The proposal shall be rejected if, in the opinion of the fair, such information was intended to mislead the fair in its evaluation of the proposal and the attribute, condition or capability of requirement of this RFP).
- It is unsigned.

5. Right to Reject Any or all proposals

It is the policy of the Association not to solicit proposals unless there is a bona fide intention to award a contract. However, the Association reserves the right to reject any of all proposals or to cancel the RFP at any time during the process

6. Protest

A bidder may file a protest against the awarding of the contract.

If the Fair is a District Agricultural Association. The protest must be filed with the Association and with DGS at:

707 Third Street, 2nd Floor
West Sacramento, CA 95605

Please Note: *Failure to file (i) notice of protest by the conclusion of the fifth working day after notice of intention to award a contract has been posted and (ii) a complete detailed written statement within five (5) calendar days of filing the protest stating grounds for protest will result in the protester's protest being deemed untimely and grounds for protest waived. Protest shall be limited to the grounds contained in Public Contract Code, Section 10345.*

B. OTHER INFORMATION

1. Disposition of Proposals

All materials submitted in response to this RFP will become the property of the Association. All proposals, evaluations, and scoring sheets shall be available for public inspection at the conclusion of the

committee scoring process and announcement of intent to award. If an individual requests copies of these documents, the Association will assess a fee to cover duplicating costs. Documents may be returned only at the Association's option and at the bidder's expense. One copy of each bidder's proposal shall be retained for official fair files.

2. Confidentiality of Proposals

The Association will hold the contents of all proposals in confidence until issuance of the Notice of the Proposed Award; once issued and posted, no proposal will be treated as confidential. However, if a bidder maintains that certain information is proprietary, all proprietary or other legally protected material must be identified at the time of submitting the proposal to retain the claim of confidentiality. Bidder acknowledges that all materials submitted in response to the RFP, including proprietary materials, are subject to the California Public Records Act.

The materials may be used by the Association to justify the awarding or not awarding of a contract if a protest is filed. The Association will not be liable for inadvertently releasing confidential materials although the Association will use the best efforts to prevent the release of said materials.

3. Modification or Withdrawal of Proposals

Any proposal, which is received by the Association before the time and date set for receipt of proposals, may be withdrawn, or modified by written request of the bidder. However, in order to be considered, the modified proposals **must** be received by the time and date set for receipt of proposals in Part II.

A bidder cannot withdraw or modify a proposal after the due date and time for receipt of proposals and, further, a bid cannot be "timed" to expire on a specific date. For example, a statement similar to "This proposal and the cost estimate are valid for 60 days" is non-responsive to the RFP, and shall on that basis be rejected.
