

Animal Vet-Check and Load-In

1

Enter North Parking Lot

There will likely be a short line. Please follow signs and volunteers to stage in the gravel parking lot.

2

As you approach the Vet check area...

Near gate 2, you will be asked if you are showing 4-H, FFA, KC Jr. Livestock Show, or KC Dairy Show. You will receive your stall card at this location.

3

Remember to take your Stall Card

Proceed to Gate 1. You will need to show your Stall Card to proceed.

4

LARGE Livestock that needs to be weighed (Steers, Hogs, Goats, Sheep)

Follow Red Arrows →

You will be directed and STOP on the backside of the barn. The scale is located inside the barn at the last door on the east side of barn (near dumpsters).

If you have LARGE livestock that does not need weighing, proceed around the front side of the barn and walk your project into the barn from the front. →

Follow Green Arrows

5

SMALL animals that need to be weighed (rabbits & poultry)

Follow Red Arrows →

You will proceed around the arena to unload at Arena C where a small animal scale will be set up. Once animals are weighed, please move cars to a parking lot (off grounds).

6

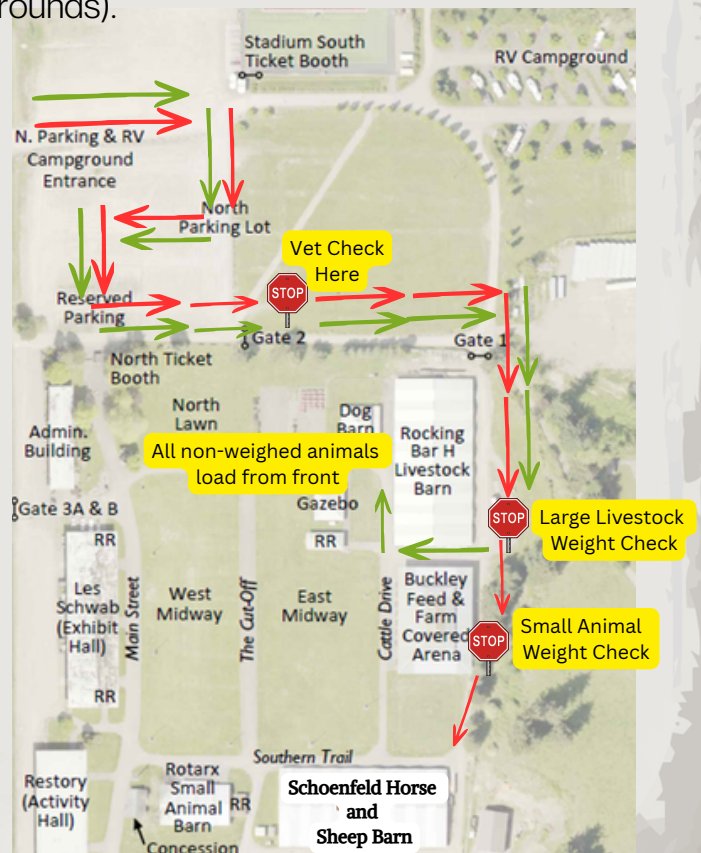

All Non-Market animals

Follow green arrows to front of barn to unload. →

Follow Green Arrows

7

EXITING
depending on your drop-off location,
will depend on the best exit.
Please follow signs after you unload.
