8. Judging

- Poultry and exhibits are judged on a Danish system based upon established standards of quality for each type of entry. Each exhibit is judged according to how well it meets the standard.
- All standard bred poultry will be judged by comparison to the latest edition Standard of Perfection. All commercial utility fowl (classes 12-13) will be judged on condition and suitability to utility. Please be sure to enter birds accordingly and have numbered leg bands on all birds. Websites for more information and how to purchase standards: APA is www.amerpoultryassn.com ABA is www.bantamclub.com.

- A **modified Danish system** is then used to determine best of class awards (Champion) for the poultry and exhibits judged Blue place. Best of division (Grand Champion) winners are judged against each other to select the Best in Show winner.
- The judge may not award a champion ribbon if the exhibit does not merit the placing.
- Exhibits that contain incorrect information may be judged, but not displayed at the discretion of the Superintendent.
- All 4-H members are eligible for participation at the Washington Junior Poultry Exposition at the Western WA State Fair in Puyallup September & April of each year. Exhibitor information available at www.thefair.com.

Poster tips: Posters may be educational based on your club project or another 4-H project (you can submit up to 4 entries from different categories) or posters may be promotional, highlighting your favorite aspect of 4-H or what you think 4-H has to offer.

The 4-H Tip Sheet includes practical recommendations to help create effective paper or digital posters. To get started:

- Choose your topic.
- Do your research.
- Sketch out your ideas—Have Fun with this! Do your best to do it yourself and not have parents or siblings “help”.
- Design your poster or display—get creative and have fun with the digital process.
- Choose color or colors.
- Make sure to use correct spelling, grammar, and punctuation.
- Choose your pictures, photos, clipart, graphs, or drawings (NO copyright material unless you have permission from the source).
- Remember to cite your sources (include the full URL).
- Entries will be judged against the standard as defined on the scorecard, not in competition with other posters.
- Be entered by the date specified above
- Have properly completed the Still Life Entry Tag securely attached to the lower left corner of poster.
- Top of the entry tag should be taped to the back of poster with tag information facing forward below the poster.
- Meet all requirements on the Scorecard.
- Be legible from a distance of 10 feet.
- Do not use copyrighted or brand names in your poster entries.
- Educate the public and be self-explanatory (Examples: "Don't feed your dog chocolate" could say "Chocolate can be toxic to" or "Eat fruits and vegetables" could say "Eating fruits and vegetables helps build strong, healthy bodies").
- For promotional 4-H posters, do not need to list citations.
