Step 1: ALL Animals stop at Vet Check 

Step 2: Show pen/cage card at Gate 1 to enter grounds.

Step 3: Small animals pull around front side of barn for weight check. Unload and remove vehicle off grounds.

Step 4: Large Animals stop to weigh in at scale, then walk animal inside. Pull around to quickly unload, **return to parking lot.**

**** A Few Reminders ****

- 1) Small animal load-in only until 4:00PM (this does not include 4-H or FFA Rabbits)
- 2) Large animal scale will not open until 4:00PM. See the above load-in schedule based on animal species.
- 3) No animal will be allowed thru gate 1 without a signed vet check stall/cage card. You will be asked to return to parking lot without one.
- 4) QUICKLY unload after weigh-ins and park vehicle outside the grounds in parking lot. You may return thru gate 1 as a walk-thru gate. **Vehicles may NOT stay parked on the grounds to set up pens and stalls.**
