2023 Art & Craft Policies & Procedures

DESCRIPTION

The King William Fair is a one-day event to be held on Saturday, April 29, 2023, from 9 AM - 6 PM. The first Fair was held in 1968 and today approximately 30,000 visitors attend on the final Saturday of the 11 days of “Fiesta” – San Antonio's biggest and most well-known festival. This event consists of 200+ Art and Craft exhibitors, live music and dance performances on five stages, food and beverage booths, a Kid’s Kingdom play area, and a quirky parade. Set on the streets of the historic King William District of San Antonio among the beauty of its stately homes and gracious gardens, the King William Fair has long garnished the reputation of San Antonio's “Best Family Friendly Fiesta Event” with the “Quirkiest Parade.”

Proceeds from the King William Fair have supported the libraries and art instruction programs in neighborhood schools, college scholarships for inner city students, and the revitalization and preservation efforts in the King William Historic District.

IF ACCEPTED

- Once you receive your invitation to be an Art & Craft vendor, we urge you to accept the Fair invitation and purchase your booth space as soon as possible.
- Your location is based on **FIRST COME, FIRST SERVED** and is determined by the timeliness of your purchase.
- You are allowed to choose your location by **STREET NAME AND BLOCK NUMBER ONLY** (i.e. King William Street 100 block). **CAREFULLY SELECT YOUR STREET NAME AND BLOCK NUMBER** as there will be multiple options for selecting a location. Once all of the booth space locations are purchased on a particular block you will no longer be able to purchase space on that block and you will need to select another block.
- For returning artists, we are unable to guarantee same location placement from year to year. However, if you secure the Street and Block number you desire, please note your preferred past booth number and we will do our best to accommodate your request.
- If you require electricity, please note that the only Art & Craft block with electricity is the Madison 300 block.
