## KITTITAS COUNTY 4-H ENDOWMENT SALE ANIMAL

*Sale Order: #1 Lamb Tag ID: #71 Show Weight: 117 lbs.*

This animal was donated to the Kittitas County 4-H Endowment Trust Fund by McKenzie Basterrechea. It was also raised and shown by McKenzie. The feed was donated by Old Mill Country Store. This year marks the thirty-third year an animal has been donated to the Trust Fund and auctioned at the Kittitas County Fair. As provided for in the Trust Fund by-laws, all proceeds from the sale of this animal are deposited as principal in the Endowment Fund. Only the investment income from the Fund's investments is used to finance the county 4-H program. By purchasing this animal, the buyer can be assured that he/she is helping to fund a quality 4-H program for all youth in Kittitas County, now and in the future.

## NEW TO THE SALE – MINI BEEF!

The Miniature Hereford has been developed over the last 30 years by selective breeding of stock that was originally imported to the US from England in the early 19th Century. The only difference between a Hereford and a Miniature Hereford is the height, the Miniature has the same body profile in terms of proportion to a full-sized Hereford. Dressing percentage is the same as a standard breed beef animal.

*Thank you to the following sponsors that have generously contributed to offsetting sale operating costs that support the hardworking 4-H and FFA kids!*
