The hauler shall be responsible only for the actual transportation of the animals. The Hauler, its employees and agents are not liable for injuries or death occurring to animals while said employees or agents assist in the loading or unloading of said animals or at any time during the hauling process. Owner and/or the individual receiving said animals shall indemnify the Hauler and its agents for damages to equipment and for injury or death to animals resulting from negligence or willful misconduct on the part of the Owner, the individual receiving such animals or their agents. Furthermore, if hauler's agents or employees at the request of an Owner or the one receiving said animals assist in the loading or unloading of animals said Owner and/or the individual receiving said animals shall indemnify the Hauler for damages to equipment and injuries or death to the animals of said Owner and/or receiver requesting unloading or loading assistance and also to the animals of any other Owner or receiver occurring in connection therewith.
