Animal Welfare Policy

Livestock fitting and showing, rodeos, and other events involving animals are traditional hallmarks of the Klickitat County Fair. Hundreds of 4-H and FFA members and adults participate each year in competitions involving cattle, horses, swine, sheep, goats, chickens, ducks, geese, rabbits, dogs, and other animals. For many years community minded citizens and businesses have contributed to the future of young people by purchasing animals through the 4-H/FFA Livestock Auction. This auction has assisted with many college educations and has provided a sense of accomplishment for thousands of young people. Livestock exhibits and “petting zoos” have provided the public a better understanding of numerous species of animals. For many small children

this close-up view and contact with animals is the highlight of their visit to the fair. The traditional and professionally performed rodeo rates as one of the Fair’s most popular spectator events. In recognition of the importance of animals to the Klickitat County Fair, it shall be the policy of all members and participants in Fair events to treat all animals exhibited or involved with these events in a humane manner. Animals shall be provided clean bedding, adequate food and water, and protection from harm. It is the policy of the Fair Board members and event organizers to protect animals from mistreatment by the public and to assure the safety of Fair patrons. All persons in charge of Fair activities shall be made aware of this policy.

Herdsmanship Rules

PLEASE NOTE REASONS FOR CHANGES IN 2023

- There are less clubs/chapters than in the past
- Increasing the focus on how entire barn area appears to public i.e. stalls, pens, alleys, wash racks, fitting areas, and show rings
- Encouraging a friendly competition amongst all species in livestock barns

AWARDS

1. Two banners to display in the barns for the winning species from the previous day
2. Ice cream cones for everyone (livestock, horse, small animals) on Sunday at the “Awards/Closing Ceremonies”. **Sponsored with \$250 from Klickitat County 4-H Leaders Council.** This occurs while loading out market stock sale animals; then everyone returns to their respective barns, removes decorations, loads home bound animals, and departs.

HOW IT WORKS

1. Superintendents set up a schedule for each Species area.
2. Divide the number of exhibitors by the time slots you have to fill. Superintendents will have an Intermediate or Senior member with a Junior at all slots.
3. At time specified by the superintendent, all the kids draw a number out of a hat and then, in order of the draw, write their names in the slot they want. They will draw for Thursday, Friday, Saturday, & Sunday at this time.
4. Kids who are showing more than one species or are involved in high school sports practice (Thursday & Friday only for sports) will have first choice before the draw.
5. One adult will also be assigned to each slot, be it Leader or Parent.
6. Superintendents will have a list of required duties while on Herdsmanship, so the “common areas” are also taken care of; this has been a problem when doing it by club/chapter.

Showmanship Rules

1. All Exhibitors (Open, FFA, and 4-H) must enter Showmanship class for each species of animal being entered in a type or performance class.
2. All Showmanship Divisions are based on the age of the Exhibitor as of October 1 of the previous fair year.
3. All animals used for Showmanship must be owned or leased by Exhibitor and entered in a type (Performance, Games, Obedience, Open, Market, Or Breeding Stock) competition
4. All Exhibitors are required to show their own market animal in Showmanship Class to be eligible for Market Stock Sale.
5. As the emphasis is on the Exhibitor, not the animal, premium points are the same regardless of type, size, or value of animal involved. Premium points: Blue 50, Red 35, and White 25.
6. Grand Champion and Reserve Champion are chosen for each lot: Peeweesees, Cloverbuds (if applicable), First Year Junior Showman, Junior, Intermediate, and Senior. Premiums paid: Grand Champion \$10 and Reserve Champion \$8.

Livestock Awards

4-H SPIRIT ANIMAL HUSBANDRY AWARD

Given to 4-H member who best demonstrates 4-H spirit of caring for animals. Extension staff to select winner. Presented at 4-H Achievement Day.

KLICKITAT COUNTY LIVESTOCK GROWERS ASSOCIATION AWARD

- The species superintendent is responsible for providing the number of animals needed.
- Appropriate equipment for showing the animals is provided, too. All-Around Showmanship Supt is responsible for advising species superintendent how many extra animals are needed.

Species superintendent and judge shall let that species winner show his/her own animal.
- An individual can win All-Around Showmanship Contest from an animal species once/age group. An individual can win All-Around Showmanship Contest in the same age group using different species.
