Providing Physical and Spiritual Relief at the North Idaho State Fair

Tables & Benches for PLACEMENT

WHERE DO THEY GO?
Benches and Tables are placed in one of four zones. You select the color of the bench, and that determines placement each year. They are placed prior to the State Fair and the location can be found at the information booth during the fair.

PERSONALIZATION

Benches can be personalized in two places: with a 14-character message on the backrest, and one tamper-proof plaque that is attached to the backrest. We invite business names or logos to be included on the plaque. However, text on the backrest may not include business names or advocacy messages.

Tables can be personalized in three places. All text faces the same direction. Please see form below for character limits and layout. You may also personalize the table with a tamper-proof plaque. We invite business names or logos to be included on the plaque. However, text on the table may not include business names or advocacy messages.

The North Idaho Fair and Rodeo Foundation reserves the right to edit or reject submissions. To ensure accuracy, a certificate will be mailed for confirmation.

Dear Friend of the North Idaho State Fair,

Recognition benches and tables are a fantastic way to honor loved ones or memories on the fairgrounds! This program adds seating to the fairgrounds, supports the nonprofit mission of the Foundation, and is a great way to pay tribute to someone special. Benches and tables are made of PVC-coated steel and are 8' long.

The mission of the North Idaho Fair & Rodeo Foundation, a 501(c)(3) nonprofit organization, is to provide, through various fundraising and endowment activities for capital improvements at the Kootenai County Fairgrounds and educational opportunities for area youth.

The North Idaho Fair & Rodeo Foundation, enables individuals, businesses, families, and friends of the Fair to play a vital role in the future of the North Idaho Fair & Rodeo and the Kootenai County Fairgrounds by supporting programs and facilities through gifts like donations, annual pledges, or estate planning.

Many are surprised to learn that the North Idaho Fair & Rodeo and the Kootenai County Fairgrounds receives only \$0.45 tax per hundred thousand dollars of assessed value (as of Jan 2021). A \$300,000 house would be taxed at approximately \$1.35 per year. This means that along with grants from private foundations, facilitating support is critical to financing youth opportunities, and major fairground improvements, which would not otherwise be possible, including:

- Capital Improvements for: 83 Acres and 27 Buildings**
- \$104,000 in scholarships over 10 years!**
- Donated \$135,968 to Kootenai Health Foundation Cancer Patient Support Fund since 2012!**
- Educational opportunities for area youth. Farm to Table, 1700 Students Hands on Experience**
- Over a \$150,000 plus Endowment fund established!**
