We hope this newsletter finds all of our supporters and friends enjoying the many blessings of the holiday season.

As we get ready to close out 2014, we are reminded over and over how incredibly lucky we are to have such tremendous support from

our community. It is because of contributions from businesses and individuals that we've been able to help the fairgrounds grow and

New Grand Entryway Dedicated

The opening day of the North Idaho Fair & Rodeo was made even more special this year with the dedication of a new grand entryway and plaza at the Kootenai County Fairgrounds. Governor Butch Otter, alongside the three county commissioners and the fair board, celebrated the installation in tribute to the county's sesquicentennial 150 year anniversary. The entryway features three new ticket booths, a cedar archway, fountains and plaza with artwork

highlighting the four main industries that created our area: mining, timber, tourism and agriculture.

The Fair Foundation was one of the key supporters of this project and contributed \$20,000 towards making it happen. Other major sponsors include Idaho Forest Group, ACI Northwest and Kootenai/Shoshone Farm Bureau (among others).

develop as the community's gathering place. So many people have come forward to not only support what we do, but share their nostalgic connection and memories of the fair and other events that have happened here over the years. The fairgrounds is a special place for so many people and it is our goal to make sure it is around and thriving for future generations to also enjoy. We thank you for your role in helping fulfill that vision. May 2015 be even greater than each year that has passed.
