

Lake County Fair
Worker/Volunteer Application
Minimum 16 years old

Thank you for considering Lake County Fair as a place to spend your time and give your talents. Volunteers are vital to Lake County Fair's success. Without them, we wouldn't be able to put on the same family-oriented event each year!

At Lake County Fair, we know your time and talents are valuable so we ask you to fill out this form thoroughly so we can use your time and talents wisely. This form will assist us in making the right match for you based on your skills and interests.

Below, there is a request for a local background check. The Lake County Sheriff's Department will conduct a local background check on each worker or volunteer of The Lake County Fair. This will be done at the Lake County Fairgrounds before and during the Lake County Fair. Unfortunately, we have not been able to allow some individuals to work or volunteer with us. Lake County Fair reserves the right to conduct background and reference checks on all workers and volunteers so we can best protect our children and other vulnerable parties we serve at the Lake County Fair.

Thank you for your cooperation in this effort and your interest in the Lake County Fair.
