Be part of **growing community self-reliance** in our local food system and increasing sustainable gardening, gleaning, farming and foraging in the Palouse-Clearwater region.

Listen to Ignite! presentations, participate in community round tables, enjoy local food tastings, and help create a vision and actionable steps for growing our local food system! Round table sessions will focus on your next steps for increasing sustainable food production and food access on the Palouse.

General registration \$25. Students \$15. Scholarships available!
