Questions: Contact Karen 883-2241 or
krichel@uidaho.edu

In preparation and anticipation of America Saves Week (February 24th – 29th), Latah Credit Union and University of Idaho Extension are teaming up again to bring you the 2nd Annual Piggy Bank Contest. To get your piggy bank ready for the contest, we are bringing you the “Making Your Piggy Pretty” workshop.

Drop in, come at the beginning, stay the whole time, whatever works for you. We have ribbon, glue, tape, stickers, jewels, paint, scissors, etc. to dress up your piggy and make it shine... just in time to enter it into the 2nd Annual Piggy Bank Contest at the end of February. And you want to enter. There are awesome prizes for the winners in several categories. Adults, kids, big kids, adults that act like kids, everyone is invited to participate in the Piggy Bank Contest...but you have to make your piggy first.

Bring your base piggy bank structure to the fairgrounds. We have ideas to help you create. Bring toilet paper rolls, chip cans, jars, actual piggy banks, anything paintable, moldable, change collectible (the piggy banks need a coin slot to enter the contest). We will help you create. And for the first 25 through the door, you will receive a free paintable piggy... the catch... you have to enter the contest with your free decked out diva.

Come join the fun, make new friends... and make a prize winning piggy bank!
