OPEN MEETINGS PROCEDURES

WHEREAS, Section 10-15-1(B) of the Open Meetings Act (NMSA 1978) states that, except as may be otherwise provided in the Constitution or the provisions of the Open Meetings Act, all meetings of a quorum of members of any board, council, commission or other policy making body of any state or local public agency held for the purpose of formulating public policy, discussing public business or for the purpose of taking any action within the authority of or the delegated authority of such body, are declared to be public meetings open to the public at all times; and

WHEREAS, any meetings subject to the Open Meetings and held for the purpose of formulating public policy, discussing public business or for the purpose of taking any action within the authority of or the delegated authority of the Board of County Commissioners of Lea County (hereinafter "County Commission") shall be held only after reasonable notice to the public; and

WHEREAS, the Open Meetings Act, NMSA 1978, Section 10-15-1(D), requires the County Commission to determine annually what constitutes reasonable notice of its public meetings; and

WHEREAS, NMSA 1978, Section 4-38-12, allows the County Commission to establish rules and regulations to govern the transaction of county business in these meetings.

NOW, THEREFORE, BE IT RESOLVED that:

Within ten days of taking action on an emergency matter, the County Commission shall report to the Attorney General's office the action taken and the circumstances creating the emergency; provided that the requirement to report to the Attorney General is waived upon the declaration of a state or national emergency.
5. For the purposes of regular meetings described in paragraph two of this resolution, as well as special meetings and work sessions described in paragraph three of this resolution, notice requirements are met if notice of the date, time, place and agenda or information on how the public may obtain a copy of such an agenda is posted on the Lea County website and provided to all broadcast stations licensed by the Federal Communications Commission and newspapers of general circulation that have provided a written request for such notice.

8. The County Commission may close a meeting to the public only if the subject matter of such discussion or action is exempted from the open meeting requirements under the Open Meetings Act, Section 10-15-1(H) NMSA 1978 Comp.
 - A. If any meeting is closed during an open meeting, such closure shall be approved by a majority vote of a quorum of the County Commission taken during the open meeting. The authority for the closure and the subjects to be discussed shall be stated in the motion for closure and the vote on closure of each individual member shall be recorded in the minutes. Only those subjects specified in the motion may be discussed in a closed meeting.

- B. If a closed meeting is conducted when the County Commission is not in an open meeting, the closed meeting shall not be held until public notice, appropriate under the circumstances, stating the specific provision of law authorizing the closed meeting and the subjects to be discussed with reasonable specificity, is given to the members and to the general public.
 - C. (8) divide any precincts as necessary to meet legal and constitutional requirements for redistricting.

B. Polling places, consolidated precincts and mail ballot election precinct designations established in the resolution adopted pursuant to Subsection A of this section for primary and general elections shall be the same used for any special election for the office of United States representative held in the two succeeding calendar years following adoption of the resolution.

C. The county clerk shall notify the secretary of state in writing of any proposed changes in precincts or the designation of polling places made by the board of county commissioners and shall furnish a copy of the map showing the current geographical boundaries, designation and word description of each new polling place and each new or changed precinct.

History: 1953 Comp., § 3-3-2, enacted by Laws 1969, ch. 240, § 51; 1975, ch. 255, § 28; 1977, ch. 64, § 2; 1979, ch. 105, § 1; 1984 (1st S.S.), ch. 3, § 2; 1989, ch. 392, § 4; 1991 (1st S.S.), ch. 6, § 2; 1995, ch. 126, § 2; 2009, ch. 251, § 3; 2009, ch. 274, § 2; 2011, ch. 131, § 2; 2018, ch. 79, § 3.

1-3-4. Consolidation of precincts.

A. Precincts may be consolidated by the board of county commissioners for the following elections:

- (1) primary and general elections; and
- (2) local elections.

B. When precincts are consolidated for a primary and general election or a regular local election, the resolution required by Section [1-3-2](#) NMSA 1978, in addition to the other matters required by law, shall state therein which precincts have been consolidated and the designation of the polling place. In addition, when consolidating precincts:

(2) each consolidated precinct in a primary or general election shall be composed of no more than ten precincts;

(8) be in a location that is accessible and compliant with the requirements of the federal Americans with Disabilities Act of 1990.

D. As a prerequisite to consolidation, the authorizing resolution must find that consolidation will make voting more convenient and accessible to voters of the consolidated precinct and will not result in delays for voters in the voting process and that the consolidated precinct voting location will be centrally located within the consolidated precinct.

1-3-7. Polling places.

A. No less than one polling place shall be provided for each precinct that is not a mail ballot election precinct; provided that in a local election, a precinct that lies partly within and partly without a district may be located in a single polling place and use a single precinct board.

B. The board of county commissioners shall designate as the polling place or places, as the case may be, in each precinct, other than a mail ballot election precinct, the most convenient and suitable public building or public school building in the precinct that can be obtained.

C. If no public building or public school building is available, the board of county commissioners shall provide some other suitable place, which shall be the most convenient and appropriate place obtainable in the precinct, considering the purpose for which it is to be used pursuant to the Election Code.

D. If, in a precinct that is not a mail ballot election precinct or a consolidated precinct, there is no public building or public school building available in the precinct, and there is no other suitable place obtainable in the precinct, the board of county commissioners may designate as a polling place for the precinct the most convenient and suitable building or public school building nearest to that precinct that can be obtained. No polling place shall be designated outside the boundary of the precinct as provided in this subsection until such designated polling place is approved by written order of the district court of the county in which the precinct is located.

E. Upon application of the board of county commissioners, the governing board of any school district shall permit the use of any school building or a part thereof for registration purposes and the conduct of any election; provided that the building or the part used for the election complies with the standards set out in the federal Voting Accessibility for the Elderly and Handicapped Act.

F. Public schools may be closed for elections at the discretion of local school boards.

No discussion.

Trey Kerby made motion to approve minutes from the June 16, 2020 special meeting. Marcy Butts seconded the motion; motion carried unanimously.

- Public Comments

County Attorney John Caldwell stated he would offer an explanation as to why commission voted the way they did. Current health order prohibits the event to go on as planned; members (commission) could be penalized for going against the public health order. Legally the board did what they had to do in order to avoid any jail time, legal fees, removal from office. The Fair Board could also be affected by the actions as well, and suffer the same consequences since members are appointed by the commission.

No further public comments.

- Fair & Rodeo Board Member Comments

No comments.

ITEM 02: ACTION ITEMS

- Consideration of Approval of option to renew Entertainment Booking Agency (Linda Brown & Associates - \$45,000)

Chairman Larry Wheeler stated everything is ready to get started moving forward for 2021. First off, the board needs to renew or not renew contract for promoter Linda Brown. Board Member Tyson Pierce asked how is Linda doing in negotiations, and are we getting the best bang for our buck? Chairman Wheeler stated he has worked closely with Linda the past few years and is confident that she has done a good job; overall, better communication needs to be done in order to keep everyone up to date with the latest information.

Kris Allen made motion to approve Linda Brown & Associates as the 2021 Entertainment Booking Agency. Trey Kerby seconded the motion; motion carried unanimously.

- Consideration of Approval of option to renew Sound & Production Company (Epicenter Productions - \$156,000)

District 1: Vice Chairman Trey Kerby & Chairman Larry Wheeler ~ **District 2:** Kris Allen & Rick Schaap

District 3: Terry Criswell & Brian Pointer ~ **District 4:** Vivian Flemens & Tyson Pierce ~ **District 5:** Pat Sims & Marcy Butts

Chairman Wheeler stated their set up last year was incredible. GM Kemp stated there were absolutely no problems. Zach and George are the best that he has worked with and were self-maintained. Kemp also stated he spoke to a lot of people during the week that expressed positive difference in lighting and sound.

Trey Kerby made motion to approve Epicenter Productions as the 2021 Sound & Production Company. Brian Pointer seconded the motion; motion carried unanimously.

- **Consideration of Approval of the Entertainment Artists' Contracts for 2020 to be forwarded to 2021**

Chairman Wheeler stated he visited with Linda regarding the entertainment lineup; Linda has spoken to all artists' agencies other than Hispanic Heritage. GM Kemp stated she has made arrangements to book them for 2021 at the same rate with the exception of the Hispanic Heritage. Board Member Kris Allen asked if we have received any contracts and do we know who the artists are. GM Kemp stated we have received the contracts but nothing has been signed. Board Member Tyson Pierce asked who made the decision to roll over the entertainment. Chairman Wheeler stated she spoke to each artist beforehand and then presented to the entertainment committee members. Mr. Pierce asked if it is something that we have to do now and can we pursue better acts next year. We have to have a better show this next year, current lineup is ok, but can we try bring more options to the table. Vice Chairman Trey Kerby asked what the entertainment budget will be next year. GM Kemp stated the budget is within 10% next year. He agreed that Mr. Pierce has very valid comments and it is the fair board's decision whether to pursue the same entertainment for next year or not. Vice Chair Kerby stated we do not need to be waiting until the last minute. GM Kemp stated July 26th is a date to respond whether to carry them over. Mr. Pierce stated it ought to be fair for all board members to know instead of voting blindly on entertainment they know nothing of. Board Member Brian Pointer stated he sees Mr. Pierce's point but the lineup is ok for next year. Vice Chair Kerby stated he will go with the entertainment committee's opinion. Mr. Pointer stated he would like to realistically see other people but I think it will be good for the county overall.

Trey Kerby made motion to forward all 2020 Entertainment Contracts to 2021. Marcy Butts seconded the motion; motion carried 5 to 1.

- **Consideration of Approval of 2020 Rabbit Show**

Chairman Larry Wheeler stated this has nothing to do with COVID19, the recommendation from State Veterinarian to not have show due to RHD (Rabbit Hemorrhagic Disease). Most counties are not having rabbit shows, some doing virtual. Board Member Kris Allen stated it is a serious disease and should be avoided at all costs.

Kris Allen made motion to cancel the 2020 Rabbit Show due to RHD concerns. Brian Pointer seconded the motion; motion carried unanimously.

- **Consideration of Approval of Livestock Committee Chairman**

Chairman Larry Wheeler stated the position of Livestock Committee Chairman/Superintendent is currently held by Wayne Cox, who will be retiring at the end of July 2020; Wayne's recommendation to fill position is Clyde Wilhoit, who is currently the swine superintendent. Mr. Wilhoit has been instrumental and has knowledge of all species. He has been contacted and has expressed interest in becoming chairman.

Tyson Pierce made motion to approve Clyde Wilhoit as Livestock Superintendent/Committee Chairman. Brian Pointer seconded the motion; motion carried unanimously.

ITEM 02: OTHER BUSINESS

ENGINEER'S CERTIFICATE:

I hereby Certify that this TABULATION is True and Correct.

Consideration of Lea County Resolution No. 21-JUN-127R Approving a Cooperative Educational Services (CES) Task Order with Pettigrew & Associates for the Survey and Design of the Reconstruction of Alabama Street from NM 18/Lovington Highway to NM 132/Denver City Highway – Approximately 5.3 Miles

Lea County has a long term capital plan to address roadway conditions and roadway widths of not only oilfield impacted roadways but also major thoroughfares in the perimeters of the municipalities.

The schedule and plan calls for a phased widening and reconstruction of Alabama Roadway in the north Hobbs area. This roadway is classified as a major collector roadway by FHWA due to the number of vehicles that travel it each day and its connections.

Lea County staff has requested Pettigrew & Associates to submit a proposal for topographic survey, ROW survey, geotechnical services, and a phased civil engineering design.

The total cost for all services is proposed at \$234,392 plus NMGRT

SCOPE OF SERVICES

1. Surveying Services

Lump Sum \$84,415

This Proposal includes survey services for a Topographic Survey for road design purposes and existing Right of Way Survey of the project site on Alabama Street from NM 18/Lovington Hwy to NM 132/Denver City Hwy (approximately 5.3 miles long and 60' wide).

A. Topographic Survey

- ✔ Pettigrew will perform an existing topographic survey and model the existing surface of the proposed project site. The scope of work includes all surveying services required to produce the map and includes establishing horizontal and vertical ground control, obtaining ground elevations, generation of the electronic topographic maps and field verification.
- ✔ All surface features and underground utilities evidenced with above ground markings will be shown and identified on the maps. Other information that is made available to the surveyor may be shown from record/as-built information or prior location of utilities.
- ✔ Topographic survey will show 1.0' interval surface contours, culvert pipes, roads, fences, trees larger than 4" DBH, ditches, and other visible surface features and will be prepared in compliance with the National Map Accuracy Standards and the Minimum Standards for Surveying in New Mexico.
- ✔ Topographic survey deliverable will be topographic survey for design in 2018 NMDOT CAD layer format, elevations based on NAVD 1988.
