EMERGENCY NOTIFICATION SYSTEM

CodeRED

The Lea County Communication Authority has implemented a more accessible and faster way for Lea County residents to sign up for emergency notifications. Such as missing child alerts, evacuations, tips and/or updates on COVID-19, etc.

If you have not already signed up for **CodeRED**, to receive updates, emergency and/or general notifications, simply text **LCCA to 99411**. You will then receive a link that will bring you to the sign-up page. It is very easy to sign up and takes only a couple of minutes. There is no cost to the citizen.

You can receive alerts via text messages, emails, and phone calls.

If you would like more information regarding our Emergency Notification System, CodeRED contact Director Angela Martinez, 575-942-8172 or amartinez@leacounty.net
