“Family member” means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law.

The Contractor shall keep fully informed of and shall also comply with all applicable federal, state, and local laws, ordinances, and regulations and all orders and decrees of bodies or tribunals having any jurisdiction or authority, which in any manner affect those engaged or employed, or the work, or which in any way affect the conduct of the work. **ARTICLE 11 - CONFLICT OF INTEREST:** The Contractor warrants that it presently has no interest and shall not acquire any interest during the term of this Contract which would have the potential to conflict with the performance of the services required under this Contract. In the event such a conflict arises, it shall immediately be brought to the attention of the County and appropriate action acceptable to the County shall be taken. The Contractor's failure to inform the County of the existence of a potential conflict of interest constitutes default and shall be grounds for immediate termination of Contract by the County.

**ARTICLE 12 - CONFLICTS OF LAW:** If any provision of this contract conflicts with governing federal or state law or County ordinances, then that law or ordinance shall supersede the conflicting provision of this contract.

**ARTICLE 13 - HIPAA COMPLIANCE:** As applicable, the parties agree to comply with the provision of the Health Insurance Portability and Accountability Act of 1996, and related regulations, as amended ("HIPAA") in the event the Contractor receives patient records or information (Protected Health Information as defined by HIPAA).

**ARTICLE 14 - INDEMNIFICATION AND HOLD HARMLESS AGREEMENT:**

**Non-Governmental Entity** The Contractor shall hold harmless, indemnify and defend the County and its "public employees" as defined in the New Mexico Tort Claims Act, Sections 41- 4-1 to 41-4-29, NMSA 1978, as amended, against and from any and all claims, losses, demands, judgments, damages, liabilities, lawsuits, expenses, attorneys fees, costs or actions of any kind resulting from or related to the Contractor's intentional acts, errors or omissions in the Contractor's performance under this contract. The Contractor's agreement to hold harmless, indemnify and defend shall not be affected or terminated by the cancellation, expiration of the

term or any renewal or any other modification of the Contract for any reason and shall survive the cancellation, expiration of the term or any renewal or any other modification of this contract, acts, errors or omissions to act occurring during the term of this contract.

**Governmental Entity:** Neither party shall be responsible for liability incurred as a result of the other party's acts or omissions in connection with this Contract. **ARTICLE 15 - INDEPENDENT CONTRACTOR:** Nothing in this Contract is intended or should be construed in any way to create or establish a partnership relationship between the Parties or to establish the Contractor as an agent, representative, or employee of the County for any purpose or any manner whatsoever. Contractor and its employees shall not accrue leave, retirement, insurance, or any other benefits afforded to employees of the County. Contractor is an independent contractor of the County. The Contractor, its officers, directors, employees, servants, agents, or representatives are not and shall not be deemed employees of the County and shall not bind the County in any respect.

**ARTICLE 16 - INSURANCE:** For the duration of the contract and until all work specified in the contract is completed, the Contractor shall maintain in effect current Certificates of all insurance as required below and comply with all limits, terms and conditions stipulated therein. The County shall be named as an additional insured as stipulated. Contractor's who are required to provide Certificate(s) of Insurance, must provide a new current Certificate(s) no less than annually. As applicable, work under this contract shall not commence until evidence of all required insurance is provided to the respective County Department for inclusion with this Contract. All insurance shall be written to conform to the requirements stipulated. Evidence of such insurance shall consist of a completed certificate of insurance, signed by the insurance agent for the Contractor and returned to the County attesting that all required insurance is in effect. If for any reason any material change occurs in the coverage during the course of the contract such change will not become effective until 30 days after the County has received written notice of such change.

**Required Insurance:** As specified in the **RFP, BID documents or Attachment A.**

**ARTICLE 17 - KEY PERSONNEL:** The Contractor shall identify all key personnel assigned to the performance of this Contract in Attachment H of this Contract. Key personnel may not be changed without prior written approval of the County Manager and inclusion of that written approval in the official Contract File in the County Purchasing Department.

**ARTICLE 18 - MEDIATION:** In the event that a dispute arises with respect to any of the provisions contained in this Contract or any other matter affecting this contractual relationship between the County and the Contractor, the Parties agree that prior to filing any court action to enforce the Contract or rights under the Contract, they will use the services of a mediator. The mediator shall either be certified as a mediator or shall have experience as a mediator. The parties shall mutually agree upon the choice of mediator. In the event the Parties have not agreed to a mediator within three days of written notice to the other regarding the dispute, then a list of seven potential mediators will be obtained from the Court or other professional association, and the Parties shall use a striking process until a mediator is agreed upon. Each party shall be responsible for their respective mediation costs.

**ARTICLE 19 - MERGER OF PRIOR CONTRACTS:** This Contract incorporates all the conditions, contracts, agreements, and understandings of the Parties concerning the subject matter of this Contract. All such conditions, understandings, and agreements

have been merged into this written Contract. No prior condition, contract, agreement, or understanding, verbal or otherwise, shall be valid or enforceable unless embodied in this Contract, either explicitly or by reference.

**ARTICLE 20 - NON-APPROPRIATION:** The County's obligation to make payment under the terms of this Contract is contingent upon its appropriation of sufficient funds to make those payments and the NM Department of Finance's (DFA) final approval of the County's budget. If the County does not appropriate sufficient funds or DFA does not approve the County's final budget, this Contract will terminate upon written notice of that effect to the Contractor. The County Board's determination that sufficient funds have not been appropriated, through Board of County Commissioners or DFA action, is firm, binding, and not subject to review.

**ARTICLE 21 - NOTICE TO PROCEED OR COMMENCEMENT OF WORK:**

It is expressly understood that this Contract is not binding upon the County until approved and signed by the County and, further, that the Contractor shall not proceed with its obligations until the Contract has been signed by all Parties.

**ARTICLE 22 - PARAGRAPH HEADINGS:** Paragraph headings are for convenience and reference and are not intended to limit the scope of any provision of this Contract.

**ARTICLE 23 - PERSONAL LIABILITY:** No elected or appointed official, employee, servant, agent, or law enforcement officer of the County shall be held personally liable under this Contract or any extension or renewal thereof because of its enforcement or attempted enforcement, provided they are acting within the course and scope of their employment or governmental duty and responsibility.

**ARTICLE 24 - PROCUREMENT CODE:** The Procurement Code, § 13-1-25 through § 13-1-199, NMSA 1978 as amended, imposes civil and criminal penalties for its violation. In addition, New Mexico Criminal Statutes impose felony penalties for illegal bribes, gratuities and kickbacks. Pursuant to the above, it is unlawful for any Contractor to engage in bribery, offering gratuities with the intent to solicit business, or offering or accepting kickbacks of any kind. All other similar act(s) of bribes, gratuities, and/or kickbacks are likewise prohibited.

**ARTICLE 25 - PROPRIETARY INFORMATION:** All documents, writings, electronic formats, drawings, designs, specifications, notes, project manuals, or related documents and other work developed in the performance of this Contract by the Contractor shall become the sole property of the County whether the activity for which they are developed is implemented or not. The Contractor shall provide the County with a complete set of all such proprietary information as requested by the County, but no later than the effective termination date of the contract. Contractor is strictly prohibited from reproducing, duplicating or printing any such proprietary information in any format for personal or monetary recognition, use or gain without the advance written permission of the County.

**ARTICLE 26 - RECORD KEEPING AND AUDITS:** The Contractor shall compile, maintain, and make available for inspection all records relating to the services to be provided under this Contract. These records shall be subject to inspection by the County or designated auditor. The County shall have the right to audit billings both before and after payment; payment under this Contract shall not foreclose the right of the County to be reimbursed any excessive or illegal payment amounts made to the Contractor during the term of this Contract. Pursuant to State of New Mexico General Records Retention requirements, Contractor will retain all original, source and supporting documents and records related to this contract for a minimum of six (6) years after the ending date of this contract.

**ARTICLE 27 - RELEASE:** The Contractor, upon final payment of amounts due under this

Contract for work completed and accepted by the County, releases the County, its officers and employees from all liabilities, claims, and obligations whatsoever arising from or under this Contract. The Contractor agrees not to bind the County to any obligation not assumed in this Contract by the County, unless the Contractor has express written authority from the County Manager to do so, and then only within the limits of the expressed written authority.

**ARTICLE 28 - SEVERABILITY:** If any clause or provision of the Contract is held to be illegal, invalid, or unenforceable by a court of competent jurisdiction, then it is the intention of the parties hereto that the remainder of the Contract shall remain in full force and effect. However, in the event that either Party can no longer reasonably perform pursuant to the remaining Contract terms, or if the purpose of the Contract can no longer be carried out by either Party, the Contract may be voided and no damages shall accrue to either party.

**ARTICLE 29 - SOVEREIGN IMMUNITY:**

**Non-Governmental Entity:** By entering into this Contract, the County and its "public employees" as defined in the New Mexico Tort Claims Act, NMSA 1978, Sections 41-4-1 through 41-4-29, as amended, do not waive sovereign immunity, do not waive any defense, and do not waive any limitations of liability pursuant to law. No provision in this Contract modifies or waives any provision of the New Mexico Tort Claims Act, *supra*.

**Governmental Entity:** By entering into this Contract, the County and the Governmental Entity Contractor do not waive sovereign immunity, do not waive any defense and do not waive any limitations of liability pursuant to law. No provision in this Contract modifies or waives any provision of the New Mexico Tort Claims Act, *supra*.

**ARTICLE 30 - SUBCONTRACTING:** This Contract is based on the personal skills and reliability of the Contractor as known by the County at the time of execution of this Contract. The Contractor shall not subcontract out any portion of the services to be performed under this Contract without the prior written approval of the County Manager and inclusion of that written approval in the official Contract File in the County Purchasing Department. The written approval shall minimally include disclosure of the name of the individual(s) to be contracted, a statement of the individual(s) qualifications and a justification of the request to subcontract.

**ARTICLE 31 - TERMINATION:** The County may terminate this contract for convenience, in whole or in part, by providing written notice to the Contractor thirty (30) days prior to termination. In the event of contract termination, the Contractor shall be paid for work completed to the date of termination. In no event shall the dollar amount to be paid upon termination exceed a total of the maximum contracted amount and any additional amount provided for by amendment(s).

1. Where a Party to this Contract has committed a major breach that is capable of remedy, the Party who is not in breach may serve a written notice, with a fixed period in which to remedy the breach. The period given shall be determined at the sole discretion of the Party serving the notice but subject to a minimum period of two weeks.
2. The County and Contractor shall have the right, such right being exercised at their absolute discretion, to terminate this Contract, in writing, if a major breach has been committed that can not be remedied. Further, the Parties may terminate this contract, in writing, if a breach has not been remedied to the reasonable satisfaction of the Party serving the notice of breach within the period specified in any such notice.

**ARTICLE 32 - THIRD PARTY BENEFICIARY:** It is agreed between the Parties executing this Contract that it is not intended by any of the provisions of this Contract to create on behalf of the public or any member thereof the status of third party beneficiary nor to authorize anyone not a party to the agreement to maintain a suit based upon this Contract.

**ARTICLE 33 - WAIVER:** Any waiver by the County of any breach of any covenant, term, condition, or agreement in this Contract to be kept and performed by Contractor shall not be deemed or considered as a continuing waiver and shall not operate to bar or prevent County from declaring a default for any succeeding breach either of the same covenant, term, condition, or agreement or another. All remedies afforded in this Contract shall be taken and construed as cumulative, that is, in addition to every other remedy provided herein or by law.

**ARTICLE 34 - DUPLICATE ORIGINALS:** This document shall be executed in no less than two (2) counterparts, each of which shall be deemed an original.
