Welcome to the 65th Lebanon Area Fair

Agriculture is the number one industry in Pennsylvania. We at the Lebanon Area Fair are doing our part in promoting and preserving our agricultural heritage as well as retaining the values of Lebanon County. The Fair is a time-honored tradition passed down through generations where family and friends come and renew old friendships and make new ones.

We hope you are able to join us and make the Lebanon Area Fair your summer family tradition. We are "Making Memories One Fair at a Time."

To All Our Volunteers, Exhibitors, and Sponsors

The Lebanon Area Fair Board would like to thank three very important groups that make the Fair a success - **our volunteers, exhibitors and our sponsors**. Every year community-minded citizens work alongside Fair board members to provide Lebanon County with a fair to be proud of. Please know your work and generosity does not go unnoticed or unappreciated.

The Fair would not be possible without exhibitors who bring out their best animals, products, and skills to showcase Lebanon County agriculture to our visitors. Nothing says fun like the good friendly competition among the many friends and neighbors of the Lebanon Area Fair.

Sponsorships from local businesses also contribute to a successful fair. The Lebanon Area Fair Board encourages all to remember the businesses, groups, and individuals who volunteer their time and resources and to support them in return throughout the year.

Entertainment, class, and special award sponsors are listed throughout this catalog and announced during Fair week. We encourage you to take notice of their support and patronize these various businesses and individuals who do so much to support 4-H, FFA and the Fair.

If you are reading this Fair catalog, you are probably about as excited as we are about having a 2021 Lebanon Area Fair. The past year has been quite a challenge for everyone and our Organization is no different.

Despite the headwinds last year, we successfully held limited events that allowed for over 1,300 youth entries to be shown and judged. We waived entry fees and maintained full premium payments. We held our very successful ham and chicken barbeques and we provided the general community with glimpses of a normal fair through our drive-in food truck midway and a spectacular fireworks show on the second Saturday of the Fair, free of charge.

With all of the failures and disappointments of 2020, having some sort of a Fair meant the world to our youth participants and to a significant part of the community who still came out to show its support. We could not have done it without our usual group of volunteers. Financially, we would not have been able to do what we did without the support of our very loyal sponsors.

Sponsors for the 2021 fair are printed on the back page of this book, but we also wanted to make sure that we thanked the sponsors of the 2020 fair one more time below. The individuals and businesses listed below let us keep their sponsorship money instead of returning it even though we were not going to be able to give them their usual level of publicity during fair week. Giving without expecting recognition is considered one of the highest and most noble forms of charity and we cannot thank these sponsors enough.

One final thank you goes out to the County of Lebanon for its financial assistance over the years and for the Lebanon County CARES Act funding that was granted to our Organization. Our Fair is lucky enough to have all three of our current commissioners engaged in our event and emotionally invested in the future of our Fair and the Expo Center. During Fair week, Commissioner Jo Ellen Litz can often be found at our front gates helping to collect admission. Commissioner Bill Ames sits on the board of the Lebanon Valley Exposition Corporation, which operates and maintains our facilities. Commissioner Bob Phillips spends his Fair week on the garbage crew!

At the time this catalog is going to print, the Lebanon Area Fair Board is working diligently at planning a 2021 Fair that will, hopefully, be a sign that we are on our way back to normal. We intend to follow Federal, State and Local guidance that is in force at the time and roll with whatever punches that may come our way. If we managed to pull something off in 2020, we will surely be successful in 2021!

Thank you for your continued support.

How to Become a Volunteer

Want to get involved? We are always seeking new volunteers to help us present a successful event.

Please contact the Fair Office at 717-273-3795 or lebanonareafair@gmail.com to sign up:

Kitchen – Taking orders, flipping burgers, and serving soup are just a few of the tasks performed by kitchen volunteers at the Eatery and Outside Eatery.

Trash – With thousands of visitors on the grounds each night, the garbage cans overflow quickly. Help to keep the fairgrounds clean by volunteering for trash patrol.

Fair Manager's Desk – Customer service headquarters during Fair week. Answer phones, oversee the scavenger hunt, provide directions and more as an experienced member of our Fair volunteer staff.

Gazebo Staff – Answer questions in the outdoor gazebo as an experienced member of our Fair volunteer staff.

Set up/Clean up – Continuously through the week, there are chairs and tables to place and remove, and lots of trash to be removed at the end of the week.

Specialty Days – Volunteers are needed to help run special activities for Kid's Day and Senior Citizen's Day.

Entry Check In – Hundreds of indoor exhibits are checked in during a very brief window of time on Friday evening and Saturday morning. We need help making sure that every exhibit gets to the right place prior to judging.

How to Become an Exhibitor

The Lebanon Area Fair has thousands of exhibits each year – and we hope you'll enter your own project this year! Classes range from livestock, dairy, horse, and small animal shows, to flowers, fruits, and vegetables. There are classes for every kind of craft – sewing, knitting, macrame, beading, painting, photography, woodworking, and more!

Important: 2021 Entry Deadline is Friday, July 9. Entries can also be done online at www.LebanonAreaFair.com. Entries must be returned to the Fair Office or postmarked by July 9 (to avoid late entry penalty fees.)

How to enter:

Read the catalog. Find a class(es) that interests you. Fill out a General Entry Form and return it to the Fair Office (either by mail, in person, or online at www.LebanonAreaFair.com) by the entry deadline. If you're entering an animal exhibit, you'll also need an animal entry form (separate forms exist for livestock, dairy, rabbit, and poultry entries; horse entries are coordinated through the Extension Office). Also, be sure to read and follow the health rules and regulations that apply to animal entries.

Indoor exhibits (non-animal) should be delivered in person to the fairgrounds (West Hall for most entries; flowers to Center Hall) on Friday, July 23 from 3-9 p.m. or Saturday, July 24 from 7-9 a.m. The quilt entries must be delivered Thursday, July 22 from 2:30-5:30 p.m. Please keep the claim tickets you receive at check in, you'll need them to pick up your projects at the end of the Fair. After delivering your exhibits, it's time to be patient while the judges sort through the many entries. West Hall reopens to the public on Saturday, July 24 at 4 p.m., where you can find out if your project won a blue ribbon, or even better, a Best of Show!

Animal exhibits arrive on the Fairgrounds at different times depending on the species and breed. Please see the catalog for more information.

Taking your exhibits home:

All indoor exhibits must be picked up Saturday, July 31 from 7:30-9:30 a.m. You must have your claim tickets to pick up your projects.

Animal exhibits leave the Fairgrounds at different times depending on the species and breed. Please see the catalog (page 6) for more information.

Any person removing an exhibit before release time without Fair Chairperson's approval will forfeit all premiums and/or be barred from next year's Fair.
10. Each exhibitor shall be responsible to give proper class, variety, and name of the exhibit to the committee in charge upon entering exhibits in any department. No additional classes shall be added during the Fair.
11. Any exhibit in one class may not be entered in any other class, unless otherwise specified; nor may an exhibitor enter more than one exhibit in any class or subdivision of, except where specified, or receive more than one premium in any class and/or subdivision of a class, except where specified.
12. They are responsible to have their stock ready for judging at the announced time. Stock shall be identified by number only during judging. No ribbons or ornaments may accompany an animal until judging is completed in a respective class. The wearing of clothing providing the farm name is prohibited in show ring.

LEBANON AREA FAIR CODE OF SHOW RING ETHICS

The code is as follows:

Exhibitors of animals at the Lebanon Area Fair shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes competition. This code applies to all livestock offered in the livestock show.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct of questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and may be prohibited from future exhibition in accordance with the rules adopted by the Lebanon Area Fair. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of GUIDELINES for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of age or ownership of any fact relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal's health certificates from a licensed veterinarians upon request by show officials.
3. Junior exhibitors are expected to care for and groom their animals while at the shows. **All fitting of 4-H/FFA animals will be done by the exhibitor with the assistance of family or other Lebanon County 4-H members or leaders. No outside fitters will be allowed.**
4. NO paints or dyes. Any exhibitor found to be using coloring agents will forfeit any ribbons and premiums and will not be permitted to show at the Lebanon Area Fair for one year. **IMPORTANT:** If upon slaughter, treatment with drugs, biologics, or any chemical from fitting products is the cause of the condemnation of a carcass, the loss of the carcass and any other damages will be borne by the exhibitor.
5. Fitting of animals shall be done by the exhibitor. If assistance is needed, then the exhibitor may be assisted only by family members, Lebanon County 4-H livestock and goat leaders, or another Lebanon Area Fair exhibitor that is carrying the same project.
6. Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal and state statutes, regulations and rules affect the animal's performance of appearance in the event. If the laboratory report on the chemical analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample or urine, saliva, blood, or other substance tested by the approval laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to provide otherwise at any hearing in regard to the matter conducted by the show. **At any time after an animal arrives on the Lebanon Area Fair premises, all treatments involving the use of drugs and/or medications shall be administered by a licensed veterinarian.**
7. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
8. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
9. Direct interference with the judge, show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

10. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics.

11. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

12. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have any disciplinary action taken by the show against such individuals published in any publication of the International Association of Fairs and Expositions including Fair and Expositions and any special notices to members.

13. The act of entering an animal in the show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, and state statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

GUIDELINES FOR CARE OF ANIMALS

It is the responsibility of each exhibitor to care for animals in a manner that is responsible and ethical. Following are some guidelines for the treatment of animals exhibited at the show.

a. Restraining Animals

- i. Animals should be tied or penned in a manner that will not hurt the animal or restrict his breathing in any way.
- ii. Animals should be tied so that all four feet are firmly on the ground and they have enough room to stand comfortably and lie down.
- iii. Animals should be tied so that they are not able to injure animals tied near them.
- iv. Animals unaccustomed to each other should not be penned together.

b. Handling-Any type of rough handling which could harm the animal is prohibited. The use of whips, canes, and show sticks should be restricted to showing only and then be used only to guide the animals, not punish them. Remember, animals will respond quicker and better to quiet, gentle handling, than loud, rough handling.

c. Bedding-All animals should have bedding that is dry and clean. Pens should be cleaned regularly to keep the animals clean and comfortable. If non-traditional bedding such as carpeting is used, it should be regularly cleaned (at least twice daily) to keep the pen free from manure.

Creativity	10 points
TOTAL	100 Points

Creativity is essential to a varied competition. Do not limit your contest to a "traditional" two-crust apple pie. We are looking for a variety of fillings in the pies; the pie must include at least 60% apples in the filling.

The recipe for the pie and pie crust will also need to be submitted when entering at the Pennsylvania Farm Show.

Each Fair must sign a Certification Entry Form verifying the winning apple pie baker and this person will be eligible to enter the state competition at the 2022 Farm Show.

NOTE: If an individual has already won 1st place at another fair in 2021 for this Blue Ribbon Apple Pie contest, that individual is now considered qualified through that Fair to compete at the 2022 PA Farm Show and is no longer eligible to enter this contest at any upcoming Fairs.

First Place Winner is eligible for the 2022 PA Farm Show competition.

In Memory of Carl I. Wenger

Carl and his wife Margaret have been generous supporters of the Lebanon Area Fair, the 4-H Auction, and the 4-H and FFA livestock sales for decades. They not only bid generously, but since 2004, they have gifted exhibitors with a U.S. Savings Bond or paid club dues for each year they exhibited their livestock.
