This request must be made prior to the start of the fair or specific competition for which a variance is requested. If F&E approves a specific variance request it may approve a conditional variance with specific conditions. Any approved variance shall expire at the conclusion of the annual fair.
5. Fair Management and/or Board of Directors may grant variances in the submission of late entries and refund of entry fees. Variances may be ruled upon by F&E at the request of Fair Management and/or Board of Directors.
6. F&E will distribute any corrections and additions to these rules to fairs. It is the fair's responsibility to make them available. F&E does not represent or endorse the accuracy, currentness or reliability of any advice, opinion, statement or other information displayed by the fair in the distribution of corrections and additions to these rules. True and correct copies of all rules and any additions or corrections are available upon request at F&E during business hours, by mail, or at www.cdffa.ca.gov/fe.
7. Fairs may create "Local Rules" that may be stricter than the State Rules but that may not circumvent the State Rules.

7. **Ownership.** Unless otherwise allowed in the exhibitor handbook, exhibitors must be legal owners of all entries.
8. A complete exhibit eligible in more than one division and/or class will be entered and judged only in the division and/or class for which it best qualifies. Any exhibit not properly entered may be transferred to its proper class by fair management, whose decision may be changed only by the judge.
9. The Fair Management has the right to limit entries to facilities available and/or cancel any division or class in which there are not enough entries. Any return of entries or fees under this rule will be done on a nondiscriminatory basis. Exhibitors, leaders, advisors and parents found, after a chance to provide evidence and be heard before the fair management (CEO and staff) of unethical practices as set forth in the State and Local Rules or in actions inimical with the fair program shall result in the exhibit being disqualified and the forfeiture of any awards and/or privileges as may be deemed appropriate to the circumstances by the Fair Management. If the judging for the exhibit has not yet commenced the exhibitor, leaders, advisors and parents may be denied entry in any exhibitions at the fair. The Fair Management shall report any such incidences of unethical or inimical behavior established by the fair as provided for in this rule, to F&E in writing and such reports may become the basis for any California fair to refuse entries from the exhibitor, leaders, advisors or parents for 12 months following the infraction.

The exhibitor agrees to defend, indemnify and hold harmless the fair, the county and the State of California from and against any liability, claim, loss or expense (including reasonable attorneys' fees) arising out of any injury or damage which is caused by, arises from or is in any way connected with participation in this program or event, excepting only that caused by the sole active negligence of the Fair.

The Fair Management shall not be responsible for accidents or losses that may occur to any of the exhibitors or exhibits at the fair. All other requirements for exhibiting must be met.
20. Exhibits owned jointly by a director and his/her minor child or a CEO and his/her minor child are considered as owned by the child in junior department classes only.

III. Judging

1. Judges should avoid any appearance of partiality and avoid unnecessary fraternization with exhibitors.
2. No person shall act as a judge in any division in which he/she or a member of his/her immediate family is an exhibitor, is in charge of an exhibit or division, in charge of a group of exhibitors, or is a member of a group of exhibitors.
3. No person shall be allowed, under any circumstances, to interfere with the judge(s) regarding their adjudications, or with the fair's staff or to offer any audible criticism of an exhibit or exhibitor. Violators of this rule shall be excused immediately from the competition and shall be subject to such additional penalties, including cancellations of awards, as the management shall consider proper.
4. The judge shall have the authority to:
 - a. Disqualify or transfer to the correct class any exhibit which does not meet the requirements of the division or class in which it is entered;
 - b. Disqualify any exhibit not properly cleaned or fitted;
 - c. Disqualify any exhibit that is in his/her opinion hazardous to public safety;No award will be made to exhibits eliminated under any of the above instances.
5. The judge may not waive State Rules.

7. To encourage high standards, the judge shall award first, second, third place, etc., according to merit. If without merit, the judge shall make no award under any circumstances. The judge may award championships at his/her discretion for superior exhibits. This applies whether there are one or more exhibits in class.

IV. Awards and Scoring

1. Fair Management is not responsible for errors on entry forms. No exhibitor shall be entitled to an award that has been disallowed as the result of his/her own error.
2. All divisions or classes will be judged under the American system and/or Danish system as stated in the fair's exhibitor handbook.
3. State "Judging Standards" are to be used where applicable. Local judging standards may be used if published in the exhibitor handbook.
4. Cash awards will be paid as recorded on the signed Judging Sheet and only to the exhibitor.
5. Fair Management shall withhold the payment of awards for exhibits that are determined ineligible under State and Local Rules and may recover awards that have been paid for ineligible exhibits.
6. No exhibitor shall receive more than two cash awards in any one class using the American judging system. (See definition of exhibitor.)

- a. When an exhibitor earns more than two awards in a class, the exhibitor will receive the two highest cash awards, and the lesser cash awards will be moved down the placings to other exhibitors; ribbons will be awarded as placed.
- b. Any difference in payment limits under the Danish system of judging shall be printed in the exhibitor handbook.
- c. When the fair combines classes, an exhibitor is entitled to two cash awards per each class that was combined. Judges should determine special awards as printed before combining.
7. Ties which cannot be broken by the judge will be processed as follows:
 - a. 2-way tie for 1st place: Combine 1st and 2nd place money and divide equally between the two 1st-place exhibitors. The 3rd highest finisher receives 3rd place money, etc.
 - b. 3-way tie for 1st place: Combine 1st, 2nd and 3rd place money and divide equally between the three exhibitors.
8. The fair will not guarantee sponsored donations.
9. Placing of ribbons does not guarantee correct judging placement. Only the official placing stated on the judging sheet(s) constitutes the final placement.

V. Protest

1. Protests will be considered only if there has been a violation of State or Local Rules that have not been enforced. Decisions of judges cannot be protested and are final.
2. Protests must be accompanied by a deposit of either \$100.00 (cash, money order or certified check made payable to the fair). NOTE: The deposit will be returned if the protest is upheld. If the protest is upheld, the violator may be held liable for any portion of the direct costs incurred by the fair in the course of the protest resolution. Failure to reimburse the fair shall be cause for disallowing future entries in any of the network of California fairs.
3. Given the short duration of the fair,
 - a. The protester shall make every effort to file the protest prior to judging. All protests must be filed within 24 hours of the time of the cause of the protest and before conclusion of fair.
 - b. The fair will make every effort to resolve protests as quickly as possible. All exhibitors by entering an exhibit and all persons by filing a protest agree to cooperate with Fair Management to resolve protests in a timely manner.
 - c. Protests shall be adjudicated by Fair Management and/or members of Board of Directors.
4. Any exhibit involved in a filed protest before or during judging is eligible to compete until the protest is resolved.
5. Classes that involve a protested exhibit will not become official until the protest is resolved.
 - a. In championship or special award classes that involve the protested exhibit the judge shall also select 1st and 2nd runners-up in case of disqualification.
 - b. In the case of protest, the unofficial judging results may be used to prepare the sale list and other necessary information.
6. At the discretion of the Chief Executive Officer judging can be delayed to allow time for the fair to resolve the protest if to do so does not unreasonably delay or disrupt the operations of the remainder of the fair judging and auction events.
7. Prior to judging the affected class, fairs may announce that an entry has been protested.
8. All questions concerning competition or non-protestable disputes or differences with staff or the exhibition not provided for under the State or Local Rules shall be referred to the CEO or their designee, whose decision shall be final.
9. Violations of State Rules may be appealed to F&E in writing.
10. An individual may appeal to F&E only after adjudication at the local level and only if:
 - a. The decision upholds a Local Rule that circumvents or is not in the spirit of a State Rule(s);

 - c. There was inappropriate adjudication at the local level that may have included conflict of interest, lack of due process, or a significant misinterpretation of rules.

directly to F&E concerning multiple-fair issues, industry-wide issues, unavoidable conflict of interest or assistance in enforcing its own organization rules.

 - b. Clearly states which rule has been violated;
 - c. States when the protester first became aware of the facts and rule violation;
 - d. States the facts relied upon for the basis of the protest;

 - f. Includes the names of supporting witnesses, with accessible phone numbers; and
 - g. Describes or attaches any documents relating to the protest, which must include the written decision issued by the local arbitrating body.
13. F&E must receive the appeal within 24 hours from receipt of notice of local decision.
14. A hearing may be conducted at the discretion of F&E. The Director of F&E may consult with and/or request that members of State Rules Advisory Committee participate in any hearing.
15. Once the Director has ruled on an appeal to F&E, no additional protest or appeal will be considered relating to that incident.

FAQ about Grape Murals

Q. From start to finish how long does it take to make a mural?

A. About 2 months from concept to completion.

Q. Do they reuse the same murals every year?

A. No, we start from scratch every year to depict the new theme.

Q. When do you start working on the mural?

A. You can start as soon as the Festival releases the theme which is sometime in May-June.

Q. Is there prize money?

A. Yes, anywhere from \$200.00-\$2000.00

Q. Are those Jordan Almonds that you use for white grapes?

A. No they are real grapes, however we do spray paint them.

Q. Why don't the murals spoil?

A. We leave a little piece of the stem on the grape called the bellybutton to keep it from spoiling.

Q. How many grapes do you use?

A. About 7,000-10,000 individual grapes.

Q. Who can do a mural?

A. A non-profit organization.

Q. Is the mural one big board?

A. No, it would be way too heavy so we break it up into pieces like a jigsaw puzzle.

Q. How many days does it take to put the grapes on?

A. 3-4 Days

Q. Where do you get the grapes from?

A. Local farmers will donate grapes, however you may have to go pick them.

Q. Is there someone involved with the Festival who could give an interested group instructions on how to put together a grape mural?

A. Yes....call 209-369-2771 and we can give you the persons name

Q. How many total big murals can there be?

A. 8

EX OFFICIO MEMBER

CHUCK WINN, DISTRICT 4 SUPERVISOR, SAN JOAQUIN COUNTY

DID YOU KNOW? *The Lodi Grape Festival & National Wine Show Association, Inc. is a non-profit organization contracted by San Joaquin County to produce the annual Lodi Grape Festival and Harvest Fair and Lodi Wine and Food Festival, and manage the fairgrounds on a year-round basis. The Lodi Grape Festival is the legal San Joaquin County fair recognized by the California fair system, overseen by the Department of Agriculture, Division of Fairs and Expositions, and a member of Western Fairs Association and the International Association of Fairs and Expositions.*

The Festival's mission and main purpose is to promote the agriculture and agricultural products of San Joaquin County, and to offer diverse forms of agricultural education. The Festival strives to present unique, family-oriented exhibits that not only entertain, but educate and enlighten. Operating revenues are generated from activities on the fairgrounds – from building rentals to basketball tournaments, as well as the Festival and Spring Wine Show – and are used to maintain the grounds and service programs both during fair time and throughout the year.

The annual Grape Festival provides an opportunity for many groups and organizations to raise funds for community and charitable projects. Lions Clubs and 4-H Clubs, Boy and Girl Scouts, Future Farmers of America, Boosters of Boys and Girls Sports and DeMolay, as well as classrooms countywide, make money by selling products at the Festival or by entering the wide variety of agriculture-related competitive exhibits offered each year. Well over \$200,000 is raised annually by these groups as a result of the Festival, in addition to the more than \$30,000 in prize money paid out by the Festival each year to individuals and groups for their exhibits.

In addition, the Festival Association has undertaken the "Bucks for Books" Scholarship Fund, providing scholarships for college textbook expenses to deserving area youth. Since it's inception in 2004, the Fund has awarded 113 scholarships – \$111,500 – from fund raising efforts and donations.
