FEATURED COMMODITY

San Joaquin County, also known as the breadbasket of the world, produces more than 300 different crops within the county boundaries. The byproducts generated from these commodities range from wine to fresh fruit to milk to feed for livestock.

The mission of the Lodi Grape Festival is to celebrate the agricultural industry and heritage in the County and each year we will choose a new “featured commodity” that will be showcased in every department.

2026 WE ARE FEATURING CORN

Corn is believed to have first been grown in the area of the world that is now Mexico but is now widely grown throughout the United States and is a top 10 crop in San Joaquin County. Corn has many uses including food for humans both as fresh and as an ingredient such as corn starch or corn flower, livestock feed, fuel ethanol, industrial uses and ornamentally.

There will be at least one special corn class in each department of competitive exhibits (except for Viticulture and Junior Viticulture). We encourage you to participate in as many as you want and help us celebrate the pumpkin. Special ribbons will be awarded, and a sweepstakes award will be given to the exhibitor with the most entries in the corn categories.

Look for the 🌽 symbol to see what you can enter!

FREQUENTLY ASKED QUESTIONS ABOUT GRAPE MURALS

- Q. From start to finish how long does it take to make a mural?
A. About two months from concept to completion.
- Q. Do they reuse the same materials every year?
A. No, you start from scratch every year to depict the new theme.
- Q. When do you start working on the mural?
A. You can start as soon as the Festival releases the theme which is sometime in May or June.
- Q. Is there prize money?
A. Yes, anywhere from \$200 to \$2,000.
- Q. Are those Jordan almonds that you use for white grapes?
A. No, all materials we use are real grapes or materials from the grape vine. However, we do use spray paint to get the colors we need in our design.
- Q. Why don't the murals spoil?
A. We leave a little piece of the grape stem on the grape called the bellybutton to keep it from spoiling.
- Q. How many grapes do you use?
A. Between 7,000 and 10,000 individual grapes.
- Q. Who can do a mural?
A. Grape Murals can be done by San Joaquin County organizations. For this purpose, "organization" is defined as any non-profit, charitable, service, fraternal or civic group or club.
- Q. Is the mural one big board?
A. No, it would be much too heavy so it is broken up into pieces like a jigsaw puzzle.
- Q. How many days does it take to put the grapes on?
A. Three to four days.
- Q. Where do you get the grapes from?
A. Local farmers will donate grapes, however, you may have to go to the vineyard and pick them yourself.
- Q. Is there someone involved with the Lodi Grape Festival who could give an interested group instructions on how to put together a mural?
A. Yes! Please call the Festival office at (209) 369-2771 and we can connect you with experienced mural constructors.
- Q. How many big murals can there be?
A. There is space for a total of eight large murals – the size is 8' X 12'.

EX OFFICIO MEMBER

Steve Ding, District 4 Supervisor, San Joaquin County

DID YOU KNOW? *The Lodi Grape Festival & National Wine Show Association, Inc. is a non-profit 501(c)5 organization contracted by San Joaquin County since 1941 to produce the annual Lodi Grape Festival and Harvest Fair and other events and manage the fairgrounds on a year-around basis. The Lodi Grape Festival is the legal San Joaquin County fair recognized by the California fair system, overseen by the Department of Agriculture, Division of Fairs and Expositions, and a member of Western Fairs Association and the International Association of Fairs and Expositions.*

The Lodi Grape Festival's mission and main purpose is to promote the agriculture and agricultural products of San Joaquin County, and to offer diverse forms of agricultural education. The Festival strives to present unique, family-oriented exhibits that not only entertain, but educate and enlighten. Operating revenues are generated from activities on the fairgrounds – from building rentals to basketball tournaments, as well as the annual Festival and Spring Wine Show - and are used to maintain and improve the fairgrounds and service programs both during fair time and throughout the year.

The annual Lodi Grape Festival celebrates the grape harvest and provides an opportunity for many groups and organizations to raise funds for community and charitable projects. Lions Clubs and 4-H Clubs, Boy and Girl Scouts, Future Farmers of America and local sports booster clubs, as well as classrooms countywide, make money by selling products at the Festival or by entering the wide variety of agriculture-related competitive exhibits offered each year. Well over \$200,000 is raised annually by these groups as a result of the Festival, in addition to the more than \$30,000 in prize money paid out by the Festival each year to individuals and groups for their exhibits.

The Lodi Wine Festival showcases the wines from Lodi and surrounding areas, offering patrons a chance to taste a wide variety of wines in a beautiful indoor environment. The event began in 2016, but it evolved from the Lodi Spring Wine Show which ran from 1980 through 2015 and it is the most venerable of all wine events in the Lodi area.

In 2003 the Festival Association established the "Bucks for Books" Scholarship Fund, providing funds for college textbook expenses to deserving area youth. Since its inception more than \$117,000 has been awarded thanks to fund raising efforts and donations
