Creating Connections Through Cohesive Wellness - Accreditation #WellnessWednesday

Our goal is to create a Safe Place to Meet.

Over the last few months, our team has gone through great lengths to implement many changes to ensure your next event is met with heightened sanitization and hygiene practices. We have also created new offerings and modified other services to ensure the health and comfort of our guests. These measures include, but are not limited to:

- Updated capacities and room diagrams to follow physical distancing guidelines
- Menus with alternatives to buffets
- Catering service changes
- Signage throughout the venue
- New linen-less classroom tables
- Application for GBAC STAR accreditation

It will take the Lynnwood Convention Center Team and Event Organizers working together to achieve this goal. Click the link below to view the Event Planner Guide and the measures needed to Create a Safe Place to Meet.
