## Creating Connections Through Cohesive Wellness - Signage

#WellnessWednesday

The next time you visit the Lynnwood Convention Center, take a look at all of the new signage we have in place to help your guests navigate attending a live event. While the Event Organizers are responsible for event specific signage including registration, agendas, event capacity and directional signage, the Lynnwood Convention Center has produced signage that includes the following:

### **Lobby Entrances**

- COVID-19 symptoms
- Physical distancing and health guidelines

### **Other Public Areas**

- Physical distancing and queueing guidelines
- Public health information
- Elevator Etiquette

### **Event Spaces**

- Physical distancing and other health reminders
  - Light switch use
  - Hand sanitizer use
- Water cooler “high touch” signage

### **Restrooms**

- Proper hand washing techniques

*The following note cards will be placed at every seat in the event space.*
